The Stardust in My Soulbones Rebekka Kaur,2020-05-11 This book compiles poems written by a person who believes that the sky is not the limit; it never was. It is an expression of the distance traveled by the words between the home built by the human race here and the interstellar forces swarming around the Cosmos. So, the writer has nicely captured the words dipped in stardust and wisdom into beautiful poetries to make you envision beyond the mundane existence of daily life. It will take you to places covered in the space dust that you have accumulated while traveling to different

places in this milky way and beyond. The poems will make you see that you are much more than the bones and blood and tissues and this world is much more than your eyes can see. Just like a spell, the words in the poems might make you see the extraordinary you, living under the human skin and also, might set you in the direction which will take you to places that are left unseen and unnoticed by the analytical mind of yours. These poems are more like chants that the writer happened to capture for you to read; so that you have something to look upon, the next time you look up in the sky. It's for you to look at what is hiding in the upper layers of the atmosphere of this blue gem. Sometimes, you just need the eyes to look at what's up there and if you don't have them, even standing on the surface of the moon won't seem magical to you. I hope these poems will give you that kind of light to your eyes.

Hello, New York Julia Rothman,2014-03-18 "An endearing combination [of] memoir and Baedeker . . . serves up factoids and ruminations" along with illustrations of NYC sights from a native artist (The New York Times). Anyone who hearts New York will love this illustrated homage to the city. Artist, author, and New Yorker Julia Rothman brings humor and tenderness to an eclectic assortment of historical tidbits (how the New York Public Library lion sculptures got their names), idiosyncratic places to visit (where to find the tennis courts at Grand Central Station), interviews with locals (thoughts on love from a Hasidic Jewish landlord), and personal recollections from growing up in the Bronx (fried fish at Johnny's Reef)—all illuminated in her beloved signature style. A uniquely entertaining and informative city guide, this slice of the Big Apple will delight New York locals and visitors alike. "The perfect book if you've been to the city a million times, live here or have it on your bucket list." —Design Sponge "From bodegas to bras, a visual serenade to Gotham's emblems and eccentricities." —Maria Popova, Brain Pickings "This 'illustrated love letter to the five boroughs' is also a guidebook full of details, including where the original Original Ray's was, and a journal about oddly memorable New York moments." —Time Out NY " . .

. A whimsical, kaleidoscopic perspective on a city that's changing by the second." —Fast Company

Vacant Fire Ray Gardener,2019-05-17 Alan Fisher was a young engineer with a dream of deriving morality from the laws of physics. But he got more than he bargained for when he accidentally discovered a shocking possibility: that not all people are conscious. Now he and an emergency team at DARPA must find the answers - and the cure - before the world implodes in a hotbed of prejudice and fear, and the powerful, greedy, and racist exploit his discovery to risk evil beyond imagining.A tense and often disturbing near-future thriller that examines science, discrimination, and just how thin society's veneer of acceptance and tolerance really is. A gripping and entertaining read. -- J.V. Bolkan for IndieReader (4.6 rating)

Silver Phoenix Cindy Pon,2009-04-28 No one wanted Ai Ling. And deep down she is relieved—despite the dishonor she has brought upon her family—to be unbetrothed and free, not some stranger's subservient bride banished to the inner quarters. But now, something is after her. Something terrifying—a force she cannot comprehend. And as pieces of the puzzle start to fit together, Ai Ling begins to understand that her journey to the Palace of Fragrant Dreams isn't only a quest to find her beloved father but a venture with stakes larger than she could have imagined. Bravery, intelligence, the will to fight and fight hard . . . she will need all of these things. Just as she will need the new and mysterious power growing within her. She will also need help. It is Chen Yong who finds her partly submerged and barely breathing at the edge of a deep lake. There is something of unspeakable evil trying to drag her under. On a quest of his own, Chen Yong offers that help . . . and perhaps more.

This Chair Rocks Ashton Applewhite,2019-03-05 "Wow. This book totally rocks. It arrived on a day when I was in deep confusion and sadness about my age. Everything about it, from my invisibility to my neck. Within four or five wise, passionate pages, I had found insight, illumination, and inspiration. I never use the word empower, but this book has empowered me." —Anne Lamott, New York Times bestselling author Author, activist, and TED speaker Ashton Applewhite has written a rousing manifesto calling for an end to discrimination and prejudice on the basis of age. In our youth obsessed culture, we're bombarded by media images and messages about the despairs and declines of our later years. Beauty and pharmaceutical companies work overtime to convince people to purchase products that will retain their youthful appearance and vitality. Wrinkles are embarrassing. Gray hair should be colored and bald heads covered with implants. Older minds and bodies are too frail to keep up with the pace of the modern working world and olders should just step aside for the new generation. Ashton Applewhite once held these beliefs too until she realized where this

prejudice comes from and the damage it does. Lively, funny, and deeply researched, This Chair Rocks traces her journey from apprehensive boomer to pro-aging radical, and in the process debunks myth after myth about late life. Explaining the roots of ageism in history and how it divides and debases, Applewhite examines how ageist stereotypes cripple the way our brains and bodies function, looks at ageism in the workplace and the bedroom, exposes the cost of the all-American myth of independence, critiques the portrayal of elders as burdens to society, describes what an all-age-friendly world would look like, and offers a rousing call to action. It's time to create a world of age equality by making discrimination on the basis of age as unacceptable as any other kind of bias. Whether you're older or hoping to get there, this book will shake you by the shoulders, cheer you up, make you mad, and change the way you see the rest of your life. Age pride!
