Kettlebell: A Simple Guide to Learn Kettlebell Exercises (The Ultimate Kettlebell Workouts for a Shredded Body) Bobbie Wright, 2022-01-13 The great thing about the kettlebell is that it allows you to perform resistance cardio. This means you are using cardiovascular training that increases your heart rate and helps you to burn fat. At the same time though, you are also lifting

weight, which protects your muscle from breakdown and increases the challenge, thereby increasing the amount of calories burned and the amount of effort involved. What you will learn in this guide: · The benefits of kettlebells · How to purchase the right kettlebell · How to make your own kettlebell cheaply · The top kettlebell exercises that give you the best results · Learn the best workouts that provide high intensity that will make you a kettlebell machine! Enter kettlebell training. In this book, you'll learn how it can help you get ripped and shredded and, more importantly, how to start with the right set of kettlebells, i.e., the right quality and weight. By the end of this short book, you'll be in a great position to start going for that ripped and shredded body you've always dreamed of using kettlebells. You have a great tool in your hands now. It's up to you if you'll use it to the hilt.

Hansons Half-Marathon Method Luke Humphrey, 2014-04-08 The principles in this book will make you a better runner, PERIOD! Committed runners from all over the world have set new PRs with the Hansons training program. Now in Hansons Half-Marathon Method, the Hansons-Brooks team shares its unique, winning approach to the popular half-marathon distance. With half-marathon training programs for intermediate and advanced runners, as well as a welcoming Just Finish Program for newer runners, Hansons Half-Marathon Method prepares all athletes for their best performance. Hansons athlete and coach Luke Humphrey explores the differences between the Hansons method and other training programs and then shows runners how to make the Hansons half-marathon training program their own. He guides runners through choosing the right training plan and offers a practical guide to setting race finish time goals. Humphrey reveals the Hansons approach to precise half-marathon pacing, showing runners how to find

their most effective paces for the Hansons SOS (something of substance) workouts--speed, strength, tempo, long, and easy runs. He coaches runners on how to modify the plans to work around busy schedules and missed workouts. He answers frequently asked questions on switching workout days, managing fatigue, incorporating races into training, and adding mileage. Runners will benefit from the Hansons' advice on finding the best shoes for distance running and their veteran tips on avoiding common stumbling blocks during race week, at the expo, at the start line, and after the race. The Hansons science-based approach to half-marathon pacing, nutrition, and hydration will ensure that runners cross the finish line feeling strong. Hansons Half-Marathon Method lays out the most effective way to train for a half-marathon, developed by one of the most accomplished running groups in the nation. Using the Hansons way, runners can forge a breakthrough half-marathon performance.

Run to the Finish Amanda Brooks, 2020-03-03 Inspiration and practical tips for runners who prioritize enjoyment over pace and embrace their place as an average runner In her first book, popular runner blogger Amanda Brooks lays out the path to finding greater fulfillment in running for those who consider themselves middle of the pack runners -- they're not trying to win Boston (or even qualify for Boston); they just want to get strong and stay injury-free so they can continue to enjoy running. Run to the Finish is not your typical running book. While it is filled with useful strategic training advice throughout, at its core, it is about embracing your place in the middle of the pack with humor and learning to love the run you've got without comparing yourself to other runners. Mixing practical advice like understanding the discomfort vs. pain, the mental side of running, and movements to treat the most common injuries with more playful elements such as Favorite hilarious marathon signs and Weird Thoughts We all Have at the Start Line, Brooks is the down-to-earth, inspiring guide for everyone who wants to be happier with their run.

Run Like a Pro (Even If You're Slow) Matt Fitzgerald, Ben Rosario, 2022-03-01 Cutting-edge advice on how to achieve your personal best, for everyone from casual runners to ultramarathoners. In 80/20 Running, respected running and fitness expert Matt Fitzgerald introduced his revolutionary training program and explained why doing 80 percent of runs at a lower intensity and just 20 percent at a higher intensity is the best way for runners at all levels--as well as cyclists, triathletes, and even weight-loss seekers--to improve their performance. Now, in this eye-opening follow-up, Fitzgerald teams with Olympic coach Ben Rosario to expand and update the 80/20 program to include ultramarathon training and such popular developments as the use of power meters. New research has bolstered the case that the 80/20 method is in fact that most effective way to train for distance running and other endurance sports. Run Like a Pro (Even If You're Slow) shows readers how to take the best practices in elite running and adopt them within the limits of their own ability, lifestyle, and budget.
