Get the Edge at Craps Sharpshooter,2003-10 This is the book craps players have been waiting for! For the first time ever, the casino's worst nightmare, the amazing player known as 'Sharpshooter', reveals his secrets for getting the edge at craps -- how to control the dice when you shoot in order to reduce the appearance of certain numbers (the 7!) and increase the appearance of other numbers. If you learn Sharpshooter's methods of dice control or 'rhythmic rolling', craps becomes not only a beatable game but a money maker for the player.

The Pocket Guide to Dice & Dice Games Keith Souter,2013-01-28 Dice games have been played for centuries and are a staple of the playground, board games, and casinos alike. This pocket guide spans the history of dice and offers clear explanations of popular dice games, including farkle (played since the Middle Ages), Gluckhaus (a German game of fortune, played since the medieval era), craps, and Jacks! This guide also includes tips on winning and how to avoid being tricked by loaded or "crooked" dice. Famous dice players, such as the Roman emperors Augustus and Caligula, lost money playing dice and quickly stole other people's to continue their gaming sprees. In the early nineteenth century, fortunes could be won and lost at the roll of a die and it was not only money which was gambled away, but estates and even marriages. Full of fascinating facts and useful tips, this is a must-read book for everyone interested in family fun, games, gambling, or social history. Did you know? • Dice derives from the Latin datum, meaning "ought to be played" • The black marks showing the numbers are called pips • Dice were first played in India around 3000 bc • Dice were originally made from bones, including knuckle and ankle bones • Traditionally cubed, dice also come in other geometric shapes, including the zocchihedron, the 100-sided die, and the deltoidal icositetrahedron, where each side is shaped like a kite

Dice Setting Crapsability Charles C. Westcott,2009-12 Crapsability is what this book is all about. If you don't have the ability or knowledge now, this book will give you a chance to become a force at the tables. The casinos and fellow players will respect your style and knowledge of the game. Your crapsability will demand respect from your fellow players when you demonstrate restraint and ability to keep your cool under the most trying circumstances. First you will be given a walk through the basics from the time you enter the casino till you exit the cashier's cage. You will be exposed to the revolutionary dice setting concept exposing you to the many little details that are necessary to become an accomplished dice influencer. To reinforce what you will learn there will be plenty adventures of 009 and his crew taking on the Midwest casino boats. The author is from the Chicago area and known as Charlie009 in the dice world. He has been playing craps for thirty-two years and teaching craps for seven years. This is his forth book on craps. He was instrumental in creating the popular Dice Institute.com web site and member's forum.

Family Night! Susan Magsamen, 2007-10 Play is a basic human instinct—right up there with shelter, food, and water. Here are games for every developmental stage, along with stories from families who know how to plan family nights, get a game going, and lure reluctant players. Family activity: personalize a table runner for family night and get started with a “survival kit” (playing cards, dice, and multi-use game pieces).

Dominoes Plus Bill Perkins, 2001 Have you ever purchased a book on games only to find that you have the same old run-of-the-mill rules that you learned as a child? Dominoes Plus is 100+ exciting games, 90% of them original. A professional writer explains to you the complete and detailed set of rules for each game. Similar games are grouped into topical chapters, with 25 illustrations for reference (that you will remember). An appendix provides a user-friendly cross-reference for finding a game to match ages and number of players. The author begins with a history of dominoes, and throughout the book introduces the topic of Dominoforms, which explain typical features and structures of tile games. They are at once both familiar in their general styles of play and concise in their treatment. Breathe new life into those tired old checkers, card, and dice games as you combine them with dominoes in interesting new games—the second half of the book describes many such games. Dominoes Plus is a guidebook as much as a reference. If you don't have someone at hand eager to play, the author offers ideas on how to find a game.

When Nightmares Come Patrick Todoroff, 2024-03-28 A solo and cooperative skirmish wargame for investigating and battling the supernatural mysteries of the modern world. When Nightmares Come is a tabletop miniatures wargame about modern day monster hunting and occult investigations. Players will form a team of paranormal vigilantes; self-taught occult specialists and monster hunters who call themselves the Nightwatch. These self-appointed members of the 'watch look to tackle the supernatural horrors and investigate the strange disturbances that plague their city. The core of the game, using the Action Dice Pool with its multiple die types, is fast and bloody, with tiered enemies, flexible player classes, quick combat resolution, and straightforward mission objectives. When Nightmares Come also contains a roleplaying element that allows for non-combat challenges and dramatic encounters. This system uses the same dice types as the core game's Action Dice Pool and emphasizes quick resolutions. This narrative system adds a fresh dimension to the core miniatures experience, particularly in longer campaigns where the promise of different foes and new storylines encourages long-term playability.

36 New Dice Games Kenneth P Langer, 2018-04-10 Turn off the virtual and return to the actual. In a world of virtual reality, virtual friends, and digital anonymity, there are still those who enjoy playing real games with real people. No matter how complex a video game may be there is no substitute for face-to-face interaction with friends around a table full of fun and playful game elements. And there is nothing more iconic to tabletop games than dice: plain dice, colorful dice, tiny dice with dots, polyhedral dice, lawn dice, and many other shapes and types of dice are an important part of the generation of chance elements that make games surprising and exciting. In this book, you will find 36 brand new games that use all kinds of dice in a variety of standard and unique ways. So, grab some friends, pull out a great big bag of colorful dice, play some games, and make some actual memories.
