**LETS HAVE LUNCH WITH GOD AND LISTEN** Dan Dawson,2003-12-05 The author Dan Dawson on many occasions was awoken in the middle of the night with information to put in this book, Jesus came and sat on the end of his hospital room bed for a talk, and he has been given many visions. The author has been given a burning desire to help fellow believers to not just know about God, but to know Him intimately. To hear His voice, be lead, comforted, taught, the Word revealed, and much more. For as it is found in the Word: John 8:47 He who is of God hears the (Rhema) words of God; for this reason you do not hear them, because you are not of God. That my friend is stingy! In this book you will find ways to encourage God to manifest Himself to you, to be aware of Jesus' presence, learn to use the test found in the word to separate the enemy's voice from God's, to find out what truly being save is, and much more. Scripture is written out for you in this book as you advance through its pages you will find it is totally grounded in the Word.

**Motel of the Mysteries** David Macaulay, 1979-10-11 It is the year 4022; all of the ancient country of Usa has been buried under many feet of detritus from a catastrophe that occurred back in 1985. Imagine, then, the excitement that Howard Carson, an amateur archeologist at best, experienced when in crossing the perimeter of an abandoned excavation site he felt the ground give way beneath him and found himself at the bottom of a shaft, which, judging from the DO NOT DISTURB sign hanging from an archaic doorknob, was clearly the entrance to a still-sealed burial chamber. Carson's incredible discoveries, including the remains of two bodies, one of them on a ceremonial bed facing an altar that appeared to be a means of communicating with the Gods and the other lying in a porcelain sarcophagus in the Inner Chamber, permitted him to piece together the whole fabric of that extraordinary civilization.

As his cases intertwine, Ten will rely on the wisdom of the Buddha and his own network of relationships--with super hacker Mike, outrageously idiosyncratic assistant Kim, old monastery friends Yeshe and Lopsang, Serbian cabbie and former policija Petar, and, of course, feline rock Tank--to solve the puzzle Uand keep free of his own tangled past. **How the Light Gets In** Pat Schneider, 2013-04-04 When I begin to write, I open myself and wait. And when I turn toward an inner spiritual awareness, I open myself and wait. With that insight, Pat Schneider invites readers to contemplate their lives and deepest questions through writing. In seventeen concise thematic chapters that include meditations on topics such as fear, freedom, tradition in writing and in religions, forgiveness, joy, social justice, and death, *How the Light Gets In* gracefully guides readers through the artistic and spiritual questions that life offers to everyone. Praised as a fuse lighter by author Julia Cameron and the wisest teacher of writing I know by the celebrated writing guru Peter Elbow, Pat Schneider has lived a life of writing and teaching, passion and compassion. With *How the Light Gets In*, she delves beyond the typical how-to's of writing to offer an extended rumination on two inner paths, and how they can run as one. Schneider's book is distinct from the many others in the popular spirituality and creative writing genre by virtue of its approach, using one's lived experience--including the experience of writing--as a springboard for expressing the often ineffable events that define everyday life. Her belief that writing about one's own life leads to greater consciousness, satisfaction, and wisdom energizes the book and carries the reader elegantly through difficult topics. As Schneider writes, All of us live in relation to mystery, and becoming conscious of that relationship can be a beginning point for a spiritual practice--whether we experience mystery in nature, in ecstatic love, in the eyes of our children, our friends, the animals we love, or in more strange experiences of intuition, synchronicity, or prescience.
