Positive Puppy Training 101 Janet Simpson, 2019-04-14 If you want to learn how to raise a happy, healthy and friendly puppy while building an amazing bond with them then keep reading... Do you want to raise a happy well-trained puppy? Do you want to do it while building an everlasting and deep bond with your puppy? Do you want to do it by using modern and friendly methods that you and your dog will enjoy? I'm guessing, like any good dog owner would, you have answered yes to at least one (if not all!) of the questions. Of course, you did! As a Dog owner myself I once wanted nothing more than to raise my puppy to be extremely well trained, but in a loving and friendly way that both of us can enjoy. Unfortunately, for many the bad behavior of their puppy can lead them to use outdated methods, that while may help with the behavior aren't really dealing with the underlying cause and certainly aren't enjoyable for the puppy. Instead, what I wanted was friendly and loving methods and that trained my puppy in the best way possible, made them insanely happy and used enjoyable techniques that made us both want to actually do them! Doesn't that sound amazing? Embracing fun and friendly teaching methods such as Positive Reinforcement and Relationship-Based training that not only train the puppy but enhance both of your lives. Oh, and they're free of suffering! Positive Reinforcement Training works so well on Guide Dogs that the USA Guide Dogs organization reported an increase in the pass rate from 50% to 80% after switching to the more modern methods in 2005! Here is just a slither of what you will discover inside... *Exactly how to not only train your Puppy but raise the happiest puppy in the world! *The TRUTH about Dominance training *A step by step guide to Positive Reinforcement training *What behavioral scientists know about dog training that you don't! *10 Simple Training tips to help train your Puppy *Why more people are turning towards Positive Reinforcement training than ever before *Stop wasting time harshly punishing your poor puppy, do THIS instead *5 Startling ways to deepen the bond with your puppy *Training methods the RSPCA and ASPCA recommend *The EXACT ways to deal with your 'nippy pup' *How to decide if your Puppy needs a trainer and what to look for in one *What separation anxiety is and how to manage it for your Puppy *What kind of training Puppies actually want to engage in *How to get your Puppy potty trained in as little as 3 weeks *Why praise is more than TWICE as effective as punishment *The BEST way to do obedience training with your Puppy And much, much more! The Punishment and Dominance of dog training methods that were used for decades are quite clearly outdated and come with LOTS of negatives for the dogs. They work, for sure, but at a slower rate and in a way that can negatively harm the poor dog for years and also doesn't build a healthy loving relationship with your puppy. Instead, it's time to wake up to the mountains of Scientific evidence like the Service Dogs Industry have and look towards the more loving and friendly types of dog training, and give your Puppy the training he deserves and loves! So, if you're ready to train your Puppy to incredible standards in a loving manner while building an amazing relationship, then scroll up and click add to cart.
