

Dr Doodah 100 First Things Basic 12

Jean Smith

Johnny Mercer Glenn T. Eskew,2013-11-15 John Herndon “Johnny” Mercer (1909-76) remained in the forefront of American popular music from the 1930s through the 1960s, writing over a thousand songs, collaborating with all the great popular composers and jazz musicians of his day, working in Hollywood and on Broadway, and as cofounder of Capitol Records, helping to promote the careers of Nat “King” Cole, Margaret Whiting, Peggy Lee, and many other singers. Mercer’s songs—sung by Bing Crosby, Billie Holiday, Judy Garland, Frank Sinatra, Ella Fitzgerald, Tony Bennett, Lena Horne, and scores of other performers—are canonical parts of the great American songbook. Four of his songs received Academy Awards: “Moon River,” “Days of Wine and Roses,” “On the Atchison, Topeka, and the Santa Fe,” and “In the Cool, Cool, Cool of the Evening.” Mercer standards such as “Hooray for Hollywood” and “You Must Have Been a Beautiful Baby” remain in the popular imagination. Exhaustively researched, Glenn T. Eskew’s biography improves upon earlier popular treatments of the Savannah, Georgia-born songwriter to produce a sophisticated, insightful, evenhanded examination of one of America’s most popular and successful chart-toppers. Johnny Mercer: Southern Songwriter for the World provides a compelling chronological narrative that places Mercer within a larger framework of diaspora entertainers who spread a southern multiracial culture across the nation and around the world. Eskew contends that Mercer and much of his music remained rooted in his native South, being deeply influenced by the folk music of coastal Georgia and the blues and jazz recordings made by black and white musicians. At Capitol Records, Mercer helped redirect American popular music by commodifying these formerly distinctive regional sounds into popular music. When rock ‘n’ roll diminished opportunities at home, Mercer looked abroad, collaborating with international composers to create transnational songs. At heart, Eskew says, Mercer was a jazz musician rather than a Tin Pan Alley lyricist, and the interpenetration of jazz and popular song that he created expressed elements of his southern heritage that made his work distinctive and consistently kept his music before an approving audience.

Lion Lessons Jon Agee,2016-07-05 With the wit and read-aloud appeal of Peter Brown’s Children Make Terrible Pets and William Steig’s Pete’s a Pizza, this funny, fierce picture book teaches kids just what it takes to be a great lion There are seven steps to becoming a proper lion, including Looking Fierce, Roaring, Prowling Around, and Pouncing. Our young hero, a rather meek and scrawny human boy, does his best to learn the necessary skills during his training with a master instructor (who just happens to be a real lion). After a grueling set of lessons, the boy discovers that that the final step—Looking Out for Your Friends—is the most important of all. That’s how any kid can earn his lion diploma (not to mention the affection of every cat in town).

Dream On John Richardson,2010-04-07 The author describes his life and his determination to meet the demands of being a good father, run a business, and break par in golf within a year.

The House at Pooh Corner Alan Alexander Milne,1928 Ten adventures of Pooh, Eeyore, Tigger, Piglet, Owl, and other friends of Christopher Robin.

Paco's Story Larry Heinemann,2010-05-05 Paco Sullivan is the only man in Alpha Company to survive a cataclysmic Viet Cong attack on Fire Base Harriette in Vietnam. Everyone else is annihilated. When a medic finally rescues Paco almost two days later, he is waiting to die, flies and maggots covering his burnt, shattered body. He winds up back in the US with his legs full of pins, daily rations of Librium and Valium, and no sense of what to do next. One evening, on the tail of a rainstorm, he limps off the bus and into the small town of Boone, determined to find a real job and a real bed—but no matter how hard he works, nothing muffles the anguish in his mind and body. Brilliantly and vividly written, Paco’s Story—winner of a National Book Award—plunges you into the violence and casual cruelty of the Vietnam War, and the ghostly aftermath that often dealt the harshest blows.

Cradle Arthur C. Clarke,Gentry Lee,2011-09-29 When the US Navy's new, state-of-the-art missile disappears after its test launch, panic ensues - if it ends up anywhere near civilians, the consequences could be massive. Where has it gone? What has happened? Seemingly unconnected, journalist Carol Dawson is investigating the unusual sightings of whales in Miami, which may or may not be linked to the missing rocket. Armed with Oceanographic research equipment, Carol charts a boat skippered by Nick Williams and Jefferson Troy and heads to the Gulf of Mexico. What they find can barely be explained but could be worth untold riches. While Carol, Nick and Jefferson attempt to uncover the origin of the mysterious artefact they have discovered, they must dodge treasure hunters, the government, and consider the origin of humanity itself. Is this the First Contact? Or is it the last?

