B. Amadei,O. Stephansson

Sew Very Easy Quilt Favorites Laura Coia,2020-03-25 Learn quilting basics from a YouTube sensation and practice your skills with 12 fun projects suitable for all skill levels. Her instructional videos have inspired thousands to start sewing. Now for the first time, sew-lebrity Laura Coia shares written patterns for the most loved video tutorials on her “Sew Very Easy” YouTube channel! Learn the basics of quilt making, from cutting and pressing to borders and finishing. Then practice your skills with a dozen beautiful projects—quilts you’ll come back to time and time again—all suitable for beginners and beyond.

Rock Stress and Its Measurement B. Amadei,O. Stephansson,1997-03-31 Rock masses are initially stressed in their current in situ state of stress and to a lesser natural state. Whether one is interested in the extent on the monitoring of stress change. formation of geological structures (folds, faults, The subject of paleostresses is only briefly intrusions, etc.), the stability of artificial struc discussed. tures (tunnels, caverns, mines, surface excava The last 30 years have seen a major advance our knowledge and understanding of rock tions, etc.), or the stability of boreholes, a in the in situ or virgin stress field, stress. A large body of data is now available on knowledge of along with other rock mass properties, is the state of stress in the near surface of the needed in order to predict the response of rock Earth's crust (upper 3-4km of the crust). masses to the disturbance associated with those Various theories have been proposed regarding structures. Stress in rock is usually described the origin of in situ stresses and how gravity, within the context of continuum mechanics. It is tectonics, erosion, lateral straining, rock fabric, defined at a point and is represented by a glaciation and deglaciation, topography, curva second-order Cartesian tensor with six compo ture of the Earth and other active geological nents. Because of its definition, rock stress is an features and processes contribute to the current enigmatic and fictitious quantity creating chal in situ stress field.

In Situ Stress at the Lucky Friday Mine (in Four Parts). Jeff K. Whyatt,Michael J. Beus,1995

The Analects of Dasan, Volume III Hongkyung Kim,2018-10-24 With extensive research and creative interpretations, Dasan's Noneo gogeuju (Old and New Commentaries of the Analects) has been evaluated in Korean Studies as a crystallization of his studies on the Confucian classics. Dasan (Jeong Yak-yong: 1762-1836) attempted to synthesize and overcome the lengthy scholarly tradition of the classical studies of the Analects, leading it not only to become one of the greatest achievements of Korean Confucianism but also to demonstrate an innovative prospect for the progress of Confucian philosophy. Through this, he has positioned it as one of the ground-breaking works in all Confucian legacies in East Asia. Originally consisting of forty volumes in traditional bookbinding, his Noneo gogeuju contains one hundred and seventy-five new interpretations on the Analects, hundreds of arguments about the neo-Confucian commentaries of the Analects commentaries, hundreds of references to the scholarly works of the Analects, thousands of supportive quotations from various East Asian classics for the author's arguments, and hundreds of philological discussions. This book is the third volume of an English translation of Noneo gogeuju with the translator's comments on the innovative ideas and interpretations of Dasan on the Analects.

Redeemer of the Realm (Epic Fantasy, Fairy Tale, Doorstopper Fantasy) Sandra Miller,2014-06-01 Danger closes on every side, And the world awaits a legendary hero... Just when Alannys thought she had earned a little peace at the Great Palace, Lord Malrec and his Dark Alliance stormed Dorramon's coronation and declared war on the new king. She's known for a while that Dorramon has some bad news for her, but she's unprepared for just how bad. But it's the midnight attempt on her life that spurs her to action--Ravanmark is imploding around her, and she can't just sit and watch it happen. She knows she caused it, after all. And what of the prophesied savior, the legendary Redeemer? Time is growing short, and the songs of the Redeemer have yet to be found. Alannys will have to take her fight for Ravanmark's future across the country on her own, while Lord Malrec continues his work on the magical device that will enable him to safely hold her prisoner, and use her as a weapon to destroy the king she loves. Join Alannys and her friends again as they continue their epic fight for the kingdom of Ravanmark--because sometimes 'happily ever after' has to wait. Fantasy series, Epic fantasy, fairy tale, doorstopper, strong female lead, magic, music

