The Army Sketch Book Edwin Forbes,2017-12-27 Excerpt from *The Army Sketch Book: An Artist's Story of the War* Kind of traveling human locust dressed in faded blue, is a phrase that might have been truthfully applied to the Union soldier; always hungry, never satisfied, and willing to join a foraging party on the shortest possible notice. At times he literally cleared parts of our country of all bounties acceptable to man and beast; and yet depre dations were laughed at and forgiven, for the little obtained by the brave boys in blue was but slight recompense for the great service rendered to the land. Many were the ludicrous scenes in those memorable campaigns. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Reminiscences of Forts Sumter and Moultrie: 1860-1861 (Civil War Classics) Abner Doubleday,Civil War Classics,2015-01-13 To commemorate the 150th Anniversary of the end of the Civil War, Diversion Books is publishing seminal works of the era: stories told by the men and women who led, who fought, and who lived in an America that had come apart at the seams. Most know Abner Doubleday as the man who “invented” baseball. But before he dedicated himself to the national pastime, he was a captain of artillery in the Union Army. He fired the first shot to defend Fort Sumter. This highly readable account of his time at war brings keen observation to the brutal conflict, revealing both a grueling account of war and the often thoughtful, contemplative men embroiled in the conflict. Doubleday’s account of a secret evacuation will put readers on the edge of their seats, but it is his reflective tone that invites attention, and multiple readings.

A History of American Classical Music Barrymore Laurence Scherer,2007 This richly detailed narrative tells the stories of America's classical composers, set against significant events in American history. Acclaimed music writer Barrymore Scherer follows the development of American classical music, from Gershwin, Copland, Bernstein, Joplin, and Sousa, to lesser-known names such as William Henry Fry and Alan Hovhaness. Scherer surveys the period from the Mayflower through the Europe-tribute years to the two world wars and onwards to the growing academic and concert confidence of the post-war period. Broadway, opera, musicals, bandstands, marching bands and piano players all get their place. The book includes a CD of carefully chosen pieces. Readers also gain access to an exclusive website that offers new essays, the musical works in full, and more. This revolutionary book utilizes traditional and new media to provide a uniquely rounded portrait of the American classical scene and music.

The War of the Worlds / H. G. Wells / World Literature Classics / Illustrated with Doodles World Literature Classics,H G Wells,2021-02-21 One of the classics masterpieces of the written world. A must-read. Illustrated with doodles Complete and Unabridged One of the most famous science-fiction stories ever written, The War of the Worlds helped launch the entire genre by exploiting the concept of interplanetary travel. First published in 1898, the novel terrified readers of the Victorian era with its account

of an invasion of hostile creatures from Mars who moved across the English landscape in bizarre metal transports, using deadly heat rays to destroy buildings and annihilate all life in their path. Its power to stir the imagination was made abundantly clear when Orson Welles adapted the story for a radio drama on Halloween night in 1938 and created a national panic. Despite readers' increasing sophistication about space travel and interplanetary invaders, *The War of the Worlds* remains a riveting reading experience. Its narrative energy, intensity, and striking originality remain undiminished, ready to thrill a new generation of readers with old-fashioned storytelling power.

The Story of a Cannoneer Under Stonewall Jackson (Civil War Classics) Edward Alexander Moore, Civil War Classics, 2015-01-13 To commemorate the 150th Anniversary of the end of the Civil War, Diversion Books is publishing seminal works of the era: stories told by the men and women who led, who fought, and who lived in an America that had come apart at the seams. "(I) now present this volume as the only published record of that company, celebrated as it was even in that matchless body of men, the Army of Northern Virginia." This boots-on-the-ground memoir, told by a man who enlisted barely out of childhood and lived through some of the bloodiest battles of the Civil War, will entrance readers with its stirring narrative and attention to detail. Leander Stillwell's stories mix the mundane, day-to-day life of a soldier with visceral accounts of fighting in a war.

We need your help to stir our people up to buy Liberty Bonds, Thrift Stamps and Hooverize. We know we can depend upon you; because you have never failed us in anything we have asked of you. As there. Is nothing like a song to stir the folks, and as nothing hits the Kaiser and his dirty bunch so hard as a patriotic song, coupled with service and sacrifice, we dedicate to you The New Yankee Doodle, and these other patriotic songs to sing in season and out of season, to help in making the world safe for Democracy. The price you pay to own this book goes to buy Thrift and War Savings Stamps, to be donated to the cause of God and Country, as the author and those who may sell the books shall decide. Cocoa and Company: A Civil War Classic Antonion Borges, 2007-04-02 The Civil War was a pivotal event for the United States, but understanding its complexities is daunting to both adults and children. Cocoa and Company offers a simple version of events in a story even beginning readers can understand. It is told in a way that will captivate older elementary school readers, as well as parents who read the book aloud for younger children. Pairing whimsy with historical fact, and fun with social conscience, Borges has dared to take on the entire time frame of a bloody, costly war. Here is a story parents and teachers will embrace as a learning tool, especially because it is an engaging tale. Children will enjoy the antics and bravery of a boxer, a Chihuahua, a Labrador retriever and a border collie. These lovable characters are certain to live in the minds of readers for a very long time.

Robert E. Sherwood and the Classical Tradition Robert J. Rabel, 2020-07-09 This volume explores the reception of the classical past in the works of twentieth-century American dramatist Robert E. Sherwood and his use of the ancient world to critique key events and trends in American history. It explores his comedies and the influence of both Greek Old and New Comedy, as well as his mediation of his experiences in World War I through Livy's account of the war with Carthage. During the 1930s, Sherwood used the Peloponnesian War as a template for bringing to the attention of an unaware public the danger of an impending war between the forces of democracy and the totalitarianism represented by Nazi Germany, and post-war he raised awareness of the dangers of nuclear war through the lens of the Greek gods. As well as looking at his use of the classical past in his work, since Sherwood wrote drama deeply concerned with the major social and political events of his day, his plays open windows onto the major social and political challenges facing the United States and the world from the outbreak of World War I until the beginning of the nuclear age. This volume will be of interest to anyone working on the Classical Tradition and Classical Reception, as well as to students of twentieth-century American literature, drama, history, and politics.

Movies Magnificent: 150 Must-See Cinema Classics John Reid, 2005-09 Few people would argue with the films selected for detailed notices and reviews in this book. Many of the movies are award-winners, and most chalked up impressive figures at the box-office. Who would dispute the inclusion of *Citizen Kane* or *Rebecca* or *The Best Years of Our Lives*? However, along with *The Yearling* and *Reap the Wild Wind* and *Hello, Frisco, Hello*, I've also included a few surprises. A magnificent publication. -- Rodney Bourke in *International Movie Making* (April 2006).
