*Don't Blink* Brandon Buell,Brittany Buell,2016-09-06 Not long into their pregnancy, Brandon and Brittany Buell were given the heartbreaking news that their son, whom they had already named Jaxon, had a rare condition called Microhydranencephaly (meaning that he was missing part of his skull and most of his brain), and that he would likely die in utero or shortly after birth. If he did somehow survive, they were told he would suffer from severe neurological problems, would likely be deaf, blind, and unable to sit up, crawl, or communicate. Terminating the pregnancy was suggested on numerous occasions, but the Buells refused, opting instead to “choose life.” In *Don't Blink*, Brandon and Brittany share the invaluable lessons that Jaxon—now approaching two—has taught them about the inherent value of every human life, the extraordinary power of faith, and the key to living each and every day to the fullest.

*Don't Blink* John Merritt,2015-11-10 Life is an extraordinary adventure elevated to audacious heights when God is leading the charge.

*Don't Blink ... Or You'll Miss It!* Bill Hart,2001 This is a compilation of humorous stories from the towns and hamlets of Canada's West Coast. Here's where you can laugh at other people's foibles while remembering your own.

I Miss You When I Blink Mary Laura Philpott,2020-04-07 NATIONAL BESTSELLER A charmingly relatable and wise memoir-in-essays by acclaimed writer and bookseller Mary Laura Philpott, “the modern day reincarnation of...Nora Ephron, Erma Bombeck, Jean Kerr, and Laurie Colwin—all rolled into one” (The Washington Post), about what happened after she checked off all the boxes on a successful life's to-do list and realized she might need to reinvent the list—and herself. Mary Laura Philpott thought she'd cracked the code: Always be right, and you'll always be happy. But once she'd completed her life's to-do list (job, spouse, house, babies—check!), she found that instead of feeling content and successful, she felt anxious. Lost. Stuck in a daily grind of overflowing calendars, grueling small talk, and sprawling traffic. She'd done everything “right” but

still felt all wrong. What's the worse failure, she wondered: smiling and staying the course, or blowing it all up and running away? And are those the only options? Taking on the conflicting pressures of modern adulthood, Philpott provides a "frank and funny look at what happens when, in the midst of a tidy life, there occur impossible-to-ignore tugs toward creativity, meaning, and the possibility of something more" (Southern Living). She offers up her own stories to show that identity crises don't happen just once or only at midlife and reassures us that small, recurring personal re-inventions are both normal and necessary. Most of all, in this "warm embrace of a life lived imperfectly" (Esquire), Philpott shows that when you stop feeling satisfied with your life, you don't have to burn it all down. You can call upon your many selves to figure out who you are, who you're not, and where you belong. Who among us isn't trying to do that? "Be forewarned that you'll laugh out loud and cry, probably in the same essay. Philpott has a wonderful way of finding humor, even in darker moments. This is a book you'll want to buy for yourself and every other woman you know" (Real Simple).

*Blink & Caution* Tim Wynne-Jones, 2011-03-08 Two street kids get tangled in a plot over their heads - and risk an unexpected connection - in this heart-pounding thriller by Tim Wynne-Jones. (Age 14 and up) Boy, did Blink get off on the wrong floor. All he wanted was to steal some breakfast for his empty belly, but instead he stumbled upon a fake kidnapping and a cell phone dropped by an abducted CEO, giving Blink a link to his perfect blonde daughter. Now Blink is on the run, but it's OK as long as he's smart enough to stay in the game and keep Captain Panic locked in his hold. Enter a girl named Caution. As in Caution: Toxic. As in Caution: Watch Your Step. She's also on the run, from a skeezy drug-dealer boyfriend and from a nightmare in her past that won't let her go. When she spies Blink at the train station, Caution can see he's an easy mark. But there's something about this naïve, skinny street punk, whom she only wanted to rob, that tugs at her heart, a heart she thought deserved not to feel. Charged with suspense and intrigue, this taut novel trails two deeply compelling characters as they forge a blackmail scheme that is foolhardy at best, disastrous at worst - along with a fated, tender partnership that will offer them each a rare chance for redemption.

