One Good Deed David Baldacci,2019-07-23 In this fast-paced historical thriller, the #1 New York Times bestselling author introduces Archer, a WWII veteran forced to investigate a small-town murder -- or risk returning to prison. It's 1949. When war veteran Aloysius Archer is released from Carderock Prison, he is sent to Poca City on parole with a short list of do's and a much longer list of don'ts: do report regularly to his parole officer, don't go to bars, certainly don't drink alcohol, do get a job -- and don't ever associate with loose women. The small town quickly proves more complicated and dangerous than Archer's years serving in the war or his time in jail. Within a single night, his search for gainful employment -- and a stiff drink -- leads him to a local bar, where he is hired for what seems like a simple job: to collect a debt owed to a powerful local businessman, Hank Pittleman. Soon Archer discovers that recovering the debt won't be so easy. The indebted man has a furious grudge against Hank and refuses to pay; Hank's clever mistress has her own designs on Archer; and both Hank and Archer's stern parole officer, Miss Crabtree, are keeping a sharp eye on him. When a murder takes place right under Archer's nose, police suspicions rise against the ex-convict, and Archer realizes that the crime could send him right back to prison . . . if he doesn't use every skill in his arsenal to track down the real killer.

A Gambling Man David Baldacci,2021-04-20 Aloysius Archer, the straight-talking World War II veteran fresh out of prison, returns in this riveting #1 New York Times bestselling thriller from David Baldacci. The 1950s are on the horizon, and Archer is in dire need of a fresh start after a nearly fatal detour in Poca City. So Archer hops on a bus and begins the long journey out west to California, where rumor has it there is money to be made if you're hard-working, lucky, criminal—or all three. Along the way, Archer stops in Reno, where a stroke of fortune delivers him a wad of cash and an eye-popping blood-red 1939 Delahaye convertible—plus a companion for the final leg of the journey, an aspiring actress named Liberty Callahan who is planning to try her luck in Hollywood. But when the two arrive in Bay Town, California, Archer quickly discovers that the hordes of people who flocked there seeking fame and fortune landed in a false paradise that instead caters to their worst addictions and fears. Archer's first stop is a P.I. office where he is hoping to apprentice with a legendary private eye and former FBI agent named Willie Dash. He lands the job, and immediately finds himself in the thick of a potential scandal: a blackmail case involving a wealthy well-connected politician running for mayor that soon spins into something even more sinister. As bodies begin falling, Archer and Dash must infiltrate the world of brothels, gambling dens, drug operations, and long-hidden secrets, descending into the rotten bones of a corrupt town that is selling itself as the promised land—but might actually be the road to perdition, and Archer's final resting place.

Dream Town David Baldacci,2022-04-19 Private investigator and World War II veteran Aloysius Archer heads to Los Angeles, the city where dreams are made and shattered, and is ensnared in a lethal case in this latest thriller in #1 New York Times bestselling author David Baldacci's Nero Award-winning series. It's the eve of 1953, and Aloysius Archer is in Los Angeles to ring in the New Year with an old friend, aspiring actress Liberty Callahan, when their evening is interrupted by an acquaintance of Callahan's: Eleanor Lamb, a screenwriter in dire straits. After a series of increasingly chilling events—mysterious phone calls, the same blue car loitering outside her house, and a bloody knife left in her sink—Eleanor fears that her life is in danger, and she wants to hire Archer to look into the matter. Archer suspects that Eleanor knows more than she's saying, but before he can officially take on her case, a dead body turns up inside of Eleanor's home . . . and Eleanor herself disappears. Missing client or not, Archer is dead set on finding both the murderer and Eleanor. With the help of Callahan and his partner Willie Dash, he launches an investigation that will take him from mob-ridden Las Vegas to the glamorous world of Hollywood to the darkest corners of Los Angeles—a city in which beautiful faces are attached to cutthroat schemers, where the cops can be more corrupt than the criminals . . . and where the powerful people responsible for his client's disappearance will kill without a moment's hesitation if they catch Archer on their trail.

