Idris Elba - So, Now What? The Biography Nadia Cohen,2014-07-03 From starring as the ruthlessly ingenious drug lord 'Stringer' Bell in the iconic HBO series *The Wire*, to playing Madiba himself in the long-awaited biopic of Nelson Mandela, it has been some journey for Idris Elba. From humble beginnings, a second generation immigrant born in Hackney, London, Elba set up his own wedding DJ business at the age of 14 but, encouraged by his drama teacher to pursue his natural talent, won a place at the National Youth Music Theatre. Although possessed of a brooding screen presence which served him so well as DCI John Luther in the BBC's terrifying crime drama series *Luther*, 2016 will show a whole new side to Idris as he forays into the voice acting world as villainous tiger Shere Khan in *The Jungle Book* remake and even a role in Pixar centrepiece *Finding Dory*. He inhabits each role as if he were born to play it. But what of the man himself? In this, the only biography of the onscreen legend, Nadia Cohen reveals Elba's life behind the lens, exploring what makes him so ambitious, adaptable and endlessly watchable. His charisma has won him admirers on both sides of the Atlantic, and the role of Bond may yet beckon.

DJ Screw Lance Scott Walker,2022-05-17 DJ Screw, a.k.a. Robert Earl Davis Jr., changed rap and hip-hop forever. In the 1990s, in a spare room of his Houston home, he developed a revolutionary mixing technique known as chopped and screwed. Spinning two copies of a record, Screw would “chop” in new rhythms, bring in local rappers to freestyle over the tracks, and slow the recording down on tape. Soon Houstonians were lining up to buy his cassettes—he could sell thousands in a single day. Fans drove around town blasting his music, a sound that came to define the city’s burgeoning and innovative rap culture. June 27 has become an unofficial city holiday, inspired by a legendary mix Screw made on that date. Lance Scott Walker has interviewed nearly

everyone who knew Screw, from childhood friends to collaborators to aficionados who evangelized Screw's tapes—millions of which made their way around the globe—as well as the New York rap moguls who honored him. Walker brings these voices together with captivating details of Screw's craft and his world. More than the story of one man, DJ Screw is a history of the Houston scene as it came of age, full of vibrant moments and characters. But none can top Screw himself, a pioneer whose mystique has only grown in the two decades since his death.

Oh yes, oh yes! Carl Cox, 2021-08-19 From warm up DJ at the birth of Acid House to global main stage headline artist today, Carl Cox continues to inspire and influence audiences and artists. Carl has been everything from a recording artist and producer to label owner, radio DJ and broadcaster. He is still all these things and much more with his star shining brighter than ever. Oh yes, oh yes! tells the story, in his own words, of the man known as 'The Three Deck Wizard' on the rave scene before evolving into 'The People's Choice' and the King of Ibiza; a DJ and artist who remains at the very top of his game and continues to innovate and thrill music-lovers on the world's biggest stages. Starting off as a shelf-stacker, grass cutter and scaffolder in the south London suburbs, Carl's phenomenal talents as a DJ grew out of a love of music nurtured in his parents' front room. In Oh yes, oh yes! he takes us to the heart of the party, from the UK rave scene to Burning Man and from Ibiza to Melbourne, and a career that in many ways is the story of club culture and an inspiration to all those who choose to follow their dreams turning him into a living legend along the

way. Oh yes, oh yes! is a remarkably candid and intimate portrait of an artist who has never lost touch with the people who share the dancefloor with him. 'Carl is one of the few true pioneers of UK club culture internationally. He has opened the door to so many DJs and inspired so many, including me.' Gilles Peterson 'Carl Cox wrote the script of what it means to be a DJ.' David Guetta 'People use the term legend far too easily for my liking but Carl is legend personified.' Grooverider 'Carl has always been my favourite. He is the complete DJ, also the DJs DJ. Records come to life when he plays them, rooms come to life when he rocks them. His enthusiasm is infectious, his commitment complete.' Norman Cook aka Fatboy Slim

Long Relationships: My Incredible Journey From Unknown DJ to Small-time DJ Harold Heath, 2021-05-19 Written by former DJ/producer Harold Heath, 'Long Relationships: My Incredible Journey From Unknown DJ to Small-time DJ' is a biographical account of a DJ career defined by a deep love of music and a shallow amount of success. From the days of vinyl, when DJs were often also glass-collectors, to the era of megastar stadium EDM, it's a journey of 30 odd years on a low-level, economy-class rollercoaster through the ups and downs of an ever-changing music industry. 'Long Relationships' is a love letter to DJing and to every small-town DJ who never made it to the big time but whose life was enriched and improved by DJing anyway. It's packed with tales of gigs, clubs, raves, warehouses, music, record production and record deals, low-rent international travel, shady promoters, dodgy club security, magical dance floor moments and much more. If you ever DJed, if you ever lost yourself on a dance floor, or if you ever simply fell in love with the potential contained within a dark basement, a strobe and a sound system, then this story is your story.

They Call Me Doc D. J. Herda, 2010-12-07 A fresh, lively retelling of the life of one of the most infamous characters of the Old West, Doc Holliday, by an imaginative, yet accurate storyteller.

Welcome to the club DJ Paulette,2024-01-23 In Welcome to the club, Manchester legend DJ Paulette shares the highs, lows and lessons of a thirty-year music career, with help from some famous friends. One of the Hacienda's first female DJs, Paulette has scaled the heights of the music industry, playing to crowds of thousands all around the world, and descended to the lows of being unceremoniously benched by COVID-19, with no chance of furlough and little support from the government. Here she tells her story, offering a remarkable view of the music industry from a Black woman's perspective. Behind the core values of peace, love, unity and respect, dance music is a world of exclusion, misogyny, racism and classism. But, as Paulette reveals, it is also a space bursting at the seams with powerful women. Part personal account, part call to arms, Welcome to the club exposes the exclusivity of the music industry while seeking to do justice to the often invisible women who keep the beat going.
