Drama Queen: One Autistic Woman and a Life of Unhelpful Labels Sara Gibbs, 2021-06-24 'It has taken me several years of exploration, but I am at a place now where I see autism as neither an affliction nor a superpower. It's just the blueprint for who I am. There is no cure, but that's absolutely fine by me. To cure me of my autism would be to cure me of myself.' During the first thirty years of her life, comedy script writer Sara Gibbs had been labelled a lot of things - a cry baby, a scaredy cat, a spoiled brat, a weirdo, a show off - but more than anything else, she'd been called a Drama Queen. No one understood her behaviour, her meltdowns or her intense emotions. She felt like everyone else knew a social secret that she hadn't been let in on; as if life was a party she hadn't been invited to. Why was everything so damn hard? Little did Sara know that, at the age of thirty, she would be given one more label that would change her life's trajectory forever. That one day, sitting next to her husband in a clinical psychologist's office, she would learn that she had never been a drama queen, or a weirdo, or a cry baby, but she had always been autistic. Drama Queen is both a tour inside one autistic brain and a declaration that a diagnosis on the spectrum, with the right support, accommodations and understanding, doesn't have to be a barrier to life full of love, laughter and success. It is the story of one woman trying to fit into a world that has often tried to reject her and, most importantly, it's about a life of labels, and the joy of ripping them off one by one.

Confessions of a Teenage Drama Queen Dyan Sheldon, 2010-08-10 Dyan Sheldon's vain, melodramatic, and utterly lovable Lola will appeal to any young reader who has angled for acceptance. Mary Elizabeth Cep (or Lola, as she prefers to be called) longs to be in the spotlight. But when she moves to New Jersey with her family and becomes a student at Dellwood Deadwood High, Lola discovers that the role of resident drama queen is already filled--by the Born-to-Win, Born-to-Run-Everything Carla Santini. Carla has always gotten everything she wants--that is, until Lola comes along and snags the lead in the school play. Can Lola survive Carla's attempts at retaliation? Will Lola and her best friend, Ella, find a way to crash their favorite band's concert hall and farewell party in New York City--to which Carla has already gained entrance? And once the curtain goes up on the school play, which drama queen will take center stage?

Drama Queen Susan Conley, 2009-03-05 Jane Boyers, sleek, gorgeous and highly successful TV executive, barely has time to eat and sleep, let alone keep up with old friends. Especially ones like Miranda, who has rejected glamorous New York in favour of settling with the love of her life in rural Ireland. But when Jane's career comes crashing down, her panicked response is to jump straight on a plane to Dublin and throw herself on Miranda's mercy. Life there is definitely not what Jane is used to, and the culture shock goes both ways. When she gets herself mixed up with an independent theatre company, her no nonsense American approach gets right up the natives' noses ? particularly the rather attractive nose of Shay Gallagher, the enthusiastic, if hopelessly disorganised director. And sparks really fly when Shay and Jane are forced to take the lead roles in the company's first production...

I haven't exactly worked before. But I'm motivated and I work well with others. Most others. Usually. Career Goals: I thought I was happy with Louis, but now I'm not sure. Salary Requirements: I need my own apartment (currently staying on friend's sofa) and a car. And I've always wanted a dog. Oh, and I definitely need a shopping trip. Elle Medina must be qualified for something other than shopping and causing trouble, but when she moves to Santa Barbara after the end of her engagement, what she's suited for isn't clear. Bartender? Private eye? Phone psychic? It seems like everything she tries ends in humiliation or legal action—or both. Her best friend is getting sick of her, her new boyfriend's a con artist and her creditors are on her trail. So why is this the happiest Elle's been in years?

Drama Queen La Drama Queen @la_drama_queen, 2022-05-11 - Una novela ilustrada basada en anécdotas, humor, amor, sexo, comedias y sobre todo dramas. ¡Mira que eres dramas! Cansada de que me digan siempre que querer es poder, que lo importante es que me ría de mí misma y que todo es más sencillo de lo que me imagino, me planto ante la vida y pienso: ¿solo yo tengo problemas? En un mundo de influencers de pacotilla y de princesas yo elegí ser una persona que se come el mundo antes de que el mundo me coma a mí,

aunque a veces tenga náuseas. Pero ¡cuidado! porque, sí, hablo de cosas de chicas y de chicos, de situaciones muy reales, de momentos alegres y de llanto, pero os lo digo alto y claro: todos y todas llevamos una Drama Queen dentro, solo hay que dejarla salir... Cuando una dramas escribe un diario, el resultado solo puede ser un relato muy gamberro y con mucho humor.

Don't Call Me a Drama Queen! Debra Mandel, 2008 Drama queens come from all walks of life, regardless of age, gender, race, sexuality or socioeconomic status. Drama queens perceive danger where there is none. They personalise things that aren't personal. They spend hours trying to control things they have no control over. This book provides solutions for those who are trapped in 'drama queen' mode. They learn how to say goodbye to unnecessary response styles that make them feel unhappy and stressed out. Partners also learn how to cope with - and understand - their behaviour, and learn how to support them.

I Am Drama Queen Vandana Singh, 2014-02-28 Saira is all of ten. She is a pampered and lively girl. Her best of times are spent with her besties at school. She has an opinion on almost everything and does not think twice before saying it way too loud. And yes, she does get carried away at times and exaggerates things well beyond their limits. But she has a good side too; she can feel sorry too. Her least favorite subject is math, and she wades through its treacherous numerical waves heroically. Of course, often during this, she makes a fool of herself! But hey! That's life. She walks along in her everyday life, being quizzical and humorous. It's a hilarious roller-coaster ride in which her mother seems to play the role of a hyperventilating person, an overworked woman when it comes to her kids. Her brother is younger than her and a real pain in the unmentionable (that's how she sees it). He is forever driving her up the wall, and his happiness at this drives her crazy. She has great bonding with her friends; it's like a small sisterhood. They have their own cool way of talking. The girls share all their craziness and even their distaste for the girl Mehar. Maddening schemes, and crazy playdates make her life fun. Share it with her! And maybe you'll find a little bit of someone you know reflecting in her.
