Time to Get Tough Donald J. Trump, 2011-12-06 A New York Times bestseller! For the first time in his own words, President-elect Donald J. Trump explains his plan to make America great again! He wants to “put America's interests first—and that means doing what's right for our economy, our national security, and our public safety.” Throughout the 2016 campaign, Trump conjured images of American strength and culture when small towns boomed with industry, mom and pop shops bustled, and people said, “Merry Christmas!” The media scoffed at Trump's vision and the people who supported him; they were blinded by the Clinton machine. But their eyes were opened after Trump won 62 million votes and the Oval Office. Even Republican House Speaker Paul Ryan said, “Donald Trump heard a voice in this country that no one else heard.” As Trump says in *Time to Get Tough*, “I've built businesses across the globe. I've dealt with foreign leaders. I've created tens of thousands of American jobs. My whole life has been about executing deals and making real money—massive money. That's what I do for a living: make big things happen...” Trump is about to make the biggest deals of his life, and he's going to make them for America! From reversing lax immigration policies to eliminating regulations that restrict small businesses, Donald Trump understands that America “doesn't need cowardice, it needs courage.” President Elect Trump is about to “Make America Great Again” and *Time to Get Tough* is his blueprint!

**My Fellow Americans . . . Donald J. Trump** Donald J. Trump, 2020-10-27 Donald J. Trump burst upon the American political landscape in 2015 with his brash, America-first rhetoric. His upbeat, informal style earned him the sobriquet “The Inspirational President.” You will discover in this unabridged and annotated collection of President Trump's most important and pivotal speeches and remarks both the inner-workings and the inner-beliefs of the man who stunned the world to become the forty-fifth president of the United States of America, such as . . . - Mr. Trump's presidential bid announcement - The persuasive “What Have You Got to Lose?” speech to black voters - President Trump's four State of the Union addresses - The inspirational Mount Rushmore speech - President Trump's remarks to the UN General Assembly - And many others. The ABOUT US book series brings to life the exciting and vibrant history of the United States with classic and inspiring books that celebrate the bravery, audacity, and daring of the men and women who founded and created the nation that is the beacon of freedom to the world. The *My Fellow Americans* series presents in unabridged and annotated form the policy-defining and personality-revealing orations and speeches of the American presidents for everyone to experience and learn. **FOREWORD** The president of the United States is the most powerful person in the world. This has been true for a very long time — perhaps from the very beginning. So it is important to know and understand these men who sought and attained this highest office in the land. And what better way to understand the presidents than through their own words? About US Books and Kallisti Publishing Inc. is pleased to present to you the first volume of the *My Fellow Americans* series, a line of books that will present to the ages the important and significant speeches and orations of the presidents of the United States of American. This inaugural volume showcases America's “inspirational” president, Donald J. Trump, the billionaire businessman who, rather than taking the traditional route of governor — senator —

president, instead leaped straight to the top in a hard-fought race against then-Secretary of State Hillary Rodham Clinton. Some people think President Trump to be brash. Others think him to be rude, insensitive, and even worse. Yet others still describe him as inspirational and uplifting. What you will discover as you read candidate and President Trump's speeches is a person who ardently believes in the American Dream, who looks up to heroes, and who sees beyond the horizon to "the best" that is to come. Ultimately, his own words are here so you can make your own decision. Choosing which speeches to include in this volume presented some difficulty because President Trump often spoke "off-script" and talked extemporaneously. Of course, no volume of a president's speeches would be complete without his State of the Union addresses; thus, all four are presented here. Remarks to the UN General Assembly are important declarations of foreign policy, so they, too, are all included. That left a lot of speeches through which to sift, and what were chosen were Mr. Trump's famous presidential bid speech, Candidate Trump's plea to black voters, President Trump's Inaugural Address, the inspirational Mount Rushmore speech, and others that highlight President Trump's policy positions, vision, and goals. Please enjoy this deep-dive into the mind of Donald J. Trump through his speeches and remarks. And please look forward to the upcoming volumes in the My Fellow Americans series. So, as the presidents end their speeches, I leave you with a hearty thank you and a strong God bless America! Anthony Raymond Michalski Publisher & Editor Contents The Presidential Bid What Have You Got to Lose? Republican National Convention Speech Inaugural Address Remarks at National Prayer Breakfast First State of the Union Address Address to the Arab Islamic American Summit Remarks to the 72nd Session of the United Nations Second State of the Union Address Conservative Political Action Conference Speech Remarks to the 73rd Session of the United Nations Third State of the Union Address Remarks to the 74th Session of the United Nations Fourth State of the Union Address Mount Rushmore Speech Remarks at the White House Conference on American History

