Fantastic Drinking Games John Boyer,2011-09-01 Roll the dice. Slam the quarter. Flip the cup. Did you win, miss, lose, or guess wrong? Sounds like it's your turn to drink! Or maybe not, depending on the rules you learned to play by. If you've ever gotten into an argument with someone about rules for your favorite drinking game, or just wondered how that insane game at the table next to you is actually played, Fantastic Drinking Games is the book for you. With more than eighty different dice, card, quarter, and cup games, this is the ultimate book for party people!

**Zazz Games Presents** Drew St Marie,2019-10-05 You've flipped a cup. You've played Quarters. Now it's time for some new games. This party manual was compiled from decades of playing games at parties and in college. Despite all those drinks I thankfully was able to remember the rules. We got 99 games with Cards, Cups, Dice, Board Games, Shots, and Wine from all over the world. Impress your friends. Become the Party MasterAre you ready to play? All you need for your next party is to grab your groups of friends, some alcohol, and this book.The 99 games are put into six subsections based on what type of items you need to play. These sections are Card, Cup, Dice, Board Games, Shot, and Wine. There are a variety of games so you choose the best ones for you and your friends. Some people don't like shots. Some people are sick of card games. Some people want to be fancy and drink wine. There is a game for all types of people. Keep a copy of this book on your person for easy references. You never know when you might want to start a party. No more asking what we are going to do tonight. Just pick a game and go.Come enter a world of drunken diversions and rambunctious revelry.
