**Dream Keys** Lauren Lawrence,1999 A guide to using your dreams to gain selfempowerment aids readers in categorizing their dreams into nine types: Anxiety, Traumatic, Selfaffirmation, Wishfulfillment, Oedipal/Libidinous, Problem Solving, Examination, Initiation, and Prophetic. Original.

**The Ultimate Guide to Understanding the Dreams You Dream** Ira Milligan,2012-03-20 Understanding the Dreams You Dream: Biblical Keys for Hearing God's Voice in the Night not only provides insight into your dreams and life, but also includes a comprehensive dictionary of dream symbols! You will be guided through the complex world of dreams by a minister with decades of experience receiving, understanding, and interpreting dreams of his own and for others. Through Scripture-based meditation, much can be understood about your dreams; but many Christians don't know how to meditate. This problem is addressed in three different ways: Specific, detailed directions are given on how and upon what to meditate. Personal examples of dreams from the author's own experiences. Practical dictionary of symbol definitions is included. This book presents both normal and not-so-normal dream situations. You will learn that to apply only one type of dream interpretation to all dreams is restricting each symbol to only one possible definition, which is incorrect. And you will learn how to tell the difference between a dream from God-and those from evil sources.

**Decoding Your Dreams** Jennifer LeClaire,2018-12-04 What is God saying to you in your dreams? Decoding Your Dreams is a beginner's guide to understanding the true source of our dreams, dream classifications, and

even dream symbols. This book answers questions like: Can we control our dreams? I used to dream all the time. Why has my dream life suddenly ceased? Should I pray for the gift of dream interpretation? What does it mean if I see people in my dreams who have already passed away? When do I share a dream I've received and when do I keep it to myself? Where does déjà vu fit into the world of dreams? Why should I pay attention to my children's dreams? There are dozens of mentions of dreams in the Bible. From Abraham to Joseph, from Daniel all the way to Pontius Pilot's wife, God has communicated with His people through dreams throughout recorded history. Why would God choose to speak to us while we sleep? Perhaps it's because we are too distracted during the day to sit still long enough for Him to share the deep secrets of His heart. Jennifer LeClaire is convinced God speaks to us in ways that are very personal. At times he may use pictures, memories, impressions, or even a still small voice. Let Decoding Your Dreams help you embrace your Spirit-inspired dreams!
