Committee on Military Affairs,1945 Considers S. 637, to authorize the release or deferment of persons from military service to make possible the education and training of physicians and dentists to meet essential needs.

From 4-F to U.S. Navy Surgeon General Harold M. Koenig, M.D.,2019-04-16 In 1959, Harold M. Koenig was discharged after his first year at the U.S. Naval Academy because of progressive hearing loss and went on to college, then medical school. In 1965, the draft board notified him that upon completion of his internship in 1967 he would be drafted despite his disability--as the conflict in Vietnam escalated, many doctors with previously disqualifying medical conditions were reclassified as eligible to serve. Rather than wait to be drafted, Koenig volunteered for a Navy program that made him an ensign and paid all expenses for his final year of medical school. His memoir recounts his remarkable career path from 4-F midshipman to vice admiral and his service in the most senior positions in military medicine.
