The Complete New Testament Resource for Youth Workers Jack Crabtree,2011-02-22 With lessons created, written, and tested by active, experienced youth leaders who work with young people every week ... never before has there been a resource this comprehensive, this practical, and this relevant for teaching the New Testament to your students. Walking students through the New Testament used to feel like a daunting task—especially if you’ve tried to create studies that are relevant and engaging to your students. Now, you have a diverse team of nearly thirty youth ministry practitioners working for you—and they’ve put together more than 100 studies that will make your job easier while helping your students dig into the Bible. Whether you lead them yourself or hand the lessons over to your volunteers, each lesson is easy to implement and can be used alone or combined with lessons that have already been planned. You’ll also find a searchable CD-ROM, making it easier than ever to find exactly what you need to help lead your students deeper into the life-changing books from the New Testament.

Jess's Disco Disaster Jennie Walters,2001 Jess and her twin brother Matt are planning their birthday - but they can't agree on what sort of party to have. Finally they settle on a disco, but Jess isn't too keen on all Matt's friends coming! He's asked the whole class, so she feels she should do the same - even if that includes school boff, Becky. The only problem is, now Becky thinks Jess is her new best friend. When Jess goes shopping for an outfit for the party with her friends, they bump into Becky, who tags along and insists on buying the same things as Jess. Then the DJ that Jess's mum has booked for the party falls through at short notice - the whole thing looks like it's going to be a disaster... But between them, the Party Girls rise to the challenge!

Star Scouts Mike Lawrence,2017-03-21 Avani is the new kid in town, and she’s not happy about it. Everyone in school thinks she’s weird, especially the girls in her Flower Scouts troop. Is it so weird to think scouting should be about fun and adventure, not about makeovers and boys, boys, boys? But everything changes when Avani is “accidentally” abducted by a spunky alien named Mabel. Mabel is a scout too—a Star Scout. Collecting alien specimens (like Avani) goes with the territory, along with teleportation and jetpack racing. Avani might be weird, but in the Star Scouts she fits right in. If she can just survive Camp Andromeda, and keep her dad from discovering that she’s left planet Earth, she’s in for the adventure of a lifetime.

Brandstand Peggy Fincher Winters,Carole Paul,2002 Today's major retail marketers look to the power of branding as their most potent and valuable strategic asset. This fascinating book of case studies demonstrates what really works in effective retail brand management, showing readers a myriad of marketing and creative efforts that help develop a branding story. Filled with over 500 full-color photos, Brandstand identifies, analyzes, and interprets each brand, and presents a new, how-to-think rather than what-to-think theory about building retail equity.

The Prettiest Star Nina Antonia,2005-02 14 and forlorn, Nina Antonia escaped the torment of her teens with dreams of Marc Bolan and the New York Dolls. They ruled supreme in her glam rock universe - until the night she saw Brett Smiley on The Russell Harty TV Show. Appearing to reside in very different worlds, Nina and Brett shared the same wish - transformation through music. The youngest child ever to play 'Oliver' on Broadway, Brett seemed poised for stardom and as the 70s went into orbit he found himself the protege of the Stones' Svengali, Andrew Loog Oldham...

Rock Star Babylon Jon Holmes,2008-06-24 Fun, shocking, and compulsively readable, Rock Star Babylon is a guilty pleasure for fans everywhere who want to know more about rock stars behaving badly. From Ozzy Osbourne to Chuck Berry, Courtney Love to Keith Moon, Rock Star Babylon has gathered together the most outrageous antics and diva-esque misbehavior in the annals of rock. Here in a single volume are the most wickedly entertaining stories of over-the-top parties, crazy divorces, hidden cameras, trashed hotel rooms, misapplied epileptic interventions, and innocent headless bats. Running the gamut from the rude to the ridiculous, these reports of rock-and-rollers at their worst come straight from the mouths of those who were there—or those who were there but left early and heard about it afterward.

