My Fellow Americans . . . Donald J. Trump Donald J. Trump,2020-10-27 Donald J. Trump burst upon the American political landscape in 2015 with his brash, America-first rhetoric. His up-beat, informal style earned him the sobriquet “The Inspirational President.” You will discover in this unabridged and annotated collection of President Trump’s most important and pivotal speeches and remarks both the inner-workings and the inner-beliefs of the man who stunned the world to become the forty-fifth president of the United States of America, such as . . . - Mr. Trump’s presidential bid announcement - The persuasive “What Have You Got to Lose?” speech to black voters - President Trump’s four State of the Union addresses - The inspirational Mount Rushmore speech - President Trump’s remarks to the UN General Assembly - And many others. The ABOUT US book series brings to life the exciting and vibrant history of the United States with classic and inspiring books that celebrate the bravery, audacity, and daring of the men and women who founded and created the nation that is the beacon of freedom to the world. The My Fellow Americans series presents in unabridged and annotated form the policy-defining and personality-revealing orations and speeches of the American presidents for everyone to experience and learn. FOREWORD The president of the United States is the most powerful person in the world. This has been true for a very long time — perhaps from the very beginning. So it is important to know and understand these men who sought and attained this highest office in the land. And what better way to understand the presidents than through their own words? About US Books and Kallisti Publishing Inc. is pleased to present to you the first volume of the My Fellow Americans series, a line of books that will present to the ages the important and significant speeches and orations of the presidents of the United States of American. This inaugural volume showcases America’s “inspirational” president, Donald J. Trump, the billionaire businessman who, rather than taking the traditional route of governor — senator — president, instead leaped straight to the top in a hard-fought race against then-Secretary of State Hillary Rodham Clinton. Some people think President Trump to be brash. Others think him to be rude, insensitive, and even worse. Yet others still describe him as inspirational and uplifting. What you will discover as you read candidate and President Trump’s speeches is a person who ardently believes in the American Dream, who looks up to heroes, and who sees beyond the horizon to “the best” that is to come. Ultimately, his own words are here so you can make your own decision. Choosing which speeches to include in this volume presented some difficulty because President Trump often spoke “off-script” and talked extemporaneously. Of course, no volume of a president’s speeches would be complete without his State of the Union addresses; thus, all four are presented here. Remarks to the UN General Assemble are important declarations of foreign policy, so they, too, are all included. That left a lot of speeches through which to sift, and what were chosen were Mr. Trump’s famous presidential bid speech, Candidate Trump’s plea to black voters, President Trump’s Inaugural Address, the inspirational Mount Rushmore speech, and others that highlight President Trump’s policy positions, vision, and goals. Please enjoy this deep-dive into the mind of Donald J. Trump through his speeches and remarks. And please look forward to the upcoming volumes in the My Fellow Americans series. So, as the presidents end their speeches, I leave you with a hearty thank you and a strong God bless America! Trump Donald Trump,Charles Leerhsen,1990 An account of the businessman's trials and triumphs.

Time to Get Tough Donald J. Trump,2011-12-06 A New York Times bestseller! For the first time in his own words, President-elect Donald J. Trump explains his plan to make America great again! He wants to “put America’s interests first—and that means doing what’s right for our economy, our national security, and our public safety.” Throughout the 2016 campaign, Trump conjured images of American strength and culture when small towns boomed with industry, mom and pop shops bustled, and people said, “Merry Christmas!” The media scoffed at Trump’s vision and the people who supported him; they were blinded by the Clinton machine. But their eyes were opened after Trump won 62 million votes and the Oval Office. Even Republican House Speaker Paul Ryan said, “Donald Trump heard a voice in this country that no one else heard.” As Trump says in Time to Get Tough, “I’ve built businesses across the globe. I’ve dealt with foreign leaders. I’ve created tens of thousands of American jobs. My whole life has been about executing deals and making real money—massive money. That’s what I do for a living: make big things happen...” Trump is about to make the biggest deals of his life, and he’s going to make them for America! From reversing lax immigration policies to eliminating regulations that restrict small businesses, Donald Trump understands that America “doesn’t need cowardice, it needs courage.” President Elect Trump is about to “Make America Great Again” and Time to Get Tough is his blueprint!

