*A Box of Red Dominos* Frances Boricchio,2010-07 A Box of Red Dominos is loosely based on a true story! It's about a red box of red dominos purchased at a garage sale. Domino's Inferno Giulia Ricciardi,2021-06-23 After Love and Chaos Giulia thought she finally had found her serenity. That was all about to change with just one blink of an eye. As things were calm and settled, as they can be in life, there is always an adventure lurking around the corner. Giulia was about to embark on a side of herself that she would not have anticipated. Like opening pandora's box. When sought out, there she unleashed a beast inside her, thirsting for adventure and play, yet so disastrous to say the least. In this journey Giulia followed a Lion into his den, (metaphorically speaking). In this dark twisted world, she was pulled from her own sense of reality to a dark sided fantasy of manipulation in friendship and love. The dark side of things, secrecy with a dash of wild desires exposed and affected her everyday of life, in her reality. Torn between realms and venturing through doors that present themselves, in hopes of finding her way back to reality before it's too late. Another battle of expressive emotions, journeying into territory of broken trust, many faces, fighting demons compelling her thirst for lust, that was sired by an unforgettable friendship in this wild adventure. Placed in a story of events in poetic and lyrical form, enter this world of fantasy of darkness where friendship and life take a turn to an unforgettable world of expression. The question here, is it finally over?