*Don't Blink* L. G. Davis, 2019-03-24 Two years ago, Paige Wilson watched helplessly as her brother Ryan was shot, right on her doorstep. He survived the attack, but never fully recovered from the trauma. Stuck in a wheelchair, Ryan refuses to accept the life of a paraplegic. His idea of fun is coming up with new ways to torment Paige, who has sacrificed her own happiness to care for him. He feels she's responsible for what happened to him that night, and he's determined to make her life a living hell. Pushed to her limits, Paige wants to turn her back on her brother's abuse, but when she finally takes steps toward getting her life back, tragedy strikes. One minute she's walking toward her freedom, and the next she's on the run. A terrible crime has been committed and she could be in danger. She finds safety and a new life in the small town of Faypine, Maine. But someone knows her hiding place, and they are determined to use her secrets to tear her world apart. They will stop at nothing to get rid of her. This is a dark and disturbing page-turner that you won't be able to put down. \*This book was previously published under the titles *The Girl in the Rain* and *The Girl in the Storm*. \*What readers are saying about *Don't Blink*: I could not put the book down, It had a bunch of twists I did not see coming. This is really one of those mind-bending emotional stories that makes you think about what you would do in the character's situation. This book kept me on the edge of my seat the whole time. It was one of those books you just can't stop thinking about. This book was an emotional roller coaster.

**Blink** Malcolm Gladwell, 2007-04-03 From the #1 bestselling author of *The Bomber Mafia*, the landmark book that has revolutionized the way we understand leadership and decision making. In his breakthrough bestseller *The Tipping Point*, Malcolm Gladwell redefined how we understand the world around us. Now, in *Blink*, he revolutionizes the way we understand the world within. *Blink* is a book about how we think without thinking, about choices that seem to be made in an instant--in the blink of an eye--that actually aren't as simple as they seem. Why are some people brilliant decision makers, while others are consistently inept? Why do some people follow their instincts and win, while others end up stumbling into error?

How do our brains really work--in the office, in the classroom, in the kitchen, and in the bedroom? And why are the best decisions often those that are impossible to explain to others? In *Blink* we meet the psychologist who has learned to predict whether a marriage will last, based on a few minutes of observing a couple; the tennis coach who knows when a player will double-fault before the racket even makes contact with the ball; the antiques experts who recognize a fake at a glance. Here, too, are great failures of blink: the election of Warren Harding; New Coke; and the shooting of Amadou Diallo by police. *Blink* reveals that great decision makers aren't those who process the most information or spend the most time deliberating, but those who have perfected the art of thin-slicing--filtering the very few factors that matter from an overwhelming number of variables.

**Owls Don't Blink** Erle Stanley Gardner, 1942

**Don't Tell!** Tom Booth, 2018-06-05 How did you find this book? Don't you know this book is a secret book? Readers will delight in being asked how they found this book. Did Monkey tell? Was it Owl? Giraffe? Maybe the animal who told would rather share than keep a secret. Especially when sharing a book as good as this one makes him so happy! Once again, Tom Booth breaks the fourth wall to delight and entice readers young and old.

**God Never Blinks** Regina Brett, 2010-04-13 Already an internet phenomenon, these wise and insightful lessons by popular newspaper columnist and Pulitzer Prize finalist Regina Brett will make you see the possibilities in your life in a whole new way. When Regina Brett turned 50, she wrote a column on the 50 lessons life had taught her. She reflected on all she had learned through becoming a single parent, looking for love in all the wrong places, working on her relationship with God, battling cancer and making peace with a difficult childhood. It became one of the most popular columns ever published in the newspaper, and since then the 50 lessons have been emailed to hundreds of thousands of people. Brett now takes the 50 lessons and expounds on them in essays that are deeply personal. From Don't take yourself too seriously--Nobody else does to Life isn't tied with a bow, but it's still a gift, these lessons will strike a chord with anyone who has ever gone through tough times--and haven't we all?

At the hospital, she slipped into a coma, the result of a severe brain stem stroke. Crying and blinking were her only activities for five weeks. After four months in the hospital, Laura returned home. Recovering her speech was the challenge she faced at home. With a special retainer and effort, she was able to make herself understood. Many possibilities opened up to her, and she went about pursuing endeavors to fill a void in her life. Yet, despite her busyness, inside she felt empty.
