God! Do You Hear Me? M. O. Owens,2008-10 Why are many of our prayers unanswered? What are the Bible's answers to many of our questions about prayer? This book points out some of the reasons why our prayers are not answered as we desire. God! Do You Hear Me? also seeks to answer some of the frequent questions about prayer, including: What kind of faith is required? Is my attitude important? Are there any rules that have to be followed? Is there any limit to what one can ask? Why is praying In Jesus' name important? What makes it work?

Can't You Hear Them? Simon McCarthy-Jones,2017-04-21 The experience of 'hearing voices', once associated with lofty prophetic communications, has fallen low. Today, the experience is typically portrayed as an unambiguous harbinger of madness caused by a broken brain, an unbalanced mind, biology gone wild. Yet an alternative account, forged predominantly by people who hear voices themselves, argues that hearing voices is an understandable response to traumatic life-events. There is an urgent need to overcome the tensions between these two ways of understanding 'voice hearing'. Simon McCarthy-Jones considers neuroscience, genetics, religion, history, politics and not least the experiences of many voice hearers themselves. This enables him to challenge established and seemingly contradictory understandings and to create a joined-up explanation of voice hearing that is based on evidence rather than ideology.

The Shepherd Speaks . . . Do You Hear Him? Ron Warren,2018-03-15 This book, written by a practitioner of the gospel, seeks to reveal firstly the difference between what life looks like when there is a shepherd looking after life and what it feels like when a shepherd is absent and, secondly, how to recognize and listen to the voice of the Shepherd and the difference it makes when we obey that voice. Jesus, the Good Shepherd, the Ancient of Days, has been speaking to all of creation since before the beginning of time. Jesus is the gospel. He is the good news. It is, and only ever will be, all about him. His ancient words are always constant and unchanging, and He continues to speak to the world today through His infallible Word, the Bible, and through the outworking and constancy of the Holy Spirit. The Shepherds words speak to all areas of His creation and lifefrom following Him and discipleship to how He wants the church that bears His name and how His earthly shepherds, whom He has called to lead the church, will fulfill the mandate set down as clearly laid out in scripture. The question for all who seek to follow Him has always been and always will be until the end of time, Do you hear Him? This book seeks to help us answer that question.

Why Can't You Hear Me? Andrew McCulloch,Amanda McCulloch,2021-04-21 In the early hours of 28th July 2016, Colette McCulloch was hit by a lorry and killed on the A1. Eighteen hours earlier she had walked out of the specialist care facility for autistic adults where she was being treated. Here, Andy and Amanda McCulloch tell the story of their daughter's life and untimely death: the years in which her autism went undiagnosed, her lifelong battle with eating disorders and the lack of support for her complex needs. The book is interspersed with Colette's own vivid and eloquent writing, her poetry and prose articulating her experiences grappling with a world forever at odds with her. Colette's story is a call to action and ultimately leaves a message of hope for a future in which autistic people will be better understood and able to flourish.

Can You Hear My Pain Now? Michael G. Maness,Kevaughn Mattis,2022-05-05 Pastoral care and its theology get a gentle boost from some of the best in the business of caring for the soul. When a person hurts, they often look to God. Several pathfinders give new light from their specialties, each one speaking powerfully, uniquely, and artfully from decades of experience. Dr. Amos Yong's article on disability forwards the amazingly helpful term, "temporarily able-bodied." Greek Orthodox Dr. Vasileios Thermos and Roman Catholic Dr. Robert Fastiggi enlighten next to the powerful testaments of Professor Godfrey Harold on South Africa and Dr. Samuel Yonas Deressa on Ethiopia. Each weathered author contributes universal insights into the grace of our great God and challenges pastors throughout the Christian world to kindly consider the heart of the afflicted. These finely hewn stones can be used by anyone in the ministry to sharpen their serve. Mattis and Maness offer this third collection from Testamentum Imperium with a prayer that these will open new avenues of sensitivity to the hearts and souls of those in travail and aid those who are called by God to serve those in pain.