The Music Mage (Fairy Tale, Epic Fantasy, Fantasy Romance, Doorstopper Fantasy) Sandra Miller,2012-10-29 Art is power, Music is magic, And no one is what they seem. When powerful and charismatic painter Lord Malrec brings newly-unemployed music teacher Alannys Gale to Ravanmark, it seems to be the answer to her prayers. Ravanmark is like a beautiful fairy tale. But it keeps trying to kill her. Lord Malrec has plans for her...plans that may not be as noble as they appear. Power plays and politics surround her from the first breath she draws there. And it looks like the biggest player of all...may be her. In a land with magic whose true power is shrouded in the mists of time, an ordinary woman must save the world...to save herself. The Music Mage is the first book in the epic fantasy romance series The Ravanmark Saga. These are books in the doorstopper tradition, and each novel in the series so far is longer than the ones before. If you are looking for a rich, detailed fantasy world you can immerse yourself in, look no further than Ravanmark!

Trauma Doesn't Stop at the School Door Karen Gross,2020 This book explores how educational institutions have failed to recognize and effectively address the symptoms of trauma in students of all ages. Given the prevalence of traumatic events in our world, including the COVID-19 pandemic, Gross argues that it is time for educational institutions and those who work within them to change their approaches and responses to traumatic symptoms that manifest in students in schools and colleges. These changes can alter how and what we teach, how we train teachers, how we structure our calendars and create our schedules, how we address student behavior and disciplinary issues, and how we design our physical space. Drawing on real-life examples and scenarios that will be familiar to educators, this resource provides concrete suggestions to assist institutions in becoming trauma-responsive environments, including replicable macro- and microchanges. Book Features: Focuses on trauma within the early childhood-adult educational pipeline. Explains how trauma is often cumulative, with recent traumatic events often triggering a revival of traumatic symptomology from decades ago. Provides clarifications of currently used terms and scoring systems and offers new and alternative approaches to identifying and ameliorating trauma. Includes visual images to augment the descriptions in the text.

The Makings of a Modern Epidemic Kate Seear,2016-03-03 Since its ‘discovery’ some 150 years ago, thinking about endometriosis has changed. With current estimates identifying it as more common than breast and ovarian cancer, this chronic, incurable gynaecological condition has emerged as a ‘modern epidemic’, distinctive in being perhaps the only global epidemic peculiar to women. This timely book addresses the scholarly neglect of endometriosis by the social sciences, offering a critical assessment of one of the world’s most common - and burdensome - health problems for women. Drawing on a range of theoretical perspectives, including science and technology studies, feminist theory and queer theory, The Makings of a Modern Epidemic explores the symbolic, discursive and material dimensions of the condition. It demonstrates how shifts in thinking about gender, the body, race, modernity and philosophies of health have shaped the epidemic, and produces a compelling account of endometriosis as a highly politicised and grossly neglected disease. Drawing upon rich empirical data, including in-depth interviews with women who have endometriosis and medical and self-help literature, this ground-breaking volume will appeal to scholars and students across the social sciences with interests in gender studies, science and technology studies and the sociology and anthropology of medicine, health and the body.

Architectural & Const. Data George Salinda Salvan,2000

A True Novel Minae Mizumura,2013 As an impoverished immigrant with mixed Chinese origins, Taro Azuma has faced prejudice his entire life. Desperately trying to make his fortune, Taro has a secret; he is obsessed with a girl from an aristocratic family. When Taro's ambitious leads him to become one of the wealthiest Japanese men in America, he finally gets close to her. But her relatives are determined to uncover his background. Using the template of Wuthering Heights, A True Novel is an epic love story and an in-depth study of social history after WWII.

Fun for Kids III Marion F. Gallivan,2002 An index to children's craft books published since 1991. Provides a guide to craft instructions alphabetically by project, or by type of material used.

