The Downstairs Girl Stacey Lee, 2019-08-13 A Reese's Book Club YA Pick and New York Times Bestseller From the critically acclaimed author of *Luck of the Titanic*, *Under a Painted Sky*, and *Outrun the Moon* comes a powerful novel about identity, betrayal, and the meaning of family. By day, seventeen-year-old Jo Kuan works as a lady's maid for the cruel daughter of one of the wealthiest men in Atlanta. But by night, Jo moonlights as the pseudonymous author of a newspaper advice column for the genteel Southern lady, Dear Miss Sweetie. When her column becomes wildly popular, she uses the power of the pen to address some of society's ills, but she's not prepared for the backlash that follows when her column challenges fixed ideas about race and gender. While her opponents clamor to uncover the secret identity of Miss Sweetie, a mysterious letter sets Jo off on a search for her own past and the parents who abandoned her as a baby. But when her efforts put her in the crosshairs of Atlanta's most notorious criminal, Jo must decide whether she, a girl used to living in the shadows, is ready to step into the light. With prose that is witty, insightful, and at times heartbreaking, Stacey Lee masterfully crafts an extraordinary social drama set in the New South. This vividly rendered historic novel will keep readers riveted as witty, observant Jo deals with the dangers of questioning power. --The Washington Post Holds a mirror to our present issues while giving us a detailed and vibrant picture of life in the past. --The New York Times A joyful read . . . The Downstairs Girl, for all its serious and timely content, is a jolly good time. --NPR

A Noise Downstairs Linwood Barclay, 2018-07-24 The New York Times bestselling author of *No Time for Goodbye* returns with a haunting psychological thriller that blends the twists and turns of Gillian Flynn with the driving suspense of Harlan Coben, in which a man is troubled by odd sounds for which there is no rational explanation. College professor Paul Davis is a normal guy with a normal life. Until, driving along a deserted road late one night, he surprises a murderer disposing of a couple of bodies. That's when Paul's normal existence is turned upside down. After nearly losing his own life in that encounter, he finds himself battling PTSD, depression, and severe problems at work. His wife, Charlotte, desperate to cheer him up, brings home a vintage typewriter—complete with ink ribbons and heavy round keys—to encourage him to get started on that novel he's always intended to write. However, the typewriter itself is a problem. Paul swears it's possessed and types by itself at night. But only Paul can hear the noise coming from downstairs; Charlotte doesn't hear a thing. And she worries he's going off the rails. Paul believes the typewriter is somehow connected to the murderer he discovered nearly a year ago. The killer had made his victims type apologies to him before ending their lives. Has another sick twist of fate entwined his life with the killer—could this be the same machine? Increasingly tormented but determined to discover the truth and confront his nightmare, Paul begins investigating the deaths himself. But that may not be the best thing to do. Maybe Paul should just take the typewriter back to where his wife found it. Maybe he should stop asking questions and simply walk away while he can. . . .

Downstairs Theresa Rebeck, 2019 What happens when a brilliant lost soul comes to stay in his sister's basement and refuses to leave? And if the menacing brother-in-law doesn't approve? In a dog-eat-dog world, these siblings find a haven of sorts in an unfinished basement as they attempt to make sense of the past and negotiate how to move forward into the future.

Stories from the Tenants Downstairs Sidik Fofana, 2023-08 Finalist for the Gotham Book Prize, the Los Angeles Times Art Seidenbaum Award, and the Ernest J. Gaines Award for Literary Excellence * Longlisted for the Story Prize Named a BEST BOOK OF THE YEAR by NPR, Kirkus Reviews, Library Journal, Chicago Review of Books, LitHub, and Electric Lit "A standout achievement...American speech is an underused commodity in contemporary fiction and it's a joy to find such a vital example of it here." —The Wall Street Journal From a superb new literary talent, a rich, lyrical collection of stories about a tight-knit cast of characters grappling with their own personal challenges while the forces of gentrification threaten to upend life as they know it. At Banneker Terrace, everybody knows everybody, or at least knows of them. Longtime tenants' lives are entangled together in the ups and downs of the day-to-day, for better or for worse. The neighbors in the unit next door are friends or family, childhood rivals or enterprising business partners. In other words, Harlem is home. But the rent is due, and the clock of gentrification—never far from anyone's mind—is ticking louder now than ever. In eight interconnected stories, Sidik Fofana conjures a residential community under pressure. There is Swan, in apartment 6B, whose excitement about his friend's release from prison jeopardizes the life he's been trying to lead. Mimi, in apartment 14D, hustles to raise the child she had with Swan, waitressing at Roscoe's and doing hair on the side. And Quanneisha B. Miles, in apartment 21J, is a former gymnast with a good education who wishes she could leave Banneker for good, but can't seem to escape the building's gravitational pull. We root for the tight-knit cast of characters as they weave in and out of one another's narratives, working to escape their pasts and blaze new paths forward for themselves and the people they love. All the while we brace, as they do, for the challenges of a rapidly shifting future. *Stories from the Tenants Downstairs* brilliantly captures the joy and pain of the human experience in this "singular accomplishment from a writer to watch" (Library Journal, starred review).

