Successful Dog Adoption Sue Sternberg,2008-05-05 Expert guidance in choosing the right dog -the first time Written by a renowned expert in shelter adoption, Successful Dog Adoption delivers all the information you need to find the perfect dog at a shelter and make him part of your family. In easy-to-understand language, Sue Sternberg helps you decide if you're ready to adopt by evaluating your reasons and translating them into what you should look for in a particular dog. She shows you how to find a reputable shelter, prepare for the adoption process, and work with shelter personnel to make sure they have appropriately screened their dogs. You'll also learn about rescue dogs and why one might be right for you. This practical guide covers all the vital issues you need to consider when adopting-choosing a male or female, a puppy or an adult; identifying fearful dogs or dogs who will bite; and seeking out a dog with the ideal temperament. Featured here are detailed tests and observations used by professionals to ascertain the temperament and compatibility of shelter dogs-now made available to the public for the first time. You'll discover how to determine risk factors in an unknown dog, gauge a dog's potential reaction to guests and strangers, and predict the compatibility level when you add another dog to your household. This book also offers invaluable advice on training your new pet, including guidance in housebreaking, selecting a training class, and helping a dog who gets carsick or doesn't like to be home alone. And, if you still experience difficulties with your dog, Sternberg gently discusses the steps you can take. Authoritative and friendly, Successful Dog Adoption is the one-stop guide for finding your own superdog-and keeping the dog-owner relationship fresh and rewarding for years to come.

To the Rescue Elise Lufkin,2009-11-01 Elise Lufkin and Diana Walker once again present a moving collection of profiles, in beautiful, duotone photographs and moving text, of dogs that have found new lives after being “throw away” dogs. Each dog (and one cat) profiled has had a rough past, suffering abuse or extreme neglect at the hands of humans. Some dogs featured here have become therapy dogs for hospitals and nursing homes; reading partners for children; friends to at-risk teens and the injured in veterans affairs hospitals; service dogs for the deaf and blind; arson dogs; and even search-and-rescue dogs. Some of these special dogs are disabled, blind, deaf, missing limbs, but they don't seem to know it. These spunky, happy animals have repaid the kindness of their rescuers in spades, bringing the therapy of love to people in need, sometimes even saving lives.

Hurn,2012-11-06 No Buddy Left Behind unveils the life-altering relationships American troops serving in the Middle East have shared with the stray dogs and cats they've rescued from the brutalities of war. Overcoming monumental obstacles, Operation Baghdad Pups' program manager Terri Crisp makes it her mission to save these wartime “buddies,” get them out of danger, and bring them home to the soldiers who love them. How exactly does someone get animals out of a country at war when normal resources are lacking and every step of a plan to transport animals could get you arrested, kidnapped, or blown apart? As Crisp soon learns, each rescue mission from first to last is a fly-by-the-seat-of-your-pants experience, and no animal is truly safe until its paws touch U.S. soil. Terri and her team have saved the lives of 223 dogs and forty-two cats befriended by military personnel since February 2008—and No Buddy Left Behind finally tells this story.
