The Cat in the Hat. Dr. Seuss,1985 Two children sitting at home on a rainy day are visited by the cat who shows them some tricks and games.

Rube Goldberg and His Amazing Machines Brandon T. Snider,2021-11-16 The hilarious first book in an all-new illustrated middle-grade series starring young inventor Rube Goldberg—now in paperback Grab a wrench, flip a switch, and get ready to spring into this all-new, sidesplitting illustrated series featuring a young master of machines—Rube Goldberg! With summer gone too quickly, Rube must finally face what he's been dreading all vacation: middle school! He's not ready for new classes, new people, new everything—and it's really taking a toll on him. With his anxieties in full gear, all Rube wants to do is do what he does best: invent! When Principal Kim announces that the school is going to throw a Contraption Convention—Con Con—Rube is ready to show off his skills and get out of his funk! But things just can't seem to go right for Rube: He gets banned from Con Con, his friendships are strained, and weird, ghostly incidents begin to throw the town into total chaos. But Rube has a big solution to every little problem, and he's ready to get back on track, solve the ghostly mystery, and come up with something brilliant before it's time to face the judging table!

The Snow Lion Jim Helmore,2017-09-21 From the fabulous partnership of award-winning author Jim Helmore and the brilliant Richard Jones comes a stunning book about friendship. When Caro and her mum move to a new house, Caro becomes lonely. There's only so much exploring she can do by herself! It's not long though before she makes a new friend – The Snow Lion. He's as white as snow, and together they have fun playing hide and seek, chasing and sliding. However, it's soon time for Caro to venture out on her own . . . With a slightly magical, classic feel and a lovely message, *The Snow Lion* is a story which will appeal to children and parents alike, and the beautiful illustrations make this a book to treasure.

Ever Yours Vincent van Gogh,2014 In addition to his many remarkable paintings and drawings, Vincent van Gogh (1853-1890) left behind a fascinating and voluminous body of correspondence. This highly accessible

book includes a broad selection of 265 letters, from a total of 820 in existence, that focus on Van Gogh's relentless quest to find his destiny, a search that led him to become an artist; the close bond with his brother Theo; his fraught relationship with his father; his innate yearning for recognition; and his great love of art and literature. The correspondence not only offers detailed insights into Van Gogh's complex inner life, but also re-creates the world in which he lived and the artistic avant-garde that was taking hold in Paris. The letters are accompanied by a general introduction, historic family photographs, and reproductions of 100 actual letters that contain sketches by Van Gogh. In sum, this book is the essential book on Van Gogh's letters, which every art and literature lover needs to own.

Sketching Stuff Charlie O'Shields, 2018-11-22 Charlie O'Shields is the creator of Doodlewash®, founder of World Watercolor Month in July, and host of the Sketching Stuff podcast. Every single day, for over three years, he created a watercolor illustration and wrote a short essay about whatever came to mind that day and posted it on his blog. These are some of the collected favorites along with some brand new musings. With over 180 illustrations, this book is part personal memoir and sometimes just a randomly fun romp through the sillier bits of this crazy world we all inhabit. Written to take on the impossible task of inspiring creativity, unleashing your inner child, and instilling hope, it will, at the very least, make you smile and touch your heart.

Snapsy the Alligator (Did Not Ask to Be in This Book) Julie Falatko, 2016-02-02 Snapsy the alligator is having a normal day when a pesky narrator steps in to spice up the story. Is Snapsy reading a book ... or is he making CRAFTY plans? Is Snapsy on his way to the grocery store ... or is he PROWLING the forest for defenseless birds and fuzzy bunnies? Is Snapsy innocently shopping for a party ... or is he OBSESSED with snack foods that start with the letter P? What's the truth? Snapsy the Alligator (Did Not Ask to Be in This Book) is an irreverent look at storytelling, friendship, and creative differences, perfect for fans of Mo Willems.

Sketchbook Journal Space Doodle Marker Sketchbook, 2018-12-21 Sketching helps develop a number of different areas of your brain. The Benefits of Sketchbook Journal Sketching and drawing is a great way to improve your creative skills and start thinking in a different way. Art shows you that there is normally more than one way to solve a problem. Art encourages open ended thinking and creativity. These can be really helpful for personal development and solving problems. Skills you learn through sketching can be applied in a number of different areas in your life. Sketching helps develop a number of different areas of your brain. You develop your ability to focus and pay attention, a skill that can be very useful throughout your life and career. It also develops hand-eye coordination so that everyday tasks can become easier for you. But it also develops strategic thinking, something which everyone needs to be able to do some amount of. Sketching can even improve your holistic health. As you build

your self esteem and confidence through your art and your sketches as you become better and better. You will get a sense of achievement and start feeling proud of your art which you will carry that confidence through to the rest of your life. Having confidence in your work -whatever it is- is an incredibly useful thing to have. Rest and relaxation is one of the main advantages of sketching, as a hobby. Sketching allows you to sit back and sketch a picture at your own pace. There are no rules and no one telling you what to do, you can just draw whatever you want and have fun while doing it. Sketching can also help you improve your communication skills. Because there are no words in a drawing, well, most of the time, the artist finds other ways to communicate with the audience. This can help you improve your other communication skills by better understanding your feelings and emotions and without the need for words to be spoken. Sketching is great for a number of different reasons and they don't just apply to pencil and paper sketching. All of these advantages simply come from the act of drawing and taking time to sketch something that you want to, however you want to do that. The lifestyle benefits of this hobby are incredible and can really help improve your skills in a number of different areas of life, not just sketching.
