Jeremy Gordin

Zuma Jeremy Gordin, 2010-11-22 The first edition of *Zuma*, published in late 2008, concluded with Jacob Zuma's future balancing on a knife's edge. National elections loomed, but so did corruption charges and endless court battles. Since then Zuma's star has spectacularly risen - the corruption charges were dropped, he led the ANC to election victory and duly became President of South Africa, and his new cabinet and government appointments were generally well received. But he has also recently suffered a huge blow with revelations of another love-child, this time with the daughter of soccer supremo Irvine Khoza. Many of his supporters have distanced themselves from him, and Zuma is looking isolated. Pundits are once again wondering how long he'll survive as President. In this revised and updated edition, Jeremy Gordin takes the reader right up to present. He covers in detail the highs and lows of Zuma's past 18 months, including the final salvos of his legal battles, as well as his first year as President. New material in this edition also includes the 'Pedro' document (a document Zuma wrote in 1986), and accurate information on his wives and children.

The Zuma Years Richard Calland, 2013-08-16 The face of power in South Africa is rapidly changing - for better and for worse. The years since Thabo Mbeki was swept aside by Jacob Zuma's 'coalition of the wounded' have been especially tumultuous, with the rise and fall of populist politicians such as Julius Malema, the terrible events at Marikana, and the embarrassing Guptagate scandal. What lies behind these developments? How does the Zuma presidency exercise its power? Who makes our foreign policy? What goes on in cabinet meetings? What is the state of play in the Alliance - is the SACP really more powerful than before? And, as the landscape shifts, what

are the opposition's prospects? In *The Zuma Years*, Richard Calland attempts to answer these questions, and more, by holding up a mirror to the new establishment; by exploring how people such as Malema, Chief Justice Mogoeng Mogoeng and DA parliamentary leader Lindiwe Mazibuko have risen so fast; by examining key drivers of transformation in South Africa, such as the professions and the universities; and by training a spotlight on the toxic mix of money and politics. *The Zuma Years* is a fly-on-the-wall, insider's approach to the people who control the power that affects us all. It takes you along the corridors of government and corporate power, mixing solid research with vivid anecdote and interviews with key players. The result is an accessible yet authoritative account of who runs South Africa, and how, today.

Da Zuma Code Zapiro, 2006 Contains the eleventh annual collection of Zapiro cartoons from the Mail, Guardian, Sunday Times and Independent newspapers.

Woman in the Wings Carien du Plessis, 2017-10-01 As a longstanding cabinet minister, chairperson of the African Union Commission and ANC presidential hopeful, Nkosazana Dlamini Zuma has always been in the public eye, but to many people this media-averse politician remains an enigma. Praised by some and criticised by others, and variously described as 'undiplomatic' and 'one of the continent's best political operators', it is difficult for the public to form an opinion of her. In this book, journalist Carien du Plessis investigates Dlamini Zuma's life and career, tracking her early years, education and involvement in the struggle; her role as a cabinet minister under all four presidents of democratic South Africa; and her achievements as AU Commission chairperson. The book considers her feminism and political philosophy; tracks her presidential ambitions and campaigning; and

explores how her personal relationship with one of her most important backers, President Jacob Zuma, has influenced her. Whatever role she takes up next within the ANC, Dlamini Zuma has a part to play in South Africa's political future. *Woman in the Wings* is a fascinating insight into what type of leader she may one day become.

In The Shadow of Mandela Alexander

Johnston,2019-12-12 This outstanding and original work goes to the heart of South Africa's political problems - doubts as to the sustainability of the post-apartheid settlement, beset with divisions in the ruling ANC, factionalism, corruption and the widening of fault-lines in state and society. The 'leadership issue' has become key and this will be the first specific examination of leadership in the light of Mandela's legacy and its effect on his successor as potential and actual leaders - all in 'the shadow of Mandela' as the architect of the transition from apartheid to democracy, and with overarching moral authority and international reputation. Alexander Johnston shows how his successors are judged against Mandela's achievements, including the potentially impressive 'lost' leaders and concentrating on his immediate successors, Thabo Mbeki and Jacob Zuma. The book concludes with an in-depth assessment of new president Cyril Ramaphosa's potential to be a leader for a 'new dawn'. This is an objective and critical work by a close observer who acknowledges the achievement of South African leadership but is acutely aware of the doubts as to the sustainability of South Africa's hard won democratic settlement. An essential read for all readers interested in leadership and in the traumatic history and future of Africa's leading state, as the continent rises to global importance.

My Name Is Zuma Isaac Osae-Brown,2019-10-31
Zuma is a 12-year-old boy with autism, from California. Sometimes, Zuma feels discouraged because he is not as popular among the kids in his community. His potential is trapped; locked inside his mind. While other kids can describe their thoughts with words, Zuma thinks in pictures. He struggles with words, and has a hard time expressing himself. His dad is stressed out, and unhappy. Luckily, help comes from professionals who know the perfect strategy to bring out Zuma's potential to read, speak, and play. They understand that Zuma is not the only one who is different; everyone is. They help Zuma and his family to understand that individuals with disabilities are just as capable as everyone else. Zuma confronts his fears, and ultimately, sets the stage for inclusive education.

Zuma Jeremy Gordin,2010 A revised and up-to-date biography of Jacob Zuma, including his legal battles and his first year as President of South Africa.

Enemy of the People Adriaan Basson,Pieter du Toit,2017-11-07 Enemy of the People is the first definitive account of Zuma's catastrophic misrule, offering eyewitness descriptions and cogent analysis of how South Africa was brought to its knees - and how a people fought

back. When Jacob Zuma took over the leadership of the ANC one muggy Polokwane evening in December 2007, he inherited a country where GDP was growing by more than 6% per annum, a party enjoying the support of two-thirds of the electorate, and a unified tripartite alliance. Today, South Africa is caught in the grip of a patronage network, the economy is floundering and the ANC is staring down the barrel of a defeat at the 2019 general elections. How did we get here? Zuma first brought to heel his party, Africa's oldest and most revered liberation movement, subduing and isolating dissidents associated with his predecessor Thabo Mbeki. Then saw the emergence of the tenderpreneur and those attempting to capture the state, as well as a network of family, friends and business associates that has become so deeply embedded that it has, in effect, replaced many parts of government. Zuma opened up the state to industrial-scale levels of corruption, causing irreparable damage to state enterprises, institutions of democracy, and the ANC itself. But it hasn't all gone Zuma's way. Former allies have peeled away. A new era of activism has arisen and outspoken civil servants have stepped forward to join a cross-section of civil society and a robust media. As a divided ANC square off for the elective conference in December, where there is everything to gain or to lose, award-winning journalists Adriaan Basson and Pieter du Toit offer a brilliant and up-to-date account of the Zuma era.