Dream City Conrad Kickert,2019-06-11 Tracing two centuries of rise, fall, and rebirth in the heart of downtown Detroit. Downtown Detroit is in the midst of an astonishing rebirth. Its sidewalks have become a dreamland for an aspiring creative class, filled with shoppers, office workers, and restaurant-goers. Cranes dot the skyline, replacing the wrecking balls seen there only a few years ago. But venture a few blocks in any direction and this liveliness gives way to urban blight, a nightmare cityscape of crumbling concrete, barbed wire, and debris. In Dream City, urban designer Conrad Kickert examines the paradoxes of Detroit's landscape of extremes, arguing that the current reinvention of downtown is the expression of two centuries of Detroiters' conflicting hopes and dreams. Kickert demonstrates the materialization of these dreams with a series of detailed original morphological maps that trace downtown's rise, fall, and rebirth. Kickert writes that downtown Detroit has always been different from other neighborhoods; it grew faster than other parts of the city, and it declined differently, forced to reinvent itself again and again. Downtown has been in constant battle with its own offspring—the automobile and the suburbs the automobile enabled—and modernized itself though parking attrition and land consolidation. Dream City is populated by a varied cast of downtown power players, from a 1920s parking lot baron to the pizza tycoon family and mortgage billionaire who control downtown's fate today. Even the most renowned planners and designers have consistently yielded to those with power, land, and finances to shape downtown. Kickert thus finds rhyme and rhythm in downtown's contemporary cacophony. Kickert argues that Detroit's case is extreme but not unique; many other American cities have seen a similar decline—and many others may see a similar revitalization.

Dream of the Walled City Lisa Huang Fleischman,2011-06-28 Marking the debut of a stunning new literary talent, Lisa Huang Fleischman's extraordinary saga -- inspired by her grandmother's life as an early feminist, political activist, and friend of Mao Zedong -- is a masterpiece about one clever and resourceful woman, growing up amidst the turmoil of twentieth-century China. Born in 1890, the privileged and sheltered daughter of a high-ranking imperial official, Jade Virtue spends her childhood enclosed by the towering walls of her family's sprawling mansion, never glimpsing the desperate struggle of China's ancient society, as the old

ways are challenged and the twentieth century -- fast, fearsome, and tumultuous -- rushes in. But when her father mysteriously dies, young Jade Virtue is suddenly thrust into poverty, and experiences firsthand a traditional culture falling apart under the onslaught of growing rebellion against the Emperor, rapid social changes, and the mounting aggression of Japan and the West. Fleischman has rendered a richly textured, panoramic vision of Chinese life in the perilous years between the end of the empire and the Communist triumph of 1949, charting Jade Virtue's arranged first marriage to the corrupt opium addict Wang Mang, who harbors a terrible secret in his family's past; her awakening independence and ambivalent politics; her struggles with motherhood; and her fascinating acquaintance with a gifted, idealistic, fiercely ambitious young man named Mao Zedong. But the most important choices of her life are shaped by her conflicting loyalties, her intense lifelong friendship with Jinyu, a fiery woman revolutionary, and to Guai, a government official and sworn enemy of the Communists, with whom she finally discovers true and redemptive love. Exquisitely nuanced and lyrical yet marked with a driving power, *Dream of the Walled City* is an enthralling novel of hard-won personal independence set against the vivid backdrop of a rapidly changing world. From the final days of the last dynasty through the savage Japanese invasion during World War II to the formidable red dawn of the Communist triumph; from the backward rural province of Hunan to exile on the tropical shores of Taiwan; and from the binding chains of predetermined fate to the exhilarating liberation of a human spirit, this is a remarkable odyssey you will never forget.