Trump: The Art of the Deal Donald J. Trump,Tony Schwartz,2009-12-23 President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America’s foremost deal-maker. “I like thinking big. I always have. To me it’s very simple: If you’re going to be thinking anyway, you might as well think big.”—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker’s art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal “Trump makes one believe for a moment in the American dream again.”—The New York Times “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—Chicago Tribune “Fascinating . . . wholly absorbing . . . conveys Trump’s larger-than-life demeanor so vibrantly that the reader’s attention is instantly and fully claimed.”—Boston Herald “A chatty, generous, chutzpa-filled autobiography.”—New York Post

Trump: The Way to the Top Donald J. Trump,2004-05-18 The host of the hit reality show The Apprentice presents an invaluable collection of grounded, hard-hitting advice on business success, from people who have made it to the boss’s chair at some of America’s most thriving companies. How can you find the way to the top? Ask people who are already there. Because you can’t know it all. No matter how smart you are, no matter how comprehensive your education, no matter how wide-ranging your business experience, there’s simply no way to acquire all the wisdom you need to make your business flourish. You need to learn from those who have blazed a trail before you. Donald Trump has asked many of the brightest, most successful businesspeople he knows—and some he doesn't know—to answer this question: What's the best business advice you ever

received? The result is a compelling resource of wisdom and wit that reveals how some of the most accomplished people conduct their personal and business affairs, giving an inside look into the secrets of corporate success. But the advice doesn't only come from the upper echelons of the Fortune 500. Thoughts poured in from executives at thriving companies large and small, ranging from well-known icons such as Staples, American Airlines, Lillian Vernon, and Boeing to family-run operations like Orleans Homebuilders and Carlson Companies. The Way to the Top brings together the core ideas that have guided more than 150 of today's top businesspeople, offering a range of inspiring and practical advice on making good decisions, conducting yourself appropriately, developing your career, communicating with others, leading a team effectively, and much more. Some of the entries are simple entreaties, some portray intriguing vignettes, and others outline lists of guiding principles; all are illuminating, instructive, and insightful. A telling to-do list for the aspiring professional, The Way to the Top belongs on every business bookshelf.

Think Like a Champion Donald Trump,2010-04-06 Over the years, President Donald Trump has written many bestselling books, but he has also written shorter essays that encompass his philosophy about how to live life to the fullest, both personally and professionally. In these pieces, which have been personally selected by Trump for this book, he gives his special perspective in what amounts to an informal education about success in business and in life. With a foreword by Rich Dad, Poor Dad, author Robert Kiyosaki, Trump's business acumen is on full display in such essays as: *Keep the Big Picture in Mind *Essays, Assets, and Stephen King *Imagination: A Key to Financial Savvy *Financial Literacy *Think Like a Genius *How to Get Rich

The America We Deserve Donald Trump,2000-01-15 The essential, bestselling book that first defined President Donald Trump's political ideas. The America We Deserve is the essential book for anyone who wants to understand the core of Donald Trump's political thinking. In this book, written as he first considered running for president in 2000, Trump offers no-nonsense, populist, provocative, and dramatic solutions to issues that continue to resonate with voters today. In this book, Trump lays out a vision for America that is strong, optimistic, and founded on core Republican principles of self-reliance, limited governance, economic growth, and equitable taxation. Striking for its similarities to President Trump's current initiatives--but also fascinating in its differences--The America We Deserve reveals a man who is fully engaged with the nation and cares deeply about its future. Readers and voters will discover Trump's ideas on: *Foreign policy and relations with China, Russia, North Korea, and Israel *How to fix our broken and underperforming education system *Reducing regulations on business to help create jobs and economic growth *A dramatic one-time tax on the super-wealthy to close the national debt and fuel tax cuts for the middle class *Immigration, crime, terrorism, and more The America We Deserve is essential reading for Trump-watchers, voters, Republicans, Democrats, and anyone interested in how Trump the businessman became Trump the president.

