Dictate Your Book Monica Leonelle, 2021-01-05
Ready to get on board with dictation (finally)? Like many tools that have come before it, dictation is a new and exciting opportunity to write better, faster, and smarter. But many writers still believe it's not for them. Perhaps they've tried it in the past and it hasn't worked. Or perhaps this new technology is confusing, expensive, or frustrating and that's held them back from taking advantage of it. If you're ready to take the next step and learn a new skill set that will give you a huge advantage over what other authors are doing today, grab *Dictate Your Book* and start working through the challenges that are holding you back from reaping the benefits of dictation. It includes: - Why you need to get started with dictation, even if you tried it before and hated it! - All of Monica's best tips for making dictation work for you, whether you writing fiction or nonfiction - Every piece of equipment Monica recommends, plus half a dozen ways to test dictation before you buy - How to reimagine your writing process to accommodate dictation and how to get that clean draft easily - Monica's full setup for her innovative Walk 'n Talks which helped her hit 4,000+ words per hour For authors who are ready to take their productivity to the next level, this book will help you get started!

The Writer's Guide to Training Your Dragon Scott Baker, 2016-02-19 Want to dictate up to 5000 WORDS an hour? Want to do it with 99% ACCURACY from the day you start? NEW EDITION: UPDATED to cover the latest Dragon Professional Individual v15 for PC & v6 for Mac FREE video training included! As writers, we all know what an incredible tool dictation software can be. It enables us to write faster and avoid the dangers of RSI and a sedentary lifestyle. But many of us give up on

dictating when we find we can't get the accuracy we need to be truly productive. This book changes all of that. With almost two decades of using Dragon software under his belt and a wealth of insider knowledge from within the dictation industry, Scott Baker will reveal how to supercharge your writing and achieve sky-high recognition accuracy from the moment you start using the software. You will learn: - Hidden tricks to use when installing Dragon NaturallySpeaking on a Windows PC or Dragon Dictate for Mac; - How to choose the right microphone and set it up perfectly for speech recognition; - The little-known techniques that will ensure around 99% accuracy from your first install - and how to make this even better over time; - Setting up fail-safe dictation profiles with multiple microphones and voice recorders, without impacting your accuracy; - How to train the software to adapt to both your voice AND writing style and avoid your accuracy declining; - Strategies for achieving your entire daily word count in just one or two hours; - Many more tips and tricks you won't find anywhere else. At the end of the book, you'll also find an exclusive list of resources and links to FREE video training to take your knowledge even further. It's time to write at the speed of speech - and transform your writing workflow forever!