Carol's Counsel, Comedies, & Calamities Carol Dold,2013-06-24 Carol's Counsel, Comedies, & Calamities is a trilogy. Volumes I, II, & III include stories, poems, songs, and Bible studies - all designed to bring you

into a deep place of commitment to Christ. The process of dying to self is painful. But it is only after we understand the fellowship of Christ's sufferings that we can be trusted with His resurrection power. Surrender is humbling but it is the nesting ground for all great things that are birthed in us and through us. The contents of this book will ignite emotions. You may find yourself laughing or, perhaps, even crying. Most of all, like me, I hope you will find yourself learning - learning to be conformed to Christ's image day by day. Some of the many thought provoking questions I address in this trilogy include: How do we know Jesus is God the Son? What is faith & why do we need it? Why does God allow suffering? Will pets be resurrected? How do we know the difference between sound doctrine versus false apostles? How does God feel about psychics, purgatory, reincarnation, body piercing, tattoos, and drinking? Is it okay to read the horoscope? How serious is gossip? Is it okay to play the lotto? What is the baptism of the Holy Spirit? How should we view abortion or mercy killing? How can porn be overcome? What does fasting accomplish? How can we turn from addiction to adoration? Is internet dating acceptable? Should we believe in the theory of evolution; or, are we here by divine design? What are heaven & hell like? What must we each do to be eternally saved?

Seeing and Saying Berit Brogaard,2018-06-15 Imagine you are sitting at Starbuck glancing at the blue coffee mug in front of you. The mug is blue on the outside, white on the inside. It's large for a mug. And it's nearly full of freshly made coffee. In the envisaged case, you see all those aspects of the scene in front of you, but it remains a question of ferocious debate whether the visual experience that makes up your seeing is a direct perceptual relation between you and your environment or a psychology state that has a content that represents the mug. If your experience involves an external perceptual relation to an external, mind-independent object, it is unlike familiar mental states such as belief and desire states, which are widely considered psychological states with a representational content that stands between you and the external world. Your belief that the coffee mug in front of you is blue has a content that represents the coffee mug as being blue. Your desire that the coffee in the mug is still hot has a content that represents a state of affairs that may or may not in fact obtain, namely the state of affairs that the coffee in the mug is still hot. In this book, Brit Brogaard defends the view that visual experience is like belief in having a representational content. Her defense differs from most previous defenses of this view in that it begins by looking at the language of ordinary speech. She provides a linguistic analysis of what we say when we say that things look a certain way or that the world appears to us to be a certain way. She then argues that this analysis can be used to argue for the view that visual experience has a representation content that mediates between you and the world when you visually perceive.

A Killer by Design Ann Wolbert Burgess,2021-12-07 A vivid behind-the-scenes look into the creation of the FBI's Behavioral Science Unit and the evolution of criminal profiling, written by the pioneering forensic nurse who transformed the way the FBI studies, profiles, and catches serial killers. Lurking beneath the progressive activism and sex positivity in the 1970-80s, a dark undercurrent of violence rippled across the American landscape. With reported cases of sexual assault and homicide on the rise, the FBI created a specialized team—the Mindhunters better known as the Behavioral Science Unit—to track down the country's most dangerous criminals. And yet narrowing down a seemingly infinite list of potential suspects seemed daunting at best and impossible at worst—until Dr. Ann Wolbert Burgess stepped on the scene. In *A Killer By Design*, Burgess reveals how her pioneering research on sexual assault and trauma caught the attention of the FBI, and steered her right into the middle of a chilling serial murder investigation in Nebraska. Over the course of the next two decades, she helped the budding unit identify, interview, and track down dozens of notoriously violent offenders, including Ed Kemper (The Co-Ed Killer), Dennis Rader ((BTK), Henry Wallace (The Taco Bell Strangler), Jon Barry Simonis (The Ski-Mask Rapist), and many others. As one of the first women trailblazers within the FBI's hallowed halls, Burgess knew many were expecting her to crack under pressure and recoil in horror—but she was determined to protect future victims at any cost. This book pulls us directly into the investigations as she experienced them, interweaving never-before-seen interview transcripts and crime scene drawings alongside her own vivid recollections to provide unprecedented insight into the minds of deranged criminals and the victims they left behind. Along the way, Burgess also paints a revealing portrait of a formidable institution on the brink of a seismic scientific and cultural reckoning—and the men forced to reconsider everything they thought they knew about crime. Haunting, heartfelt, and deeply human, *A Killer By Design* forces us to confront the age-old question that has long plagued our criminal justice system: What drives someone to kill, and how can we stop them? As Featured on ABC 20/20 One of Amazon's Best True Crime Books A Best Book of the Month Pick for Amazon (December 2021) An Apple Audio Must-Listen (December 2021)

