Blossom Omesha Joshua,2020-02-17 Our dreams can provide spiritual insight into what is taking place in the realm of the spirit and our waking-life that God wants to draw our attention to. Imagine getting into your warm comfy bed and receiving downloads in your dream from heaven concerning an important matter in your business that you have been praying to God for wisdom and direction. But when you woke up, although you could recall the details of your dream, you were unsure of its meaning. You later discovered through a series of events that your dream was showing you a strategy that would cause your business to grow, but you didn't record the dream and may have forgotten a few details of the dream that would have lifted your company out of the red. Many Christians have received messages from God in their dreams about their health, careers, marriages, children, wounds in their soul, relationships, finances, and answers to their prayers to name a few. But they didn't record them, pray over them, or even search to know their meaning. God speaks through His Word, by His Spirit, angels, through other people and circumstances; and He also speaks through dreams and visions. Capturing The Dreams God Gives Dream Journal is a carefully designed journal to record your dreams and their interpretations, and provide insight and encouragement as you unravel your dream's message. In this very functional dream journal, you will find lined sections on each page to record 100 of your dreams. It is perfect for those who dream and want to record the messages God gave to them while they slept. This dream journal is also a great gift idea for the dreamer(s) in your life who would enjoy unwrapping their dreams with an attractive dream journal of their own. Capturing The Dreams God Gives Dream Journal contains scriptures, tips, and resources for dream interpretation study. And with each dream, you will be able to: Record the date of your dream. List your dreams in the table of contents to quickly refer to a specific dream. Scriptures and tips to consider as you record and seek to understand your dreams. All in one book!
