**Hoax** Brian Stelter,2020-08-25 INSTANT NEW YORK TIMES BESTSELLER An NPR Best Book of the Year "A thorough and damning exploration of the incestuous relationship between Trump and his favorite channel." —The New York Times "A Rosetta Stone for stuff about this presidency that doesn't otherwise make sense to normal humans." —Rachel Maddow, MSNBC "Stelter's critique goes beyond salacious tidbits about extramarital affairs (though there are plenty of those) to expose a collusion that threatens the pillars of our democracy." —The Washington Post The urgent and untold story of the collusion between Fox News and Donald Trump from the New York Times bestselling author of Top of

the Morning. While other leaders were marshaling resources to combat the greatest pandemic in modern history, President Donald Trump was watching TV. Trump watches over six hours of Fox News a day, a habit his staff refers to as “executive time.” In January 2020, when Fox News began to downplay COVID-19, the President was quick to agree. In March, as the deadly virus spiraled out of control, Sean Hannity mocked “coronavirus hysteria” as a “new hoax” from the left. Millions of Americans took Hannity and Trump's words as truth—until some of them started to get sick. In *Hoax*, CNN anchor and chief media correspondent Brian Stelter tells the twisted story of the relationship between Donald Trump and Fox News. From the moment Trump glided down the golden escalator to announce his candidacy in the 2016 presidential election to his acquittal on two articles of impeachment in early 2020, Fox hosts spread his lies and smeared his enemies. Over the course of two years, Stelter spoke with over 250 current and former Fox insiders in an effort to understand the inner workings of Rupert Murdoch's multibillion-dollar media empire. Some of the confessions are alarming. “We don't really believe all this stuff,” a producer says. “We just tell other people to believe it.” At the center of the story lies Sean Hannity, a college dropout who, following the death of Fox News mastermind Roger Ailes, reigns supreme at the network that pays him \$30 million a year. Stelter describes the raging tensions inside Fox between the Trump loyalists and the few remaining journalists. He reveals why former chief news anchor Shep Smith resigned in disgust in 2019; why a former anchor said “if I stay here I'll get cancer;” and how Trump has exploited the leadership vacuum at the top to effectively seize control of the network. Including never before reported details, *Hoax* exposes the media personalities who, though morally bankrupt, profit outrageously by promoting the President's propaganda and radicalizing the American right. It is a book for anyone who reads the news and wonders: How did this happen?

*The Divider* Peter Baker, Susan Glasser, 2023-09-19 NEW YORK TIMES BESTSELLER • The most comprehensive and detailed account of the Trump presidency yet published.—The Washington Post • A Best Book of the Year: The New Yorker and Financial Times • The book everyone is talking about.—Politico The inside story of the four years when Donald Trump went to war with Washington, from the chaotic beginning to the violent finale, told by revered journalists Peter Baker of The New York Times and Susan Glasser of The New Yorker—an ambitious and lasting history of the full Trump presidency that also contains dozens of exclusive scoops and stories from behind the scenes in the White House, from the absurd to the deadly serious. A sumptuous feast of astonishing tales...The more one reads, the more one wishes to read.—NPR.com • A beautifully written, utterly dispiriting history of the man who attacked democracy. —The Guardian The bestselling authors of *The Man Who Ran Washington* argue that Trump was not just lurching from one controversy to another; he was learning to be more like the foreign autocrats he admired. *The Divider* brings us into the Oval Office for countless scenes both tense and comical, revealing how close we got to nuclear war with North Korea, which cabinet members had a resignation pact, whether Trump asked Japan's prime minister to nominate him for a Nobel Prize and much more. The book also explores the moral choices confronting those around Trump—how they justified working for a man they considered unfit for office, and where they drew their lines. *The Divider* is based on unprecedented access to key players, from President Trump himself to cabinet officers, military generals, close advisers, Trump family members, congressional leaders, foreign officials and others, some of whom have never told their story until now.

**The SAGE Deaf Studies Encyclopedia** Genie Gertz,Patrick Boudreault,2016-01-05 The time has come for a new in-depth encyclopedic collection of articles defining the current state of Deaf Studies at an international level and using the critical and intersectional lens encompassing the field. The emergence of Deaf Studies programs at colleges and universities and the broadened knowledge of social sciences (including but not limited to Deaf History, Deaf Culture, Signed Languages, Deaf Bilingual Education, Deaf Art, and more) have served to expand the activities of research, teaching, analysis, and curriculum development. The field has experienced a major shift due to increasing awareness of Deaf Studies research since the mid-1960s. The field has been further influenced by the Deaf community's movement, resistance, activism and politics worldwide, as well as the impact of technological advances, such as in communications, with cell phones, computers, and other devices. A major goal of this new encyclopedia is to shift focus away from the "Medical/Pathological Model" that would view Deaf individuals as needing to be "fixed" in order to correct hearing and speaking deficiencies for the sole purpose of assimilating into mainstream society. By contrast, The Deaf Studies Encyclopedia seeks to carve out a new and critical perspective on Deaf Studies with the focus that the Deaf are not a people with a disability to be treated and "cured" medically, but rather, are members of a distinct cultural group with a distinct and vibrant community and way of being.