Dream City Lance Berelowitz, 2010-08 Located at the edge of a continent and at the corresponding edge of national public consciousness, Vancouver has developed in unique and unanticipated ways. It is now emerging as an experiment in contemporary city-making, with international interest in Vancouver as a model of post-industrial urbanism increasing exponentially. Lance Berelowitz explores the links between the city's seductive natural setting, its turbulent political history and changing civic values, and its planning and design culture. He also makes the startling case that Vancouver is to Canada's imagination what Los Angeles is to the American -- a mythologized place of endless possibilities, while being grounded in an altogether more limited set of socio-economic and environmental limitations. *Dream City* is richly illustrated with both historical and contemporary photographs of many significant buildings and public spaces, as well as specially commissioned maps that reveal the underlying patterns of growth and change of Canada's youngest metropolis.

Dream Town Laura Meckler, 2023-08-22 Can a group of well-intentioned people fulfill the promise of racial integration in America? In this searing and intimate examination of the ideals and realities of racial integration, award-winning Washington Post journalist Laura Meckler tells the story of a decades-long pursuit in Shaker Heights, Ohio, and uncovers the roadblocks that have threatened progress time and again—in housing, in education, and in the promise of shared community. In the late 1950s, Shaker Heights began groundbreaking work that would make it a national model for housing integration. And beginning in the seventies, it was known as a crown jewel in the national move to racially integrate schools. The school district built a reputation for academic excellence and diversity, serving as a model for how white and Black Americans can thrive together. Meckler—herself a product of Shaker Heights—takes a deeper look into the place that shaped her, investigating its complicated history and its ongoing challenges in order to untangle myth from truth. She confronts an enduring, and troubling, question—if Shaker Heights has worked so hard at racial equity, why does a racial academic achievement gap persist? In telling the stories of the Shakerites who have built and lived in this community, Meckler asks: What will it take to fulfill the promise of racial integration in America? What compromises are people of all races willing to make? What does success look like, and has Shaker achieved it? The result is a complex and masterfully reported portrait of a place that, while never perfect, has achieved more than most and a road map for communities that seek to do the same. Includes black-and-white images.

Dream City Harry S. Jaffe, Tom Sherwood, 2014-04 With a new afterword covering the two decades since its first publication, two of Washington, D.C.'s most respected journalists expose one of America's most tragic ironies: how the nation's capital, often a gleaming symbol of peace and hope, is the setting for vicious contradictions and devastating conflicts over race, class, and power. Jaffe and Sherwood have chillingly chronicled the descent of the District of Columbia—congressional hearings, gangland murders, the establishment of home rule and the inside story of Marion Barry's enigmatic dynasty and disgrace. Now their afterword narrates the District's transformation in the last twenty years. New residents have helped bring developments, restaurants, and businesses to reviving neighborhoods. The authors cover the rise and fall of Mayors Adrian Fenty and Vince Gray, how new corruption charges are taking down politicians and businessmen, and how a fading Barry is still a player. The "city behind the monuments" remains flawed and polarized, but its revival is turning it into a distinct world capital—almost a dream city. Harry Jaffe has been a national editor at *The Washingtonian* magazine since 1990. He has received a number of awards for investigative journalism and feature writing from the Society of Professional Journalists. He has taught journalism at Georgetown University and American University. His work has appeared in *Esquire*, *Regardie's*, *Outside*, *Philadelphia Magazine*, *National Geographic Traveler*, *The Washington Post*, *The Los Angeles Times*, *The Chicago Tribune*, and other newspapers. Jaffe was born and raised in Philadelphia and began his journalism career with the *Rutland (Vermont) Herald*. He is the co-author of *Dream City: Race, Power and the Decline of Washington, D.C.* He lives in Clarke County, Virginia, and Washington, D.C., with his wife and daughters. Tom Sherwood is a reporter for NBC4 in Washington, specializing in politics and the District of Columbia government. Tom also is a commentator for WAMU 88.5 public radio and a columnist for the *Current Newspapers*. Tom has twice been honored as one of the Top 50 Journalists in Washington by *Washingtonian* magazine. He began his journalism career at *The Atlanta Constitution* and covered local and national politics for *The Washington Post* from 1979 to 1989. He is the co-author of *Dream City: Race, Power and the Decline of Washington, D.C.* A native of Atlanta, he currently resides in Washington, D.C. and has one son, Peyton.

