**THE ALL-PRO** Scott Sigler, 2011-09-05 THE ALL-PRO is the third book in the Galactic Football League series, following on THE ROOKIE and THE STARTER. Seven centuries into the future, aliens and humans compete for the greatest prize in the universe: the Galaxy Bowl trophy. Quarterback Quentin Barnes enters his third season at the helm of the Ionath Krakens. He's re-shaped the team in his image, and the time for excuses is over -- it's win, or be replaced. Quentin's championship quest carries he and his teammates across the galaxy in a brutal twelve-game season fraught with injury and death. But he faces more than just on-field challenges. As he enters a free-agent year, several franchises vie for his services. Will he play for a new team, or will he remain with his beloved Krakens. And then there's the slight distraction that someone, somewhere, is trying to assassinate him - and he doesn't know why. The GFL series is described as STAR WARS meets REMEMBER THE TITANS meets THE GODFATHER. Join the Krakens as they fight to take the title and achieve immortality.

**Battle Royale: The Novel** Koushun Takami,2009-11-17 In an alternative future Japan, junior high students are forced to fight to the death! L to R (Western Style). Koushun Takami's notorious high-octane thriller is based on an irresistible premise: a class of junior high school students is taken to a deserted island where, as part of a ruthless authoritarian program, they are provided arms and forced to kill one another until only one survivor is left standing. Criticized as violent exploitation when first published in Japan--where it then proceeded to become a runaway bestseller--Battle Royale is a Lord of the Flies for the 21st century, a potent allegory of what it means to be young and (barely) alive in a dog-eat-dog world. Made into a controversial hit movie of the same name, Battle Royale is already a contemporary Japanese pulp classic, now available for the first time in the English language. A

group of high school students are taken to small isolated island and forced to fight each other until only one remains alive! If they break the rules a special collar blows their heads off. Koushun Takami's brutal, high-octane thriller is told in breathless, blow-by-blow fashion. Battle Royale is a contemporary Japanese pulp classic now available for the first time in English.

Revenge Salman Akhtar, Henri Parens, 2013-11-21 *Revenge: Narcissistic Injury, Rage, and Retaliation* addresses the ubiquitous human wish to take revenge and settle scores. Featuring the contributions of eleven distinguished mental health professionals, it offers a panoramic and yet deep perspective on the real or imagined narcissistic injury that often underlies fantasies of revenge and the behavioral trait of vindictiveness. It describes various types of revenge and introduces the concept of a 'good-enough revenge.' Deftly blending psychoanalysis, ethology, religious studies, literary criticism, and clinical experience, the book goes a long way to enhance empathy with patients struggling with hurt, pain, and desires to get even with their tormentors. This volume is of great clinical value indeed!

*From Goods to a Good Life* Madhavi Sunder, 2012-06-26 A law professor draws from social and cultural theory to defend her idea that that intellectual property law affects the ability of citizens to live a good life and prohibits people from making and sharing culture.
