Define Me Divine Me Phoebe Garnsworthy,2023-08-05 Define Me, Divine Me: A Poetic Display of Affection is an exploration of raw truth that provokes our deepest emotions so that we may honor both the light and the dark within us all. Together, we allow the words of enlightened wisdom and painful beginnings to wash through us, as we stand back up and claim what is rightfully ours. As you devour these words with precision, you too will reflect on your own life's journey, and realize that we are more connected than once thought. The idealism of loneliness will expire, and a new celebration of unity will take its place. Our journey inwards is never-ending, and the wisdom we are learning, we already know. It's just a matter of removing the layers of our perceived reality and embedded beliefs to get to the core of our Eternal Self. So that we may reveal who it is that we really are: A Divine Creation of Angelic Energy. And as you choose to show the world your authentic self, you will find the peace, happiness, and love that you are seeking. Here is your new vocabulary to raise your vibration higher, or to sit with the shadows if that is what you seek. It is a creative space to nurture and inspire your restless Soul. An eclectic mix of vibrations molded into words from me to you.

Color Me F*cking Calm Hannah Caner,2016-05-17 It's about time you f*cking relaxed! The time-honored stress release of swearing meets the tranquility of coloring with Color Me F*cking Calm. This assortment of playful illustrations and foulmouthed swears and sayings

make for a hilarious, calming activity for those times when you just don't give a f*ck. Color away the chaos when everything feels like a "Total F*cking Sh*tshow" and get lost in designs made for "Badass Motherf*ckers." Give this as the perfect gift to the smartasses in your life, or treat your inner "Little Miss F*cking Sunshine" to delightfully impolite adult coloring. With 30 pages of vivid vulgarities, this adult coloring book lets you embrace your bad manners as you therapeutically color away the stresses of the day. Color Me F*cking Calm is a hysterical, satisfying way to create works of art that are as colorful as your cursing!

Heartless as a Tin Man Kendra Moreno,2021-03-26 The Yellow Brick Road hungers. . . The world has completely lost its mind. Not only is Briella Mae trying to pick up the pieces of her life, but she suddenly finds herself falling into some sort of nightmare named Oz while hanging out at Bullfrog Creek. She only wanted a new start. . . she didn't realize she'd literally have to start anew. Gillikin City seemed like the safest place to go in Oz but Briella Mae soon learns why everyone fears the fluorescent metropolis. The Tin Man rules Gillikin with an iron axe, and he doesn't take kindly to newcomers, especially when they look him in the eyes without fear. But Briella Mae has seen the devil, and the Tin Man ain't him. With worlds merging, chaos reigning, and true villains breaking loose, Briella finds

herself with no option but to team up with the heartless Tin Man. Will she survive the coming storm without adding her heart to his collection? If only the Tin Man had a heart of his own. . . If you like Sarah J Maas, Gena Showalter, J.R. Ward, Laura Thalassa, or Jennifer L. Armentrout, you won't be able to put down this highly addictive twisted fairy tale.

Understand to Be Understood Gerard Collignon,Pascal

Legrand,2016-10-21 In this book there is something for everyone. The theorist will have ample opportunity to test his or her current knowledge against this model, to find answers to questions and to stimulate more thinking. The person who needs to see and understand the value of committing time to learn something new will not be disappointed. You will certainly find a rich source of material that will add value when applied in the workplace. The person who likes to play with theory, tossing it around, testing it on friends and even applying it at work, will like this book, as there will be stimulation enough to satisfy. Those who care about people and want to know how to further improve on the quality of their relationships will love this book. People who need to grasp the nettle of tricky situations and apply what they know to get results quickly that make positive impact on their bottom line will grasp the power of this tool. Those who need to take time to turn things over and examine them by reflecting upon the learning points and seeing how to use the tools will find plenty to stimulate their imaginations. This book about coaching using PCM is overflowing with the complexity

and at the same time the ordinariness of people in relationships. This model can help you develop skills in four areas: self-knowledge and self-awareness self-management knowledge and awareness of others relationship management Happy Coaching!
