### **Dreamweaver CC: The Missing Manual** David

Sawyer McFarland, Chris Grover, 2014-11-17 Dreamweaver CC is a powerful tool for designing all kinds of websites, from those with simple, static pages to interactive, media-driven sites for desktop, laptop, and mobile devices. But the program still doesn't include a printed guide to its amazing capabilities. That's where this Missing Manual comes in. With hands-on tutorials and coverage of every feature, you'll learn to build, deploy, and manage sites whether you're an experienced designer or just getting started. The important stuff you need to know: Dive into page design. Quickly learn the basics of working with text, images, links, and tables. Edit pages in Live view. Dynamically add elements to live pages and immediately see the results. Design once, and for all. Build fluid-grid sites that adapt themselves to desktop, tablet, and mobile devices. Troubleshoot your HTML. Use the new Element Quick View to reveal the hierarchy of page elements. Style with ease.

Tap Dreamweaver's enhanced CSS Designer to copy and paste styles. Enhance Dreamweaver. Get new program features with add-ons that integrate directly with Dreamweaver. Bring your pages to life. Use jQuery UI to add interactive page elements like tabbed content panels. Create universal pages. Avoid browser incompatibility with workarounds.

### **Portfolios for Interior Designers** Maureen

Mitton, 2010-09-28 The complete guide to portfolio development for interior designers It's a widely known fact that interior designers need a strong visual presence in the form of a well-crafted, professional-looking portfolio. Surprisingly, however, many interior designers aren't equipped with the expertise required to organize and unify their work in a fashion that optimally conveys their talents and skills. Portfolios for Interior Designers helps demystify the process by guiding the reader toward mastery in assembling a winning portfolio. It delivers essential step-by-step instruction presented in a manner that shows interior designers how to properly and effectively display their designs. This book also includes: Color and black-and-white illustrations showing portfolio elements and options Graphic design concepts necessary for portfolio development Specific information for the design of digital portfolios Supplemental teaching resources that direct readers to a companion Web site Useful tips on the ways that popular graphics software applications can be best implemented for certain portfolio elements Samples of cover letters and resumes, along with discussion of job search procedures With the aid of real-world examples, Portfolios for Interior Designers examines how a portfolio can be used as an effective tool for communicating with clients and other professionals. A much-needed guide, this book eliminates the uncertainty surrounding portfolio development so that

interior designers can showcase their abilities successfully—and land the next job.

eLearning with Dreamweaver MX Betsy Bruce, 2002 Learn how to create compelling online learning applications with Dreamweaver MX. When designing online learning applications, concepts such as interactivity levels, user tracking, and audience level must be understood before a developer can start coding a single web page. eLearning with Dreamweaver MX: Building Online Learning Applications begins by teaching readers the basic instructional design concepts that they will need to know to create successful online learning applications. Bruce then walks you through the development process step by step,

beginning with planning and prototype creation. Then, she shows you how to add content, emphasizing methods that take advantage of Dreamweaver's templates and libraries. Next, the book delves into the CourseBuilder extension to add quizzes and actions. The next step is to track user progress with Learning Management Systems. Finally, Bruce shows users best practices for collaboration and optimization. The web site ([www.newriders.com](http://www.newriders.com)) will provide code and extensions referenced in the book.

*Dreamweaver CS4 Digital Classroom* Jeremy Osborn, AGI Creative Team, 2011-02-11  
Dreamweaver CS4 Digital Classroom is like having a personal instructor guiding

readers through each lesson, while they work at their own pace. This book includes 13 self-paced lessons that let readers discover essential skills and explore new features and capabilities of Adobe Dreamweaver CS4. Each lesson is presented in full color with step-by-step instructions. Learning is reinforced with video tutorials and lesson files on a companion DVD that were developed by the same team of Adobe Certified Instructors and Dreamweaver experts who have created many of the official training titles for Adobe Systems. Each video tutorial is approximately five minutes long and demonstrates and explains the concepts and features covered in the lesson. This training package demonstrates how to design, develop, and maintain a fully functioning Web site. Coverage includes applying style sheets, using dynamic HTML, adding style with images and multimedia, publishing and maintaining a web site, using hyperlinks to navigate throughout a website or link to other sites on the Internet, and using databases to create dynamic websites. Jam-packed with information, this book takes users from the basics through intermediate level topics and helps readers find the information they need in a clear, approachable manner. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.