Polar Bear, Polar Bear, What Do You Hear? Bill Martin,1991-10-15 What will you hear when you read this book to a preschool child? Lots of noise Children will chant the rhythmic words. They'll make the sounds the animals make. And they'll pretend to be the zoo animals featured in the book-- look at the last page Bill Martin Jr. and Eric Carle are two of the most respected names in children's education and children's illustrations. This collaboration, their first since the classic Brown Bear, Brown Bear, What Do You See? (published more than thirty years ago and still a best-seller) shows two masters at their best. Hello, this is God speaking can you hear me? Alex Fuleki,2023-10-16 God has been trying to reach humans for thousands of years but with limited success. Ever since Cain walked away from God to forge his own godless society and a culture void of moral and spiritual values, the voice of God has only been heard by a handful of people committed to following His will. Alex Fuleki explores the complicated relationship humanity has with God in this book, observing that most of us look to Him in the midst of some kind of local or global disaster beyond our control. It is only then that we demand the protective, saving, healing, and restorative power of the Lord—and if we don't receive an immediate response, we conclude that God does not listen and is not interested in us. The truth, however, is that the Lord has certain requirements that must be met before He looks upon us with favor. He is the one who dictates when, how, and what to communicate. Find out why God is the most efficient, most precise, and clearest communicator who reveals Himself to every generation in every nation and in every language.

Do You Hear What I Hear? Anthony Monzo,2023-03-07 God speaks to us in many different ways. The Bible, of course, is His primary source; but if you focus on what you are seeing and hearing in the world around you, you can find spiritual messages in so many different sources, as God uses us as vessels to convey His message of salvation to the world. This includes through the visions of creation, the fragrances of nature, the sounds of

the singing birds, the thunder of the clouds, the roars of the oceans, the amazing sunsets, the glorious sunrises, and even in the quiet and dark star-filled nights. As Paul wrote in Romans 1:20 (NIV), For since the creation of the world God's invisible qualities--his eternal power and divine nature--have been clearly seen, being understood from what has been made, so that people are without excuse. He also speaks to us through music and film, in ways that we don't realize unless we are really paying attention. This book presents a taste of how popular music and movies, and even art as displayed on the cover, can convey a message of hope and love to all those who have ears to hear and eyes to see what God is trying to tell them. Some of the interpretations are based on what I perceive these songs or movies to be about, which may not necessarily be what the writer intended. Yet if you open up your heart, you can find a message of love and hope in so many songs and movies, and this message is what the gospel is all about. Jesus gave a new commandment when he said in John 13:34 (NLT), Love each other. Just as I have loved you, you should love each other. And the hope that we have is the confident anticipation of spending eternity with the Lord in His eternal kingdom, and not just wishful thinking which is nothing but a worldly hope.

Why You Hear what You Hear Eric J. Heller,2013 This title makes possible a deep intuitive understanding of many aspects of sound, as opposed to the usual approach of mere description. This goal is aided by hundreds of original illustrations and examples, many of which the reader can reproduce and adjust using the same tools used by the author.

Mama Can You Hear Me? William Waters,2016-06-06 This book tells the story of a young man who struggles to find his way in a world that doesn't seem to want him. He isn't smart enough or handsome enough. His skin is the wrong shade and his shaking nervousness is never understood. From his first steps as a child, he is exposed to life's harsh realities: poverty, violence, sexual abuse, neglect ... until finally, seeking to escape the cruelty and unfairness of the world by immersing himself in its questionable pleasures, he drifts further and further from a salvation he doesn't even know exists. In Mama Can You Hear Me, William Waters shares the story of his life with a candor and sincerity that is as touching as it is shocking at times. With his experiences and soul laid bare, he offers up his journey, from the depths of despair to the welcoming arms of God, who lifted him up, carried him through, and picked him up when he faltered. With faith, determination, and the grace of God, it is the story of a young man who survived.

Preacher, Can You Hear Us Listening? Roger E. Van Harn,2005-02-03 Everyone knows that pulpits are for preaching and pews are for listening to sermons. This obvious scenario, however, masks an essentialprerequisite for faithful, fruitful preaching -- namely, that preachers listen to God and to their people before they speak. Roger Van Harn here puts forth pointed questions that sermon listeners really ask of preachers: Why should we listen to sermons? Doesevery sermon need a Bible text? How can a sermon be the word of God? Do you preach for the church or the world? Van Harn grapples withand discusses such questions, giving preachers fresh insights into the needs and desires of congregations. Preacher, Can You Hear Us Listening? will foster an ongoing dialogue between pulpit and pew and sharpen listening skills in both directions.
