Manage Your Money Like a F*cking Grown-Up Sam Beckbessinger, 2019-04-18 You're going to earn plenty of money over your lifetime. Are you going to waste it on stupid crap that doesn't make you happy, or let it buy your freedom and your most audacious dreams? We never get an instruction manual about how money works. Most of what we learn about money comes from advertising or from other people who know as little as we do. No wonder we make such basic mistakes. No wonder we feel disempowered and scared. No wonder so many of us just decide to stick our heads in the damn sand and never deal with it. In *Manage Your Money Like a F*cking Grown Up*, Sam Beckbessinger tells it to you straight: how to take control of your money to take control of your life. In this clear and engaging basic guide to managing your finances, you will learn: - How to trick your dumb brain into saving more, without giving up fun - How to make a bona fide grown-up budget - Why you need to forget what you've learned about credit - How to negotiate a raise - Why buying a house (probably) won't make you rich - The one super-simple investment you need With helpful exercises, informative illustrations (also: kittens) and straightforward advice, this book doesn't shy away from the psychology of money, and is empowering, humorous and helpful. The book you wish you'd had at 25, but is never too late to read.

Make Your Money Make Money For You Amarjit Ahluwalia,2007-08 Amarjit Ahluwalia has Masters in Political Science from Delhi University. He has made it his life's business to perfect Trust Deed Investments. CEO of Saratoga Bancorp, Amarjit has accumulated more than 30 years of experience helping to secure the financial dreams of hundreds of people across the country. In all the years he has been in this industry, not one of his investors has lost a dollar. Now, he offers the best advice of his career in this engaging, compact book. He has written this book, as his contribution to humanity. The author encourages parents to give this book to their children, as the gift of knowledge is far better than any monetary gift. Amarjit believes that thirty year olds have one, big advantage: Time! He sincerely feels that anyone, especially the ones in their thirties, can be financially successful, if they follow his formula: Time + Savings + High Return = Financial Success. This book is not a get rich quick scheme. On the contrary, this book emphasizes the age old saying, A drop at a time fills the bucket. Do you want a financially secure future? Find out how simply saving \$500 a month, starting in your thirties, can make you \$3,000,000 by the time you hit retirement age. Are you tired of living from paycheck to paycheck? This book will teach you effective ways of how to leverage home equity to create immediate, extra monthly income. Do you want to build a fortune that will allow you to live comfortably? Learn to make an investment of \$100,000 grow into \$3,000,000, effortlessly. Do you dream of paying-off your home? Find out how to pay off a 30 year mortgage in less than 15 years by using the equity in your home. Do you worry about retirement? Get rid of those retirement worries once and for all and get the lowdown on how to generate \$15,000 per month in interest income alone at retirement: by saving only \$500 per month while in your 30s. This book explains the workings of Trust Deed Investments, Hard Money Loans, and Private Money Lending, in a way that is both easy and fun! Bottom line: Let your money make money for you, and you can be sure to achieve your dream of financial independence.

Winning Business RICH GILDERSLEEVE,1999 Today's business environment is a competition, and business managers need the right game plan if they want to win. Successful businesses do a lot of the same things well. They track inventories, expenses, growth, break-even units, margins, employee turnover, compensation plans, return on training, sales, earnings per employee, and a host of other statistics. But to win in business, managers need to do more than track these benchmarks. They need to improve results. Winning Business provides the benchmarks business managers should track. It shows managers how to calculate each benchmark, AND presents ways to improve their results. In short, this book provides a company with a blueprint for success. Each benchmark produces a value that managers can track over time to monitor the impact on their operations. To help managers evaluate their performance, it provides industry-wide benchmarks that list the results retailers, manufacturers, and even publishers should target. Winning Business provides benchmarks for: Managerial accounting Sales and marketing Employee benefits Financial performance Market indicators Inventory analysis Many others Included FREE is a full, multimedia version of Winning Business. The CD-ROM includes Winning Business MultiMedia in Adobe pdf (Portable Document Format) file format for Win 95/98/NT 3.51 or above, Mac System 7.5 or higher, UNIX, and other platforms. You'll get all 257 tips from the book complete with their workable equations. BONUS for Windows 95, 98, NT 3.51 or above users: Financial Analysis Calculator, Version 1.1.0. With this free program, you can enter your company's financial statement information and watch as the program automatically performs all of the ratio calculations for you. In an instant, you can have a vast array of critical performance characteristics mapped out for you.