Rock on Record Albin J. Zak,2022-01-01 An introductory textbook for Rock Music Appreciation and History courses, Rock on Record traces the story of rock from the late 1940s through the pre-rock styles of the 1950s to rock in its heyday in the 1960s and, then follows its continued growth in the 1970s and early 1980s. Rock on Record puts listening first, teaching students how to listen to key recordings in the rock repertoire. The book opens with general guidance on how to listen to a recording as well as an overview of the song structures commonly used by rock songwriters. Then, in twenty-two chronological sections, Albin J. Zak provides historical context for each new genre or style, discussing its key recordings and performers and its impact on the artists who followed. Zak analyzes seventy-three recordings using easy-to-follow listening guides, giving students the tools they will need to enhance their enjoyment and understanding while also highlighting a wide range of examples that illustrate the richness of the rock repertoire. Rock on Record examines how rock changed American culture and encourages students to explore further on their own.

First Ladies of Disco James Arena,2013-07-05 The female vocalists who pioneered the disco genre in the ’70s and early ’80s were an extraordinarily talented group who dazzled the world with an exciting blend of elegance, soulful passion and gutsy fire. Christina Aguilera: Unbreakable Chloé Govan,2013-08-12 This sensational biography charts Christina Aguilera’s rise to the top in the face of parental issues, panic attacks, self-harm, and professional betrayals big and small. Initially driven by a compulsion to escape from her father, she took refuge in a private world of music, singing along with her favourite tapes. When she and her mother fled to escape the family home, Christina’s ambitions to sing made her the victim of school bullying, but after a breakthrough stint on TV in Disney’s The New Mickey Mouse Club she finally won a record deal. Rejecting bids to mould her into a bubblegum pop act by suppressing her sexuality and changing her Ecuadorian name, she attracted threats, rumours and criticism from those she alienated. Marriage, motherhood and divorce followed, but through it all she fought on and emerged not only a superstar but also a feisty spokesperson for female empowerment.

Katie Edward Klein,2007-08-28 For the past twenty-five years—first as the blithe spirit of the Today show, then as the only woman ever to anchor a network news program solo—Katie Couric has been a familiar visitor in the homes of millions. Yet, despite all her public exposure, no one—until now—has been able to penetrate the secrets behind her closely guarded personal life and her struggles in the cutthroat world of television news. In this probing portrait of America’s news queen, bestselling author Edward Klein rips away the mask that has hidden the many faces of Katie Couric: the strong, independent woman and the needy wife and lover; the grieving widow famed for her kindness to others and the fiercely competitive diva; the consummate television interviewer and the stumbling network anchor. Drawing on scores of interviews with people who have never spoken openly about Couric before, Katie: The Real Story absorbingly chronicles Katie’s rise to the top—from her early days at CNN and local television stations (where she was told she’d never succeed) to her phenomenal fifteen-year run on Today. For the first time, Klein reveals the critical role Katie’s father played in her risky decision to leave Today for the hallowed anchor chair once occupied by Walter Cronkite and Dan Rather. As Klein makes clear, Katie’s road to stardom has been paved with rocky personal relationships: a turbulent marriage to Jay Monahan, who died of colon cancer; testy associations with Today cohosts Bryant Gumbel and Matt Lauer; and several star-crossed love affairs, including one with a man seventeen years her junior. Katie: The Real Story is a candid portrait of a folksy charmer, loving single mother, cunning businesswoman, feminist icon, and notorious diva. Neither a whitewash nor a hatchet job, it’s a truthful, unflinching look at a remarkable woman and the media kingdom she’s sought to rule.

Religions of the Stars Richard Abanes,2009-07-01 Today's culture is saturated with news about celebrities and their beliefs. Oprah Winfrey, Tom Cruise, and Madonna all promote their own brand of spirituality. What do they really believe, and does it line up with what the Bible teaches? This book answers these questions, appealing to those curious about the religions of the rich and famous while holding up their beliefs to the light of the gospel. Concerned parents will also gain insight into the religious influences their kids may be exposed to in the media.
