William Stearns Davis

Like Flies from Afar K. Ferrari,2020-03-24 This novel should come not with blurbs but with a hazardous-material warning: There's bone and gristle here, be ready for that taste in your mouth you can't spit out. First words to last, it's strong stuff. —James Sallis, author of *Drive* The first novel to appear in English by the subway janitor by night, novelist by day, who began his writing career while an undocumented immigrant in the United States, *Like Flies from Afar* will demonstrate why K. Ferrari is already an award-winning star of international crime fiction. A hardboiled noir thriller, a whodunit, a black comedy, and a filthy catalog of the excesses of wealth, this is a Jim Thompson novel for the globalized world. Mr. Luis Machi is an unforgettably loathsome and hilarious Argentinian oligarch who made his fortune collaborating with the worst elements of society—parasites, pushers, and secret policemen. He has a cocaine habit, a collection of three hundred ties, ten million dollars in the bank, and a bloody corpse in the trunk of his BMW . . . but as far as the body goes, he's completely innocent. He has no idea who the victim could be, or who among his many, many enemies might be trying to frame him for murder, and he doesn't have much time to find out . . . The profane and uproarious *Like Flies from Afar* follows Machi through twenty-four hours of his eventful life—one full day in which to solve this mystery, or at least to make sure he isn't the one to take the fall.

Those Who from Afar Look Like Flies Luigi Ballerini,Giuseppe Cavatorta,2017-08-28 *Those Who from Afar Look Like Flies* is an anthology of poems and essays that aims to provide an organic profile of the evolution of Italian poetry after World War II. Beginning with the birth of *Officina* and *Il Verri*, and culminating with the crisis of the mid-seventies, this tome features works by such poets as Pasolini, Pagliarini, Rosselli, Sanguineti and Zanzotto, as well as such forerunners as Villa and Cacciari. Each section of this anthology, organized chronologically, is preceded by an introductory note and documents every stylistic or substantial change in the poetics of a group or individual. For each poet, critic, and translator a short biography and bibliography is also provided.

Drop Dead Like Flies Portia Stanton-Noble,2023-08-18 An hour's drive from the small town of Brumby Flat, a new murder mystery gradually reveals itself in a place where hushed whispers of lost people, secret loves and big ambitions collide and spark. Senior Detective Phillip Duncan is forced to come to terms with a personal tragedy which happened within Beecham's Bridge National Park over 30 years ago. As the thirty-second and third anniversary of the Park's infamous folk festival begins, pure evil returns. When folk music legend Hannah Dee Wainwright arrives, her 'Diva' behavior rocks the festival staff and locals alike which leads to a quick earthly dispatch. Duncan encounters a motley new band of likely suspects. Banksia Ava Peterson is a 20-something dynamo who runs the family roadhouse and motel single handed, dreaming of a better life somewhere far away. There's the worldly new partner Duncan must learn to work with. And to add to Duncan's inner turmoil, sparks fly with a sexy young firefighter which will test his new relationship, just as the body count starts to rise around him. A cold-blooded killer is on the loose in the National Park and no one is safe. Is Detective Duncan too close to the truth this time to see the wood for the trees? >

Walking through Fire Nawal El Saadawi,2013-04-04 In *A Daughter of Isis*, Nawal El Saadawi painted a beautifully textured portrait of the childhood that moulded her into a novelist and fearless campaigner for freedom and the rights of women. *Walking through Fire* takes up the story of her extraordinary life. Famous for her novels, short stories and writings on women, Saadawi is known as the first Arab woman to have written about sex and its relation to economics and politics. Imprisoned under Sadat for her opinions, she has continued to fight against all forms of discrimination based on class, gender, nationality, race or religion. This autobiography shows the passion for justice that has shaped her life and her writing. We read about her as a rural doctor, trying to help a young girl escape from a terrible fate imposed on her by a brutal male tyranny. We follow her attempts to set up women's organizations and to publish magazines later banned by the authorities or endangered by fundamentalist threats. We travel with her into exile after the publication of her name on a death list. We witness her first marriage to a freedom fighter hounded into drug addiction by a system that has no mercy. We share her struggle against her 'false self' and a second husband who offers her financial security and comfort - provided she stops writing. We live the beautiful moments of her third marriage with a man released after fourteen years of imprisonment and hard labour - their love, companionship and shared struggle. Nawal El Saadawi has carved a place for herself in the universal struggle against oppression. 'Words should not seek to please, to hide the wounds in our bodies, or the shameful moments in our lives', she says. 'They may hurt, give us pain, but they can also provoke us to question what we have accepted for thousands of years.'

Flashback Ted Wood,2014-04-01 Chief Reid Bennett and his "super-sleuth" dog tackle the crimes of Murphy's Harbor in this "fairly sturdy, small-town tale, with quiet appeal" (Kirkus Reviews). In tiny Murphy's Harbour, where Reid Bennett serves as the one-man police force, questions and dead bodies tend to pile up all at once. The morning starts with Reid chasing off a gang of threatening teens with a baseball bat. Minutes later, Reid learns that a bank robber might be headed his way looking for vengeance. But the day does not really start rolling until Reid finds a dead woman in the trunk of a waterlogged car. What follows is a fast-paced thriller involving rich lawyers, a questionable movie producer, and quite a few shifting identities. Everyone seems to be circling everyone else in a complicated orbit of sex and money. Can all these events be tied together?

British Bombing Policy During the Second World War Hubert Raymond Allen ,2017-01-20 This book is unusual inasmuch as the author is not worried about being controversial. He wrote this work in a frank manner using his personal experience. In his preface he says: 'The experience of twenty-six years' commissioned service in the Royal Air Force, coupled with an enquiring mind, led me to write this book...'The book is not about the aircrews of Bomber Command. Operations are brushed over, operational fatigue hardly mentioned. Instead the book focuses on the policy and its wisdom. He does not raise the cry 'morality', and rightly points out that the activities indulged in by Hitler and Stalin were not pleasant. What he does do, with much relevant observation, is to point out what might have been achieved if British targeting policies had been thought through with greater intelligence. At the end in a helpful

appendix he quotes the post-war interrogation of Albert Speer:QUESTION: Which, at various periods of the war, caused most concern: British or American heavy bomber attacks, day or night attacks; and why?ANSWER: The American attacks, which followed a definite system of assault on industrial targets, were by far the most dangerous. It was in fact these attacks which caused the breakdown of the German armaments industry. The night attacks did not succeed in breaking the will to work of the civilian population...