The Dream Peddler Martine Fournier Watson, 2019-04-09 "Astonishing . . . Explores the vast underground legacy of our own desires. This is the must-read book of the year." —Rene Denfeld, bestselling author of *The Child Finder* A richly imagined debut novel about a traveling salesman and the small town he changes forever If someone offered you a magic elixir that could conjure any dream you wanted . . . would you take it? Traveling salesmen like Robert Owens have passed through Evie Dawson's town before, but none of them offered anything like what he has to sell: dreams, made to order, with satisfaction guaranteed. Soon after he arrives, the community is shocked by the disappearance of Evie's young son. The townspeople, shaken by the Dawson family's tragedy and captivated by Robert's subversive magic, begin to experiment with his dreams. And Evie, devastated by grief, turns to Robert for a comfort only he can sell her. But the dream peddler's wares awaken in his customers their most carefully buried desires, and despite all his good intentions, some of them will lead to disaster. Dream Country Shannon Gibney, 2019-04-09 The heartbreaking story of five generations of young people from a single African-and-American family pursuing an elusive dream of freedom. Gut wrenching and incredible.— Sabaa Tahir #1 New York Times bestselling author of *An Ember in the Ashes* This novel is a remarkable achievement.—Kelly Barnhill, New York Times bestselling author and Newbery medalist Beautifully epic.—Ibi Zoboi, author *American Street* and National Book Award finalist *Dream Country* begins in suburban Minneapolis at the moment when seventeen-year-old Kolli Flomo begins to crack under the strain of his life as a Liberian refugee. He's exhausted by being at once too black and not black enough for his African American peers and worn down by the expectations of his own Liberian family and community. When his frustration finally spills into violence and his parents send him back to Monrovia to reform school, the story shifts. Like Kolli, readers travel back to Liberia, but also back in time, to the early twentieth century and the point of view of Togar

Somah, an eighteen-year-old indigenous Liberian on the run from government militias that would force him to work the plantations of the Congo people, descendants of the African American slaves who colonized Liberia almost a century earlier. When Togar's section draws to a shocking close, the novel jumps again, back to America in 1827, to the children of Yasmine Wright, who leave a Virginia plantation with their mother for Liberia, where they're promised freedom and a chance at self-determination by the American Colonization Society. The Wrights begin their section by fleeing the whip and by its close, they are then the ones who wield it. With each new section, the novel uncovers fresh hope and resonating heartbreak, all based on historical fact. In Dream Country, Shannon Gibney spins a riveting tale of the nightmarish spiral of death and exile connecting America and Africa, and of how one determined young dreamer tries to break free and gain control of her destiny.

Dream of Ding Village Yan Lianke,2011-01-04 “A brilliant and harrowing novel” about a deadly epidemic fueled by corruption, based on real-life events in China (Publishers Weekly, starred review). Officially censored upon its Chinese publication, Dream of Ding Village is based on a real-life blood-selling scandal in eastern China. The novel is the result of three years of undercover work by Yan Lianke, who worked as an assistant to a well-known Beijing anthropologist in an effort to study a small village decimated by HIV/AIDS as a result of unregulated blood selling. Whole villages were wiped out with no responsibility taken or reparations paid. Dream of Ding Village focuses on one family, destroyed when one son rises to the top of the party pile as he exploits the situation, while another son is infected and dies. The result is a passionate and steely critique of the rate at which China is developing and what happens to those who get in the way. “Lianke confronts the black market blood trade and the subsequent AIDS epidemic it sparked, in a brilliant and harrowing novel.” —Publishers Weekly, starred review
