

Dress Making

Lorna Knight

Dressmaking Alison Smith,2012-08-20 An invaluable resource, Dressmaking will guide you through all the stages of making, altering, and customizing clothes. Starting with the Tools and Materials, you will learn what you need to buy and how to use it. The Fabrics chapter demonstrates the drape and weave of fabrics and explains the best uses of each. The Patterns chapter covers everything from understanding a pattern to altering one. In General Techniques, close-up photography and guiding annotation to explain key techniques step by step. A section on Basic Patterns and Variations then guides you through creating six garments. Patterns and detailed step-by-step instructions are provided for a skirt, dress, shirt, tee, jacket, and pair of trousers. Instructions are also given for possible variations of each garment. Finally, chapters on Alterations and repairs and Customizing offer practical tips for repairing worn items and inspiration for modernizing tired pieces. Packed with essential advice and inspiration, this is the dressmaking bible that no budding seamstress should be without.

Dressmaking Alison Smith,2012-08-20 Perfect for anyone interested in sewing - whether it's updating an old top or creating an A-line skirt from scratch - Dressmaking covers everything one needs to know to make, alter, and customize clothes. Sewers will discover what supplies to buy and how to use them, the best fabrics to choose based on drape and weave, how to understand patterns and alter them, and the essential general techniques to master - plus patterns and detailed step-by-step instructions are provided for a skirt, dress, shirt, tee, jacket, and pair of pants - including suggested variations! Finishing up with tips and inspiration on alterations, repairs, and customizing any clothes, from dealing with holes and tears to lengthening and shortening sleeves, this handy guide is the dressmaking bible no budding seamstress should be without.

The American Duchess Guide to 18th Century Dressmaking Lauren Stowell,Abby Cox,2017-11-21 This comprehensive guide will walk you through how to make and wear your 18th century dream gown. [The authors] have endeavored to ... [bring] historically accurate dressmaking techniques into your sewing room. Learn how to make four of the most iconic 18th century silhouettes--the English Gown, Sacque Gown, Italian Gown and Round Gown--using the same hand sewing techniques done by historic dressmakers. From large hoops to full bums, wool petticoats to grand silk gowns, ruffled aprons to big feathered hats, this manual has project patterns and instructions for every level of 18th century sewing enthusiast--Amazon.com.

The Art of Dressmaking Sophie Klug,1895

Dressmaking Step by Step Alison Smith,2015-02-02 Learn how to make your own clothes in simple steps. A compact and comprehensive dressmaking resource for anyone who wants to learn how to make clothes at home. Learn how to make a dress, trousers, tops, and jackets--18 garments in all--by following clear and simple step-by-step sequences. Everything you need to learn to sew a wardrobe of clothes is included, from information on tools and materials, to key sewing techniques, to garment projects complete with sewing patterns.

Encyclopaedia of Dress Making Raul Jewel,2000-01-01

Household Sewing with Home Dressmaking Bertha Banner,1898

Dressmaking for Real Women Lorna Knight,2012 Offers advice and techniques for women with full figures to modify store-bought dress patterns to create custom garments that fit and flatter their individual bodies.

First Steps In Dressmaking – Essential Stitches And Seams, Easy Garment Making, Individualizing Tissue-Paper Patterns Anon,2020-07-14 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The American Duchess Guide to 18th Century Dressmaking Lauren Stowell,Abby Cox,2017-11-21 Bring History to Life Whether you wish you could time travel to the court of Versailles or the Highlands of Scotland, this comprehensive guide will walk you through how to make and wear your 18th century dream gown. Lauren Stowell and Abby Cox of American Duchess have endeavored to make the impossible possible by bringing historically accurate dressmaking techniques into your sewing room. Learn how to make four of the most iconic 18th century silhouettes—the English Gown, Sacque Gown, Italian Gown and Round Gown—using the same hand sewing techniques done by historic dressmakers. From large hoops to full bums, wool petticoats to grand silk gowns, ruffled aprons to big feathered hats, this manual has project patterns and instructions for every level of 18th century sewing enthusiast. With Lauren and Abby's guidance, you'll feel as if you just stepped out of an 18th century portrait. The American Duchess Guide to 18th Century Dressmaking demystifies 18th century fashion and sewing techniques so that you can wear these beautiful gowns with confidence and style.

