The Shadow Dragon's Stream Peter Dressler,2012-06-06 Morrowshuck's loyalties are stretched between the Shadow dragons and a rogue Bright dragon he falls in love with. When the Shadow dragons unite with the humans to rid themselves of their common enemy, he knows he will be in battle against her kin; but he can't ignore what they did to her. Dr. Yen Sin #1: The Mystery of the Dragon's Shadow Donald E. Keyhoe,2016-06-25 Out of the teeming turbulent East had come Dr. Yen Sin--saffron-skinned wizard of crime--bringing to the capital of the West all the ancient Devil's-lore at his command--and a horde of Asian Hell-born to help him spawn it. But Michael Traile--The Man Who Never Slept--had crammed into his own keen brain the means to cope with the sinister doctor. For he knew even the secrets of the Dragon's Shadow and how to penetrate the

yellow murder fog that had descended on the capital to mingle its blood-wisps with the mist from the Potomac.

To save everyone she loves from imminent death, kitsune shapeshifter Yumeko gave up the final piece of the Scroll of a Thousand Prayers. Now she and her ragtag band of companions must make one desperate final effort to stop the Master of Demons from using the scroll to call the Great Kami Dragon and make the wish that will plunge the empire into chaos. Shadow clan assassin Kage Tatsumi has regained control of his body and agreed to a true deal with the devil—the demon inside him, Hakaimono. They will share his body and work with Yumeko to stop a madman, and to separate Hakaimono from Tatsumi and the cursed sword that trapped the demon for nearly a millennium. But even with their combined skills and powers, this unlikely team of heroes knows the forces of evil may be impossible to overcome. And there is another player in the battle for the scroll, a player who has been watching, waiting for the right moment to pull strings that no one even realized existed...until now. Demons and Dragons Sean M. Pummill, 2009-04
Let me begin; my story starts at the beginning of time. A Man, demon, dragon, each a different being but all intertwined. Neon is the leader of a group of protectors called the Dragon Masters of the nine planes of earth, twelve warriors created to destroy the demons that should never have walked the planet. In a battle through the ages these two groups clash in an epic tale known in full only to Fate. As the Dragon Masters fight against the Demon King who rules six of the nine planes that make up our world, they learn what it means to be true heroes. Each fighting against the odds, each fighting with guilt, love, death, power, and each searching for a way to stop a seemingly unstoppable army of evil. Neon leads and fights as one of these warriors with his second in command DaArtagnan and tries to overcome and destroy the powerful demons who almost rule our world. They do everything in their power to protect the creations of an unknown higher power. Is it possible that the secrets kept, the lessons learned, the battles fought, or the rules that are broken will be enough to ensure the Dragon Masters a victory over evil or will it all be for naught? We will fight and we will succeed. Promises. Guilt always seems the most powerful weapon one can wield against himself. Pain.

a Promise you all come back to me. a Love. alt is time to wage war openly once more; no more small battles or failed assassination attempts! a War!
