*Billboard* ,1946-02-02 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**The Four Tendencies** Gretchen Rubin,2017-09-12 NEW YORK TIMES BESTSELLER • Are you an Upholder, a Questioner, an Obliger, or a Rebel? From the author of *Better Than Before* and *The Happiness Project* comes a groundbreaking analysis of personality type that “will immediately improve every area of your life” (Melissa Urban, co-founder of the Whole30). During her multibook investigation into human nature, Gretchen Rubin realized that by asking the seemingly dry question “How do I respond to expectations?” we gain explosive self-knowledge. She discovered that based on their answer, people fit into Four Tendencies: • Upholders meet outer and inner expectations readily. “Discipline is my freedom.” • Questioners meet inner expectations, but meet outer expectations only if they make sense. “If you convince me why, I’ll comply.” • Obligers (the largest Tendency) meet outer expectations, but struggle to meet inner expectations—therefore, they need outer accountability to meet inner expectations. “You can count on me, and I’m counting on you to count on me.” • Rebels (the smallest group) resist all expectations, outer and inner alike. They do what they choose to do, when they choose to do it, and typically they don’t tell themselves what to do. “You can’t make me, and neither can I.” Our Tendency shapes every aspect of our behavior, so using this framework allows us to make better decisions, meet deadlines, suffer less stress, and engage more effectively. It’s far easier to succeed when you know what works for you. With sharp insight, compelling research, and hilarious examples, *The Four Tendencies* will help you get happier, healthier, more productive, and more creative.

*Flipped* Wendelin Van Draanen,2003-05-13 A classic he-said-she-said romantic comedy! This updated anniversary edition offers story-behind-the-story revelations from author Wendelin Van Draanen. The first time she saw him, she flipped. The first time he saw her, he ran. That was the second grade, but not much has changed by the seventh. Juli says: “My Bryce. Still walking around with my first kiss.” He says: “It’s been six years of strategic avoidance and social discomfort.” But in the eighth grade everything gets turned upside down: just as Bryce is thinking that there’s maybe more to Juli than meets the eye, she’s thinking that he’s not quite all he seemed. This is a classic romantic comedy of errors told in alternating chapters by two fresh, funny voices. The updated anniversary edition contains 32 pages of extra backmatter: essays from Wendelin Van Draanen on her sources of inspiration, on the making of the movie of *Flipped*, on why she’ll never write a sequel, and a selection of the amazing fan mail she’s received. Awards and accolades for *Flipped*: SLJ Top 100 Children’s Novels of all time IRA-CBC Children’s Choice IRA Teacher’s Choice Honor winner, Judy Lopez Memorial Award/WNBA Winner of the California Young Reader Medal “We flipped over this fantastic book, its gutsy girl Juli and its wise, wonderful ending.” — The Chicago Tribune “Van Draanen has another winner in this eighth-grade ‘he-said, she-said’ romance. A fast, funny, egg-cellent winner.” — SLJ, Starred review “With a charismatic leading lady kids will flip over, a compelling dynamic between the two narrators and a resonant ending, this novel is a great deal larger than the sum of its parts.” —Publishers Weekly, Starred review

*The Last Full Measure* Richard Moe,2014-11-20 The definitive history of the First Minnesota Regiment and one of a handful of classic regimental histories of the Civil War.

