Cruel Illusions Margie Fuston, 2022-11-01 "The perfect sinisterly magical escape...full of longing, desperation, and betrayal." -Stephanie Garber, New York Times bestselling author of the Caraval trilogy and Once Upon a Broken Heart Caraval meets Buffy the Vampire Slayer in this "beguiling" (Publishers Weekly, starred review) young adult fantasy about a girl who makes a deal with a magical secret society to enter a potentially deadly competition for the chance to avenge her mother's death. Ever since a vampire murdered her mother, Ava has been determined to get revenge. This all-encompassing drive has given her the fuel she needed to survive foster home after foster home. But it's been ten years since anyone's seen a vampire, and Ava has lost hope that she'll ever find one...until she stumbles across a hidden magic show where she witnesses impossible illusions. The magicians may not be the bloodsuckers she's hunting, but Ava is convinced something supernatural is at play, so she sneaks backstage and catches them in acts they can't explain. But they've been waiting for her. The magicians reveal they're part of an ancient secret society with true magic, and Ava has the same power in her blood that they do. If she joins them, they promise to teach her the skills she needs to hunt vampires and avenge her mother. But there's a catch: if she wants to keep the power they offer, she needs to prove she's worthy of it. And to do so, she must put on the performance of her life in a sinister and dangerous competition where illusion and reality blur, and the stakes are deadly.

Wild Game Adrienne Brodeur,2019 On a hot July night on Cape Cod, at the age of 14, Brodeur became a confidante to her mother's affair with her husband's closest friend. Malabar came to rely on her daughter to help, but when the affair had calamitous consequences for everyone involved, Brodeau was driven into a precarious marriage of her own, and then into a deep depression. Jungle Tales John Quinn,2012-09-14 Years of tradition crashed around the ears of Celtic supporters when the Jungle was demolished and replaced by seating to conform with the Taylor Report. It might never have been the most attractive setting in which to watch football but to the fans who occupied the gentle slopes under the covered North Enclosure it was as familiar as their own living-room. To them it was the nerve-centre of all that was good about their team and about Scottish football in general. There they had gathered to witness the great dramas unfold, the star players weave their artistry, and there they experienced the nerve-jangling, magical nights as Celtic joined the ranks of great European sides in the 1960s. John Quinn spent months interviewing the people who shaped the history of the Jungle. Star players past and present describe their favourite memories and the fans themselves recall the scenes indelibly etched in their minds. Jungle Tales is an exercise in pure nostalgia. It is in many ways a book by the fans for the fans as they reminisce over past glories and long for the days when they will return.