Never Enough Michael D'Antonio,2015-09-22 In the summer of 2015, as he vaulted to the lead among the many GOP candidates for president, Donald Trump was the only one dogged by questions about his true intentions. This most famous American businessman had played the role of provocateur so often that pundits, reporters, and voters struggled to believe that he was a serious contender. Trump stirred so much controversy that his candidacy puzzled anyone who applied ordinary political logic to the race. But as Michael D'Antonio shows in Never Enough, Trump has rarely been ordinary in his pursuit of success and his trademark method is based on a logic that begins with his firm belief that he is a singular and superior human being. As revealed in this landmark biography, Donald Trump is a man whose appetite for wealth, attention, power, and conquest is practically insatiable. Declaring that he is still the person he was as a rascally little boy, Trump confesses that he avoids reflecting on himself because I might not like what I see and he believes most people aren't worthy of respect. A product of the media age and the Me Generation that emerged in the 1970s, Trump was a Broadway showman before he became a developer. Mentored by the scoundrel attorney Roy Cohn, Trump was a regular on the New York club scene and won press attention as a dashing young mogul before he had built his first major project. He leveraged his father's enormous fortune and political connections to get his business off the ground, and soon developed a larger-than-life persona. In time, and through many setbacks, he made himself into a living symbol of extravagance and achievement. Drawing upon extensive and exclusive interviews with Trump and many of his family members, including all his adult children, D'Antonio presents the full story of a truly American icon, from his beginnings as a businessman to his stormy romantic life and his pursuit of power in its many forms. For all those who wonder: Just who is Donald Trump?, Never Enough supplies the answer. He is a promoter, builder, performer and politician who pursues success with a drive that borders on obsession and yet, has given him, almost everything he ever wanted.

Trump Donald Trump,1997 Donald Trump shares the story of how he was able to rebuild his personal life and his financial empire after divorce and near bankruptcy in the early 1990s.

Too Much and Never Enough Mary L. Trump,2020-07-14 In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

Trump - The Best Real Estate Advice I Ever Donald Trump,2012-07 Donald Trump has gathered in one book the best advice on real estate from the brightest and most experienced people... Don't try to take the last penny off the tab≤ make sure that the people who buy from you also make money. If not, they won't buy from you again. -Michael Shvo, Founder of the Shvo Group and the most successful young real estate broker in New York Mom said, 'If you don't have big breasts, put ribbons in your pigtails.' Good salesmanship is nothing more than maximizing the positive and minimizing the negative. Although your competition might offer something you can't match, that doesn't matter. What matters is that you identify and play up what you've got. -Barbara Corcoran, Founder of the Corcoran Group, New York City's leading real estate company Real estate can be so much fun you almost feel guilty earning money at it! -Monda Bassil, President of Prestigious Properties of New York When you sell real estate, pay tax only if you want, when you want, and in the amount you decide. -Gary Gorman, Founder of 1031 Exchange Experts, LLC, and author of Exchanging UP! Whether it is a real estate deal or any other venture, the key is to find something you enjoy doing, and then do it better than anyone else--because success comes easier to people who follow their passion. -Donald Trump, J r., Executive Vice President of Development and Acquisitions for The Trump Organization

Commander in Cheat Rick Reilly,2019-04-02 NEW YORK TIMES BESTSELLER Reilly pokes more holes in Trump's claims than there are sand traps on all of his courses combined. It is by turns amusing and alarming.-- The New Yorker Golf is the spine of this shocking, wildly humorous book, but humanity is its flesh and spirit. -- Chicago Sun-Times Every one of Trump's most disgusting qualities surfaces in golf. -- The