**Ambitious Honor** James E. Mueller,2020-11-19 George Armstrong Custer, one of the most familiar figures of nineteenth-century American history, is known almost exclusively as a soldier, his brilliant military career culminating in catastrophe at Little Bighorn. But Custer, author James E. Mueller suggests, had the soul of an artist, not of a soldier. *Ambitious Honor* elaborates this radically new perspective, arguing that an artistic passion for creativity and recognition drove Custer to success—and, ultimately, to the failure that has overshadowed his notable achievements. Custer's ambition is well known and played itself out on the battlefield and in his persistent quest for recognition. What *Ambitious Honor* provides is the context for understanding how Custer's theatrical personality took shape and thrived, beginning with his training at a teaching college before he entered West Point. Teaching, Mueller notes, requires creativity and performance, both of which fascinated and served Custer throughout his life—in his military leadership, his politics, and even his attention-getting, self-designed uniforms. But Custer's artistic personality emerges most clearly in his writing career, where he displayed a talent for what we now call literary journalism. *Ambitious Honor* offers a close look at Custer's work as a best-selling author right up to the time of his death, when he was writing another book and planning a speaking tour after the 1876 campaign against the Sioux and Cheyenne. Custer's fate at Little Bighorn was so dramatic that it sealed his place in the national story—and obscured, Mueller contends, the more interesting facets of his true nature. *Ambitious Honor* shows us Custer anew, as an artist thrust into the military because of the times in which he lived. This nuanced portrait, for the first time delineating his sense of image, whether as creator or consumer, forever alters Custer's own image in our view.

*Belly of the Beast (The Fabled Stables Book #3)* Jonathan Auxier,2022-02-22 Book 3 in the one-of-a-kind adventure series from New York Times bestselling author Jonathan Auxier explores the real magic behind simple acts of kindness. Auggie loves his job at the Fabled Stables, but he fears the day when it will come to an end. Fen keeps dropping hints that caretakers don’t stay forever, and it’s giving Auggie the grumps. Thankfully, there always seems to be a new stall to fill. This time, the stables set Auggie on a quest to rescue a beast called the Shibboleth—but the portal leads Auggie and Fen to the lair of the evil Rooks! In the dark, damp dungeon, they meet one mysterious girl and one very hungry monster. It’s already gobbled up all of the Rooks, and Auggie and Fen are next unless they figure out the one way to calm the creature. Will they be able to work together to complete the mission before it’s too late?

*Billboard* ,1947-10-18 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. **The Other End of the Leash** Patricia McConnell, Ph.D.,2009-02-19 Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years’ experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover: • How you can get your dog to come when called by acting less like a primate and more like a dog • Why the advice to “get dominance” over your dog can cause problems • Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief • How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!” Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

**Daily Life of U.S. Soldiers [3 volumes]** Christopher R. Mortenson,Paul J. Springer,2019-06-14 This ground-breaking work explores the lives of average soldiers from the American Revolution through the 21st-century conflicts in Afghanistan and Iraq. What was life really like for U.S. soldiers during America's wars? Were they conscripted or did they volunteer? What did they eat, wear, believe, think, and do for fun? Most important, how did they deal with the rigors of combat and coming home? This comprehensive book will answer all of those questions and much more, with separate chapters on the American Revolution, the War of 1812, the Mexican-American War, the Civil War, the Indian Wars, the Spanish-American War, World War I, World War II in Europe, World War II in the Pacific, the Cold War, the Korean War, the Vietnam War, the Persian Gulf War, the Afghanistan War and War on Terror, and the Iraq War. Each chapter includes such topical sections as Conscription and Volunteers, Training, Religion, Pop Culture, Weaponry, Combat, Special Forces, Prisoners of War, Homefront, and Veteran Issues. This work also examines the role of minorities and women in each conflict as well as delves into the disciplinary problems in the military, including alcoholism, drugs, crimes, and desertion. Selected primary sources, bibliographies, and timelines complement the topical sections of each chapter.

**Billboard** ,1947-11-01 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

*The school shooter a threat assessment perspective.* Mary Ellen O'Toole,2009  
*The 22nd Michigan Infantry and the Road to Chickamauga* John Cohassey,2018-12-31 Called upon to take a hill at the 1863 Battle of Chickamauga, the untested 22nd Michigan Infantry helped to save General George H. Thomas' right flank. Formed in 1862, the regiment witnessed slavery and encountered runaways in the border state of Kentucky, faced near starvation during the siege of Chattanooga and marched to Atlanta as General Thomas' provost guard. This history explores the 22nd's day-to-day experiences in Kentucky, Tennessee and Georgia. The author describes the challenges faced by volunteer farm boys, shopkeepers, school teachers and lawyers as they faced death, disease and starvation on battlefields and in Confederate prisons.
