Fashion at the Edge Caroline Evans,Caroline Edwards,2003-01-01 Caroline Evans analyses the work of experimental designers, the images of fashion photographers, and the spectacular fashion shows that developed in the final decade of the twentieth century to arrive at a new understanding of fashion's dark side and what it signifies? Drawing on a variety of literary and theoretical perspectives - from Marx to Benjamin - Evans argues that fashion plays a leading role in constructing images and meanings during periods of rapid change. She shows persuasively that fashion stands at the very centre of the contemporary, where it voices some of Western culture's deepest concerns.

Becoming Unbecoming Una,2016-10-03 This extraordinary graphic novel is a powerful denunciation of sexual violence against women. As seen through the eyes of a twelve-year-old girl named Una, it takes place in northern England in 1977, as the Yorkshire Ripper, a serial killer of prostitutes, is on the loose and creating panic among the townspeople. As the police struggle in their clumsy attempts to find the killer, and the headlines in the local paper become more urgent, a once self-confident Una teaches herself to lower her gaze in order to deflect attention from boys. After she is slut-shamed at school for having birth control pills, Una herself is the subject of violent acts for which she comes to blame herself. But as the police finally catch up and identify the killer, Una grapples with the patterns of behavior that led her to believe she was to blame. *Becoming Unbecoming* combines various styles, press clippings, photo-based illustrations, and splashes of color to convey Una's sense of confusion and rage, as well as sobering statistics on sexual violence against women. The book is a no-holds-barred indictment of sexual violence against women and the shame and blame of its victims that also celebrates the empowerment of those able to gain control over their selves and their bodies. Una (a pseudonym) is an artist, academic, and comics creator. *Becoming Unbecoming*, which took seven years to create, is her first book. She lives in the United Kingdom.

Marie Antoinette Dena Goodman,Thomas E. Kaiser,2013-10-23 Marie-Antoinette is one of the most fascinating and controversial figures in all of French history. This volume explores the many struggles by various individuals and groups to put right Marie's identity, and it simultaneously links these struggles to larger destabilizations in social, political and gender systems in France. Looking at how Marie was represented in politics, art, literature and journalism, the contributors to this volume reveal how crucial political and cultural contexts were enacted on the body of the queen and on the complex identity of Marie. Taken together, these essays suggest that it is precisely because she came to represent the contradictions in the social, political and gender systems of her era, that Marie remains such an important historical figure.
