Meanderings of a Snake Meadow Editor Paul E. Chase,2009-11 This is a book of essays about upland hunting experiences, bird dogs, noteworthy authors who wrote books about upland hunting, celebrated entrepreneurs in the shotgun-producing industry, favorite upland painters whose subjects were dogs and men in the field, fine double shotguns, a few short stories and several miscellaneous subjects, most related to the upland shooting life. This book also offers historical, environmental, philosophical and aesthetical observations of a long-time rural landowner. A fellow bird hunter, Dick Curriden, of Greenville, Maine also contributed witty and humorous words of a highly respected sportsman in the form of letters written to me over the years. The title, *Meanderings of a Snake Meadow Editor*, originates from the well-known 1925-established Snake Meadow Club, Inc., located in the towns of Plainfield and Killingly in eastern Connecticut, of which I have been quarterly newsletter editor for the past twenty-two years. This has afforded me the opportunity to write a column or two in every publication. These rather brief paragraphs in the newsletters have been expanded and, with few exceptions, resulted in the essays that comprise this book.