Dressmaking Jane Fales,1917

Regency Women's Dress Cassidy Percoco,2015-09-17 The distinctive style of the Regency period is a source of endless fascination for fashion academics and historians, living historians, re-enactors and costume designers for stage and screen. Author and fashion historian Cassidy Percoco has delved into little-known museum hoards to create a stunning collection of 26 garments, many with clear provenance tied to a specific location, which have never before been published and never – or very rarely – displayed. Most of the garments have an aspect in their construction that has not been previously documented, from a style of skirt trim to the method of gown closure. This practical guide begins with a general history of the early 19th-century women's dress. This is followed by 26 patterns of gowns, spencers, chemises, and corsets, each with an illustration of the finished piece and description of its construction. This must-have guide is an essential reference for anyone interested in the fashions or the history of the period, or for anyone wishing to recreate their own beautiful Regency clothing.

The hand-book of dress-making Mary J. Howell,1845

A History of the Paper Pattern Industry Joy Spanabel Emery,2014-04-24 Sewing patterns have been the principle blueprint for making garments in the home for centuries. From their origins in the tailoring manuals of the 16th century to the widely produced pamphlets of the 18th and 19th centuries, through to the full size packet patterns of today, their history and development has reflected major changes in technology (such as the advent of the sewing machine), retailing and marketing practices (the fashion periodical), and shifts in social and cultural influences. This accessible book explores this history, outlining innovations in patternmaking by the companies who produced patterns and how these reflected the fashions and demands of the market. Showcasing beautiful illustrations from original pattern pamphlets, packets and ads, as well as 9 complete patterns from which readers can reproduce vintage garments of different eras, the book provides a unique visual guide to homemade fashions as well as essential exploration of the industry that produced them.

The Art of Dressmaking. Containing Plain Directions in Simple Language from the Fitting of the Pattern to the Finish of the Dress Eliza Ann CORY, 1849

Bias-Cut Dressmaking Gillian Holman, 2015-06-25 Bias-cut Dressmaking is the best easy-to-follow guide to bias-cut clothes. It provides step-by-step instructions and diagrams for making over 40 items of clothing that are cut on the bias. The bias-cut technique is used by designers for cutting clothing to utilize the greater stretch in the bias or diagonal direction of the fabric. This allows the fabric to accentuate body lines and curves and drape softly. Bias-cut garments were an important feature of the designs of Madeleine Vionnet in the 1920s and 1930s but are now timeless. This classic text on the subject includes making skirts, dresses, trousers, eveningwear and even lingerie. You can make a halterneck evening dress, a cowl-necked shift dress, palazzo pants, bias-cut culottes, a cowl camisole, a strapless evening dress or a slightly flared bias skirt. The text is clearly written and laid out, making the beauty and the comfort of bias-cut clothing accessible to those not overly familiar with this type of dressmaking, including fashion students and amateur dressmakers.

Making Vintage 1920s Clothes for Women Suzanne Rowland, 2017-09-14 The 'roaring twenties' were exciting years for women's fashion. The iconic image is of the young 'flapper' dancing the night away in a sparkling dress with fringes and tassels moving to the beat of the Jazz age. But, for all women in the post-war years of the 1920s, there was a new freedom in fashion as hemlines lifted and waistlines dropped. The simplified silhouette caused a boom in home dressmaking as women with basic sewing skills used tissue paper patterns to run up a new frock in the latest style. This practical book explains the background to these years and the trends in women's fashion, before introducing a range of garments that women would typically have worn. Suzanne Rowland gives a unique and detailed account of how to make vintage 1920s clothes for women based on the dress collections at the Royal Pavilion & Museums, Brighton & Hove, and Worthing Museum and Art Gallery. Fifteen detailed projects for garments and accessories include a pair of fashionably daring beach pyjamas, the wedding dress of a bride from East Sussex, and a simple striped frock suitable for wearing at a British seaside resort. Each project includes a detailed description of the original garment with an accompanying illustration alongside photographs of the original pieces. Scaled patterns are included with a list of materials and equipment required. Step-by-step instructions and close-up photographs are given for each stage of the making process with information about the original techniques used. Superbly illustrated with 314 close-up colour photographs.

Right here, we have countless books **Dress Making** and collections to check out. We additionally manage to pay for variant types and as a consequence type of the books to browse. The usual book, fiction, history, novel, scientific research, as capably as various other sorts of books are readily reachable here.

As this Dress Making, it ends occurring subconscious one of the favored book Dress Making collections that we have. This is why you remain in the best website to see the incredible ebook to have.
