The Big Book of Drinking Games Charlie Michaels,2020-06-12 Are you tired of hearing the same questions being asked over and over again during drinking games? Want to add some originality? As a British university student, nothing gets me more excited than going to my friends' houses for pre-drinks before heading out for the night. Every student has their favorite drinking games! But let's face it; they can get a little repetitive... especially when you're out 3 nights a week! In this book, you'll find 3 different drinking games with 1000 questions in total. We all love getting to know our friends a little better, right? So, here's your chance to ask the questions you'd love to know the answers to... Never Have I Ever Everybody's heard of this game before, right? A statement is read aloud, and if you've done what the statement says before, you take a drink! Take it to the next level, with 600 statements split over 25 different rounds! It's the best way to discover things you never knew about your friends, whether they're dirty, illegal, or just plain embarrassing! There's also an added twist... The reader has the ability to make a player tell the story behind their confession only three times every round. Refuse to tell? Take a drinking punishment. Tell the truth? You can punish any player of your choice! Truth or Dare Truth or Dare; everybody's childhood favorite! With a total of 200 extremely uncomfortable questions split over 10 rounds, you might not be able to see by the end of the book! If a player truthfully answers the question they are asked, they have the power to make any player of their choice take a sip of their drink. If they refuse, they take a more severe punishment that is pre-determined at the beginning of the round. Simple! Would You Rather? A traditional favorite. There are 200 questions, each with 2 possible alternatives. Players must answer which option they'd prefer by either raising their hand or keeping it down. Players that disagree with the reader must take a drink. But it's not just as simple as that... If only one player disagrees with the reader, they face a stronger punishment. To make it even better, if everybody disagrees with the reader, the reader must face an even stricter punishment! If you're ready to add some originality to your drinking games and bring your parties to life, scroll up and click the Add to Cart button now! Note: This book contains adult content and is not recommended for anybody under the legal drinking age.

'Broadsword Calling Danny Boy' Geoff Dyer,2019-02-12 In *Zona*, Geoff Dyer—‘one of our most original writers’ (New York)—devoted a whole book to Andrei Tarkovsky’s cult masterpiece, *Stalker*. Now, in this warm and funny tribute to one of his favorite movies, he revisits the action classic *Where Eagles Dare*. A thrilling Alpine adventure headlined by a magnificent, bleary-eyed Richard Burton and a dynamically lethargic Clint Eastwood, *Where Eagles Dare* is the apex of 1960s war movies, by turns enjoyable and preposterous. ‘Broadsword Calling Danny Boy’ is Dyer’s hilarious tribute to a film he has loved since childhood: it’s a scene-by-scene analysis—or should that be send-up?—taking us from the movie’s snowy, Teutonic opening credits to its vertigo-inducing climax.

The Dare Harley Laroux,2023-10-31 Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride – and curiosity – won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? *The Dare* is an 18+ erotic romance novella and a prequel to the *Losers Duet*. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.

A WALK ACROSS DIRTY WATER AND STRAIGHT INTO MURDERER'S ROW Eugene S Robinson,2023-08-29 A rollicking no-holds barred memoir from journalist and musician Eugene S. Robinson that takes readers along through the story of his life. “A weird rollicking ride” frames how author Eugene S. Robinson views his journey from a Brooklyn kid with decidedly offbeat punk rock proclivities to the realities of California hardcore and dark detours into shows, tours, drugs, porn, guns, MMA fighting, an Ivy League-esque education and his eventual entry into the US Defense industry just in time to see his boss dragged into Contragate. Robinson’s writing mirrors his fighting style intensity, ferocity, and brutal truth. He knows exactly who he is and how he is perceived by the white people and white culture that surrounds him. Robinson challenges accepted norms. He fights against easy answers and safe passages. He says: No one who ever gets a life sentence for just about anything really expects it to last a lifetime. Even if the modifier is without the possibility of parole. Hope springs eternal but there's always the undiscussed other option. The one where the fate is chosen, freely, and the protagonist has about as much interest in escaping as he does of being almost anywhere else at all. Which is to say: not at all.” *A Walk Across Dirty Water* is Robinson’s memoir of growing up in Brooklyn during the 1970s, playing in punk bands and touring the world during the

Social Impact of Wine Marketing Mojca Ramšak,2022-01-24 This book is inspired by the term “digiwine,” a neologism referring to the production and/or marketing of wine through the use of new technologies and robotics such as vineyard information systems, sensor units, weather stations, drones, robotic harvesters, social media videos, digital labels, and wine apps. The alcohol industry is using these technologies to develop digital strategies and online tools for more efficient sales of

wine. This book analyzes the use of digital alcohol marketing, the reasons for it, the role of regulation, and its social impact. In particular, malignant forms of alcohol marketing to youth are precisely described through exact case descriptions from the global milieu. The author questions whether the loopholes in the legislation or inefficiency of self-regulation have negative consequences that can no longer be prevented by public health care programs. When and how did the alcohol industry become so deeply interwoven in our lives that we mindlessly advertise and parade in its shadow on social media and that we increasingly buy alcohol digitally for fun, in innovative packaging, and with strange ingredients combinations? Dr. Mojca Ramšak’s book peels back the layers of the alcohol industry’s most obvious yet overlooked marketing tactics. It also reveals the sluggishness of preventive and curative efforts, as well as legal or self-regulatory measures, at keeping up with the alcohol industry’s use of technology. – Nadja Furlan Štante, Principal Research Associate and Professor of Religious Studies, Science and Research Centre of Koper, Slovenia.

Ordinary Human Beings Salem Miles,2023-02-28 This year was supposed to be about me being out of the spotlight and minding my own business, not about me French kissing one of the school’s most hated kids in the back of the burner room! Yasmina shut the door in my face. “You better not lock–” the click was loud enough for me to roll my eyes. “The door.” *** After a controversial start to the New Year, Kendall Riddick has to navigate her first senior year at Riveria Boarding School while trying to avoid her ex girlfriend and former best friend on campus. But none of that is easy, as a not so unfamiliar stranger decides to enrol into the school...and guess what? She’s Kendall’s room-mate. And if there’s one thing Kendall has learned about sharing a room with a complete ‘stranger’ is that room-mates don’t kiss, right? Right?