Nana Upstairs and Nana Downstairs Tomie dePaola, 1997-12-29 his wonderful generational story, a classic in its own right, celebrates its twenty-fifth anniversary in a new, full-color edition, joining the other appealing picture books in which Tomie draws upon his childhood memories. In re-creating the art, Tomie says, "Creating this art was as emotional an experience for me now as it was then." In a quietly touching story the author-illustrator depicts loving family relationships so that even the very young reader can understand the concept. -- Publishers Weekly Children will want to hear this again and again...? -- School Library Journal (starred review)

The Downstairs Neighbor Helen Cooper,2021-02-16 An addicting and twisty debut about an apartment building devastated by the disappearance of a teenage girl--and by the secrets that won't be kept behind each closed door--that will thrill fans of Lisa Jewell and Shari Lapena. One House. Three Families. Countless Secrets. From her downstairs apartment in suburban London, Emma has often overheard the everyday life of the seemingly perfect family upstairs--Steph, Paul and teenage daughter Freya--but has never got to know them. Until one day, she hears something that seizes her attention: Freya has vanished and the police are questioning Steph and Paul about their life. Do either of you have any enemies? Anyone who might want to harm or threaten you? The effects of Freya's disappearance ripple outward, affecting not just her parents, but everyone who lives in the building, including Emma and local driving instructor Chris, who was the last person to see the teenager before she went missing. Each character's life is thrown into sharp focus as devastating mistakes and long-held secrets are picked apart and other crimes come to light--including a child gone missing twenty-five years earlier, and a shocking murder--that make clear that the past never stays where we leave it, and that homes can be built on foundations of lies.

It's when he gives his mother's apartment to Teddie Jessup, a mentor of his and longtime resident, he gets the attention of Blue Callen, a spare but strong man in his thirties whom his mother had verbally promised said apartment to. The Monk Downstairs Tim Farrington,2010-06-17 Rebecca Martin is a single mother with an apartment to rent and a sense that she has used up her illusions. I had the romantic thing with my first husband, thank you very much, she tells a hapless suitor. I'm thirty-eight years old, and I've got a daughter learning to read and a job I don't quite like. I don't need the violin music. But when the new tenant in her in-law apartment turns out to be Michael Christopher, on the lam after twenty years in a monastery and smack dab in the middle of a dark night of the soul, Rebecca begins to suspect that she is not as thoroughly disillusioned as she had thought. Her daughter, Mary Martha, is delighted with the new arrival, as is Rebecca's mother, Phoebe, a rollicking widow making a new life for herself among the spiritual eccentrics of the coastal town of Bolinas. Even Rebecca's best friend, Bonnie, once a confirmed cynic in matters of the heart, urges Rebecca on. But none of them, Rebecca feels, understands how complicated and dangerous love actually is. As her unlikely friendship with the ex-monk grows toward something deeper, and Michael wrestles with his despair while adjusting to a second career flipping hamburgers at McDonald's, Rebecca struggles with her own temptation to hope. But it is not until she is brought up short by the realities of life and death that she begins to glimpse the real mystery of love, and the unfathomable depths of faith. Beautifully written and playfully engaging, this novel. is about one man wrestling with his yearning for a life of contemplation and the need for a life of action in the world. But it's Rebecca's spirit, as well as her relationships with Mary Martha, Phoebe, her irresponsible surfer ex-husband Rory -- and, of course, the monk downstairs -- that makes this story shine.

The Room Downstairs Brian C Johnson,2016-06-15 Sam is a twenty-something who never quite grew out of her tomboy phase. Rejected by her own mother, Sam is taken in by Miss Bea, her best friend's mother, who gives her a room in the basement and promises to protect her, even from her own lesbian ways. Following Miss Bea's unexpected death, a young couple buys the home. Their newborn son faces numerous health concerns, including a chronic and potentially fatal allergy to sunlight. Darius spends the greater portion of his young life confined to a basement playroom, while his disinterested parents lead their own lives, leaving Darius to create his own little world of adventure. Neither Derek, an up-and-coming author, nor Danielle, a housewife struggling to find peace with her husband's newfound notoriety and lengthy and somewhat furtive absences, seem to bat an eyelash at Darius' imaginative exploits with his friend, Sam, who lives in the basement.