Ringer An outrageous indictment of Donald Trump's appalling behavior when it comes to golf -- on and off the green -- and what it reveals about his character. Donald Trump loves golf. He loves to play it, buy it, build it, and operate it. He owns 14 courses around the world and runs another five, all of which he insists are the best on the planet. He also claims he's a 3 handicap, almost never loses, and has won an astonishing 18 club championships. How much of all that is true? Almost none of it, acclaimed sportswriter Rick Reilly reveals in this unsparing look at Trump in the world of golf. Based on Reilly's own experiences with Trump as well as interviews with over 100 golf pros, amateurs, developers, and caddies, Commander in Cheat is a startling and at times hilarious indictment of Trump and his golf game. You'll learn how Trump cheats (sometimes with the help of his caddies and Secret Service agents), lies about his scores (the Trump Bump), tells whoppers about the rank of his courses and their worth (declaring that every one of them is worth \$50 million), and tramples the etiquette of the game (driving on greens doesn't help). Trump doesn't brag so much, though, about the golf contractors he stiffes, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it's always about winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, Golf is like bicycle shorts. It reveals a lot about a man. Commander in Cheat paints a side-splitting portrait of a congenital cheater (Esquire), revealing all kinds of unsightly truths Trump has been hiding.

The Dangerous Case of Donald Trump Bandy X. Lee,2019-03-19 As this bestseller predicted, Trump has only grown more erratic and dangerous as the pressures on him mount. This new edition includes new essays bringing the book up to date—because this is still not normal. Originally released in fall 2017, The Dangerous Case of Donald Trump was a runaway bestseller. Alarmed Americans and international onlookers wanted to know: What is wrong with him? That question still plagues us. The Trump administration has proven as chaotic and destructive as its opponents feared, and the man at the center of it all remains a cipher. Constrained by the APA’s “Goldwater rule,” which inhibits mental health professionals from diagnosing public figures they have not personally examined, many of those qualified to weigh in on the issue have shied away from discussing it at all. The public has thus been left to wonder whether he is mad, bad, or both. The prestigious mental health experts who have contributed to the revised and updated version of The Dangerous Case of Donald Trump argue that their moral and civic duty to warn supersedes professional neutrality. Whatever affects him, affects the nation: From the trauma people have experienced under the Trump administration to the cult-like characteristics of his followers, he has created unprecedented mental health consequences across our nation and beyond. With eight new essays (about one hundred pages of new material), this edition will cover the dangerous ramifications of Trump's unnatural state. It’s not all in our heads. It’s in his.

Language in the Trump Era Janet McIntosh,Norma Mendoza-Denton,2020-09-03 By examining Trump's verbal techniques, this book illuminates how he employs words to power his presidency whilst scandalizing the world.

I Alone Can Fix It Carol Leonnig,Philip Rucker,2021-07-20 The instant #1 New York Times bestseller | A Washington Post Notable Book | One of NPR's Best Books of 2021 The definitive behind-the-scenes story of Trump's final year in office, by Phil Rucker and Carol Leonnig, the Pulitzer-Prize winning reporters and authors of A Very Stable Genius. “Chilling.” – Anderson Cooper “Jaw-dropping.” – John Berman “Shocking.” – John Heilemann “Explosive.” – Hallie Jackson “Blockbuster new reporting.” – Nicolle Wallace “Bracing new revelations.” – Brian Williams “Bombshell reporting.” – David Muir The true story of what took place in Donald Trump’s White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Phil Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency’s inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members— Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump’s supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.

The Beautiful Poetry of Donald Trump Rob Sears,2019-09-05 What if there's a hidden dimension to Donald Trump; a sensitive, poetic side? Driven by this question, Rob Sears began combing Trump's words for signs of poetry. What he found was a revelation. By simply taking the 45th President of the United States' tweets and transcripts, cutting them up and reordering them, Sears unearthed a trove of beautiful verse that was just waiting to be discovered. This groundbreaking collection gives readers a glimpse of Trump's innermost thoughts and feelings on everything from the nature of truth, to what he hates about Lord Sugar. And it will reveal a hitherto hidden Donald, who may surprise and delight both students and critics alike. Now with seventeen all-new poems! As we lurch deeper into the Trump presidency, this timely publication also includes Sears' scholarly footnotes and introduction, in which he excavates new critical angles and insights into the President's poetry which the casual reader might initially overlook.