Trump: The Art of the Deal Donald J. Trump, Tony Schwartz, 2009-12-23 President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal "Trump makes one believe for a moment in the American dream again."—The New York Times "Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet."—Chicago Tribune "Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed."—Boston Herald "A chatty, generous, chutzpa-filled autobiography."—New York Post

Trump Donald Trump,1997 Donald Trump shares the story of how he was able to rebuild his personal life and his financial empire after divorce and near bankruptcy in the early 1990s.

Never Enough Michael D'Antonio,2015-09-22 In the summer of 2015, as he vaulted to the lead among the many GOP candidates for president, Donald Trump was the only one dogged by questions about his true intentions. This most famous American businessman had played the role of provocateur so often that pundits, reporters, and voters struggled to believe that he was a serious contender. Trump stirred so much controversy that his candidacy puzzled anyone who applied ordinary political logic to the race. But as Michael D'Antonio shows in *Never Enough*, Trump has rarely been ordinary in his pursuit of success and his trademark method is based on a logic that begins with his firm belief that he is a singular and superior human being. As revealed in this landmark biography, Donald Trump is a man whose appetite for wealth, attention, power, and conquest is practically insatiable. Declaring that he is still the person he was as a rascally little boy, Trump confesses that he avoids reflecting on himself because I might not like what I see and he believes most people aren't worthy of respect. A product of the media age and the Me Generation that emerged in the 1970s, Trump was a Broadway showman before he became a developer. Mentored by the scoundrel attorney Roy Cohn, Trump was a regular on the New York club scene and won press attention as a dashing young mogul before he had built his first major project. He leveraged his father's enormous fortune and political connections to get his business off the ground,

and soon developed a larger-than-life persona. In time, and through many setbacks, he made himself into a living symbol of extravagance and achievement. Drawing upon extensive and exclusive interviews with Trump and many of his family members, including all his adult children, D'Antonio presents the full story of a truly American icon, from his beginnings as a businessman to his stormy romantic life and his pursuit of power in its many forms. For all those who wonder: Just who is Donald Trump?, *Never Enough* supplies the answer. He is a promoter, builder, performer and politician who pursues success with a drive that borders on obsession and yet, has given him, almost everything he ever wanted.

**Too Much and Never Enough** Mary L. Trump, 2020-07-14 In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred

Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

*Commander in Cheat* Rick Reilly, 2019-04-02 NEW YORK TIMES BESTSELLER Reilly pokes more holes in Trump's claims than there are sand traps on all of his courses combined. It is by turns amusing and alarming.-- The New Yorker Golf is the spine of this shocking, wildly humorous book, but humanity is its flesh and spirit. -- Chicago Sun-Times Every one of Trump's most disgusting qualities surfaces in golf. -- The Ringer An outrageous indictment of Donald Trump's appalling behavior when it comes to golf -- on and off the green -- and what it reveals about his character. Donald Trump loves golf. He loves to play it, buy it, build it, and operate it. He owns 14 courses around the world and runs another five, all of which he insists are the best on the planet. He also claims he's a 3 handicap, almost never loses, and has won an astonishing 18 club championships. How much of all that is true? Almost none of it, acclaimed sportswriter Rick Reilly reveals in this unsparing look at Trump in the world of golf. Based on Reilly's own experiences with Trump as well as interviews with over 100 golf pros, amateurs, developers, and caddies, *Commander in Cheat* is a startling and at times hilarious indictment of Trump and his golf game. You'll learn how Trump cheats (sometimes with the help of his caddies and Secret Service agents), lies about his scores (the Trump Bump), tells whoppers about the rank of his courses and their worth (declaring that every one of them is worth \$50 million), and tramples the etiquette of the game (driving on greens doesn't help). Trump doesn't brag so much, though, about the golf contractors he stiffes, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it's always about winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, Golf is like bicycle shorts. It reveals a lot about a man. *Commander in Cheat* paints a side-splitting portrait of a congenital cheater (Esquire), revealing all kinds of unsightly truths Trump has been hiding.
