Oddball Indiana Jerome Pohlen,2017-05-01 Indiana often calls itself the Crossroads of the Nation. It's not also perhaps the very nexus of US weirdness. Armed with Oddball Indiana, you'll soon discover the strange underbelly of the Hoosier State, from brain sandwiches to square donuts. Indiana has monuments to Michael Jackson, the comic strip character Joe Palooka, and the World's Largest Egg. It's where Alka-Seltzer and Wonder Bread were invented, where A Christmas Story actually took place, and where the good but angry citizens of Plainfield conspired to dump President Martin Van Buren in a mud puddle. Along with humorous histories and offbeat observations, Oddball Indiana provides addresses, websites, hours, fees, and driving directions for each of its 350+ entries.

American Prospects (2023) Joel Sternfeld,2023-10-10 The definitive edition of Joel Sternfeld's seminal American Prospects, featuring new photographs, and a revised format and cover First published in 1987 to critical acclaim, the seminal American Prospects has been likened to Walker Evans' American Photographs and Robert Frank's The Americans in both its ability to visually summarize the zeitgeist of a decade and to influence the course of photography following its publication. This definitive edition of American Prospects contains 12 new pictures, most of which have neither been published nor exhibited. Freed from the size constraints of previous editions, Sternfeld includes portraits and portraits in the landscape that elucidate the human condition in America. The result is a more complex and rounded view of American society that strongly anticipates Sternfeld's Stranger Passing series (1985-2000) and links the two bodies of work. A major figure in the photography world, Joel Sternfeld was born in New York City in 1944. He has received numerous awards, including two Guggenheim fellowships, a Prix de Rome and the Citibank Photography Award. Sternfeld's books published by Steidl include American Prospects (2003), Sweet Earth (2006), Oxbow Archive (2008), First Pictures (2012) and Landscape as Longing (2016) with Frank Gohlke.

Star Guard Andre Norton,1961 In 3956 A.D. the inhabitants of the planet Terra struggle to keep themselves from being annihilated.