George Washington Gómez Américo Paredes,1990-06-30 In the 1930s, Américo Paredes, the renowned folklorist, wrote a novel set to the background of the struggles of Texas Mexicans to preserve their property, culture and identity in the face of Anglo-American migration to and growing dominance over the Rio Grande Valley. Episodes of guerilla warfare, land grabs, racism, jingoism, and abuses by the Texas Rangers make this an adventure novel as well as one of reflection on the making of modern day Texas. George Washington GÑmez is a true precursor of the modern Chicano novel.

The Knitters Year Debbie Bliss,2010 Each of the projects has been designed to be made in a week or less, with some being as quick to knit up as a rainy afternoon or a couple of evenings. Designs include homewares, accessories and things to wear. They range from a sumptuous yet simple chunky scarf, which takes a few balls of yarn, to the adorable Easter-bunny egg cosies, which can be made using remnants of yarn left over from larger projects. Divided into the four seasons, the book features spring-time ideas such as a floral corsage and some fingerless gloves, plus homeware items including a shelf edging and lacy bolster cushion.

The Balkan Trilogy Olivia Manning,2021-04-27 'Her gallery of personages is huge, her scene painting superb, her pathos controlled, her humour quiet and civilised' Anthony Burgess 'So glittering is the overall parade - and so entertaining the surface - that the trilogy remains excitingly vivid; it amuses, it diverts and it informs, and to do these things so elegantly is no small achievement' Sunday Times 'A fantastically tart and readable account of life in eastern Europe at the start of the war' Sarah Waters The Balkan Trilogy is the story of a marriage and of a war, a vast, teeming, and complex masterpiece in which Olivia Manning brings the uncertainty and adventure of civilian existence under political and military siege to vibrant life. At the heart of the trilogy are newly-weds Guy and Harriet Pringle, who arrive in Bucharest - the so-called Paris of the East - in the autumn of 1939, just weeks after the German invasion of Poland. Guy's lecturing job awaits, alongside friends and the ever-ardent Sophie - but for Harriet, alone and naive, it's a strange new life. Other surprises follow: Romania joins the Axis, and before long German soldiers overrun the capital. The Pringles flee south to Greece, part of a group of refugees made up of White Russians, journalists, con artists, and dignitaries. In Athens, however, the couple will face a new challenge of their own...

Stop Acting Rich Thomas J. Stanley,2011-07-12 The bestselling author of *The Millionaire Next Door* reveals easy ways to build real wealth With well over two million of his books sold, and huge praise from many media outlets, Dr. Thomas J. Stanley is a recognized and highly respected authority on how the wealthy act and think. Now, in *Stop Acting Rich ? and Start Living Like a Millionaire*, he details how the less affluent have fallen into the elite luxury brand trap that keeps them from acquiring wealth and details how to get out of it by emulating the working rich as opposed to the super elite. Puts wealth in perspective and shows you how to live rich without spending more Details why we spend lavishly and how to stop this destructive cycle Discusses how being rich means more than just big houses and luxury cars A defensive strategy for tough times, *Stop Acting Rich* shows readers how to live a rich, happy life through accumulating more wealth and using it to achieve the type of financial freedom that will create true happiness and fulfillment.