Miss O'Dell Chris O'Dell,2009-10-06 CHRIS O'DELL WASN'T FAMOUS. SHE WASN'T EVEN ALMOST FAMOUS. BUT SHE WAS THERE. * She was in the studio when the Beatles recorded The White Album, Abbey Road, and Let It Be, and she sang in the “Hey Jude” chorus. * She lived with George Harrison and Pattie Boyd and unwittingly got involved in Pattie’s famous love story with Eric Clapton. * She’s the subject of Leon Russell’s “Pisces Apple Lady.” * She worked for the Rolling Stones on their infamous 1972 tour and did a drug run for Keith Richards. * She’s “the woman down the hall” in Joni Mitchell’s song “Coyote,” the “mystery woman” pictured on the Stones album Exile on Main Street, and the “Miss O’Dell” of George Harrison’s song. The remarkable, intimate story of an ordinary woman who lived the dream of millions—to be part of rock royalty’s inner circle—Miss O’Dell is a backstage pass to some of the most momentous events in rock history.

A Long Strange Trip Dennis McNally,2007-12-18 The complete history of one of the most long-lived and legendary bands in rock history, written by its official historian and publicist—a must-have chronicle for all Dead Heads, and for students of rock and the 1960s’ counterculture. From 1965 to 1995, the Grateful Dead flourished as one of the most beloved, unusual, and accomplished musical entities to ever grace American culture. The creative synchronicity among Jerry Garcia, Bob Weir, Phil Lesh, Bill Kreutzmann, Mickey Hart, and Ron “Pigpen” McKernan exploded out of the artistic ferment of the early sixties’ roots and folk scene, providing the soundtrack for the Dionysian revels of the counterculture. To those in the know, the Dead was an ongoing tour de force: a band whose constant commitment to exploring new realms lay at the center of a thirty-year journey through an ever-shifting array of musical, cultural, and mental landscapes. Dennis McNally, the band’s historian and publicist for more than twenty years, takes readers back through the Dead’s history in A Long Strange Trip. In a kaleidoscopic narrative, McNally not only chronicles their experiences in a fascinatingly detailed fashion, but veers off into side trips on the band’s intricate stage setup, the magic of the Grateful Dead concert experience, or metaphysical musings excerpted from a conversation among band members. He brings to vivid life the Dead’s early days in late-sixties San Francisco—an era of astounding creativity and change that reverberates to this day. Here we see the group at its most raw and powerful, playing as the house band at Ken Kesey’s acid tests, mingling with such legendary psychonauts as Neal Cassady and Owsley “Bear” Stanley, and performing the alchemical experiments, both live and in the studio, that produced some of their most searing and evocative music. But McNally carries the Dead’s saga through the seventies and into the more recent years of constant touring and incessant musical exploration, which have cemented a unique bond between performers and audience, and created the business enterprise that is much more a family than a corporation. Written with the same zeal and spirit that the Grateful Dead brought to its music for more than thirty years, the book takes readers on a personal tour through the band’s inner circle, highlighting its frenetic and very human faces. A Long Strange Trip is not only a wide-ranging cultural history, it is a definitive musical biography.

The Illustrated London News ,1861

The Beginner's Guide to Walking the Buddha's Eightfold Path Jean Smith,2007-12-18 “Writing a ‘nuts and bolts’ guide that is genuinely wise, charmingly conversational, and a pleasure to read requires a particular talent, and Jean Smith has proved once again that she has it.”—Sylvia Boorstein, author of Don’t Just Do Something, Sit There The third of Jean Smith’s Beginner’s Guides focuses on the Buddha’s Eightfold Path—the concepts central to practicing the Buddha’s teachings in daily life. The eight steps on the path are: right understanding, thought, speech, action, livelihood, effort, mindfulness, and concentration. Smith explains exactly what the Buddha had in mind, using translations of his own words and then elucidating them for us. Throughout the book are wonderful quotes from a broad range of Buddhist teachers, giving a taste of the very best each of them has to offer. The Beginner’s Guide to Walking the Buddha’s Eightfold Path is a prescription for happiness, not just for overcoming suffering, which is how many people think of Buddhism. Here is a book for

Buddhists of every tradition.

Butch Harmon's Playing Lessons Claude Harmon, John Andrisani, 1999 Tiger Woods turns to him for advice. Shouldn't you? Whether you're an aspiring pro or just a weekend hacker, you too can benefit from the hottest teacher in golf today -- the man who helped Tiger hone his skills. Presenting strategies for golfers of all levels, Butch Harmon shows you: HOW TO APPROACH EACH HOLE HOW TO PLAY TO YOUR STRENGTHS WHEN TO TAKE RISKS, AND WHEN TO AVOID THEM AND MUCH MORE! To make his lessons more fun and more challenging, Harmon has selected eighteen holes from America's greatest courses to illustrate his techniques. Packed with full-color photos and diagrams, Butch Harmon's Playing Lessons fulfills every golfer's dream -- the chance to play legendary holes in the company of a world-renowned pro.

