Show everyone how awesome your chibis are!

How to Draw AMAZING Hands Karen Campbell, 2020-02 Drawing hands is extraordinarily difficult, even for accomplished artists. This book teaches you a very simple and straightforward way to draw truly amazing, completely realistic-looking hands, and all in 6 simple steps! In her typical, laid back, easy-to-understand and conversational teaching style, Artist Karen Campbell once again makes it both easy and enjoyable for artists of all abilities to first understand and then successfully execute even the most hand difficult drawings in this book. Using a combination of humor and easy-to-follow steps, Karen teaches you ways to develop muscle memory, sharpen your observational skills, and draw and shade realistic hands in graphite. The 25 different hand gestures include a wide variety of poses from people of all ages (from babies to old men) so there is literally something in here for everyone. Artists of all abilities will also learn to successfully and easily create the look of those troublesome hand details that seem to always pop up like wrinkles, veins, creases, bumps, bones, tendons, arm hair, long nails and more...and all with just a handful of supplies! Never heard of Elephant Skin or The Poodge show up on people before? Well get ready, because not only are you about to learn what those are, you're about to learn how to draw them too!

Mastering Manga 3 Mark Crilley, 2016-08-29 Master the skills to create your very own manga! Expert manga artist Mark Crilley guides you to another level with this powered-up drawing book. Complete your Crilley collection with this third installation, which elevates the instruction to focus on drawing methods to help you create distinctive and detailed professional-level manga art. Through 40 in-depth step-by-step demonstrations not covered in other Mastering Manga books, Mark reveals his secrets for adding color, how to draw manga-style animals, ways to use photo reference, his preferred art supplies and how to fix character inconsistencies. The book is broken down into three sections: • Characters and Styles. Learn how to draw characters in every manga style--elegant Shoujo, angular Dark Fantasy, action-packed Shonen and cute cartoon. Includes non-human characters like animal familiars (realistic or chibi) and aliens. Break-out lessons focus on anatomy, hairstyles and all genres of clothing, from classic anime uniforms to fantasy costuming. • Poses and Action. Make your characters bold, memorable and full of vitality. Get the most out of your poses by learning how to create natural, standing and dynamic running poses, plus sword fights, romantic Shoujo interactions and stances for animals, manga monsters, chibi cuties and mech a robots. Advanced lessons include how to convey a sense of motion, tips on body language and

how to effectively using foreshortening. • **Finishing Touches.** Elevate your art with Mark's professional instruction on completing your comic. These final lessons include page layouts, logo design, how to place a character in a setting, correctly using dialogue and speech bubbles, advanced costume design (fantasy armor, wings, and more) and how to create attention-grabbing cover art. Manga is all about fresh concepts and fascinating characters. You've got ideas. You've invented new characters. There's a whole world waiting to see what you've come up with! --Mark Crilley

Framed Ink 2 Marcos Mateu-Mestre, 2020-12-18 The highly anticipated follow-up to Framed Ink from Marcos Mateu-Mestre, Framed Ink 2 provides insight into another compositional tool that Marcos uses every day to create his amazing artwork--the energy within the working frame. In each piece of art, regardless of its format, one must consider essential factors such as the push-pull, tension-relaxation, pressure-release, balance and imbalance that happen inside the working area to support our storytelling. All of these factors apply in any aspect ratio, whether it be horizontal, vertical or square, each a format to consider when working in the movie, gaming, animation and graphic novel industries, which in our day and age can be presented through a variety of outlets such as a movie theater, home theater, social media and a number of personal devices. Marcos encourages and educates us on how not to be limited by the format but to embrace and rise to the challenge of designing for each format. A perfect accompaniment to his prior releases Framed Ink, Framed Perspective Vol. 1 and Vol. 2 and Framed Drawing Techniques, this book will take a reader's knowledge base to the next level and allow them to build on their expertise as an effective visual storyteller.