Llama Llama Zippity-Zoom Anna Dewdney, 2012-05-01 Llama Llama ZIP! Llama Llama ZOOM! Llama Llama Red Pajama VROOM, VROOM, VROOM! On the playground, Llama goes fast! Llama zips by on his scooter and swishes down the slide--whoosh! Younger audiences will love doing as Llama does in this supremely adorable fourth board book.

Salvation Crystal Clear Curtis Hutson, 2000-08

Skylark Philip Furia, 2004-12-09 Skylark is the story of the tormented but glorious life and career of Johnny Mercer, and the first biography of this enormously popular and influential lyricist. Raised in Savannah, Mercer brought a quintessentially southern style to both his life in New York and to his lyrics, which often evoked the landscapes and mood of his youth (Moon River, In the Cool, Cool, Cool of the Evening). Mercer also absorbed the music of southern blacks--the lullabies his nurse sang to him as a baby and the spirituals that poured out of Savannah's churches--and that cool smooth lyrical style informed some of his greatest songs, such as That Old Black Magic. Part of a golden guild whose members included Cole Porter and Irving Berlin, Mercer took Hollywood by storm in the midst of the Great Depression. Putting words to some of the most famous tunes of the time, he wrote one hit after another, from You Must Have Been a Beautiful Baby to Jeepers Creepers and Hooray for Hollywood. But it was also in Hollywood that Mercer's dark underside emerged. Sober, he was a kind, generous and at times even noble southern gentleman; when he drank, Mercer tore into friends and strangers alike with vicious abuse. Mercer's wife Ginger, whom he'd bested Bing Crosby to win, suffered the cruelest attacks; Mercer would even improvise cutting lyrics about her at parties. During World War II, Mercer served as America's troubadour, turning out such uplifting songs as My Shining Hour and Accent-tchu-ate the Positive. He also helped create Capitol Records, the first major West Coast recording company, where he discovered many talented singers, including Peggy Lee and Nat King Cole. During this period, he also began an intense affair with Judy Garland, which rekindled time and again for the rest of their lives. Although they never found happiness together, Garland became Mercer's muse and inspired some of his most sensuous and heartbreaking lyrics: Blues in the Night, One for My Baby, and Come Rain or Come Shine. Mercer amassed a catalog of over a thousand songs and during some years had a song in the Top Ten every week of the year--the songwriting equivalent of Joe DiMaggio's hitting streak--but was plagued by a sense of failure and bitterness over the big Broadway hit that seemed forever out of reach. Based on scores of interviews with friends, family and colleagues, and drawing extensively on Johnny Mercer's letters, papers and his unpublished autobiography, Skylark is an important book about one of the great and dramatic characters in 20th century popular music.

Don't Choke Gary Player, 2010-06-09 Gary Player is one of golf's greatest champions. As one of the "Big Three" of golf's golden era (with Jack Nicklaus and Arnold Palmer), he helped launch golf as a major international sport. He sits fourth on the list of most major victories on the PGA Tour and built a reputation of being fearless on the course and steely on the greens. Don't Choke is his look at what it takes to achieve success when the pressure is on. Player explains how and why he became a champion and what it takes to win in big-time golf, but he also explains how learning to cope in pressure situations can help anyone. He will review the most pressure-packed situations in his eighteen major victories and how he managed to succeed when things were most tense. But this book is not all about golf. Player has had a long successful career in business since his playing days--designing golf courses, marketing golf equipment and sportswear, and more. If you want to do better in a boardroom or in your next job interview, Player's advice will help. This personal glimpse into the mind of a champion offers lessons to everyone who has to face pressure--and today that is all of us. "Gary is one the greatest competitors who ever played the game."--Arnold Palmer

My Name Is Love Darlene Love, 2013-06-25 Featured in the film Twenty Feet From Stardom, the woman whose voice the New York Times said is as embedded in the history of rock 'n' roll as Eric Clapton's guitar and Bob Dylan's lyrics tells her story Right out of high school, Darlene Love began singing lead vocals for legendary producer Phil Spector, cutting such classic hits as the number one He's a Rebel, Da Doo Ron Ron, and He's Sure the Boy I Love. As part of the girl group the Blossoms, she held a regular spot on television's Shindig!, and with Bob B. Soxx & the Blue Jeans she toured the country. Later, she sang backup--and collected numerous scintillating backstage stories--with, among others, Dionne Warwick, the Mamas and the Papas, and Sonny and Cher. Now in My Name Is Love, Darlene is ready to tell her tales about Elvis coming on to her backstage during his famous '68 Comeback Special, about wild parties she witnessed at Tom Jones's house, and about her love affair with Bill Medley of the Righteous Brothers. She also recalls how she found herself cleaning houses in Beverly Hills, heard herself on the radio, and vowed to make a comeback. That comeback has included roles in all of the Lethal Weapon movies, starring roles on Broadway, and headlining concert appearances worldwide. A dishy, behind-the-scenes showbiz memoir, My Name Is Love is also the inspiring story of a woman who refused to give up.
