Mélusine Katherine Addison,2023-07-11 “[An] extraordinary first fantasy novel focuses on two captivating characters . . . [A] highly original writer with her own unique voice.” —Publishers Weekly, starred review From an award-winning author, the first book in the spellbinding series, *The Doctrine of Labyrinths* Welcome to Mélusine , a city as wondrous as it is corrupt. Within its walls lies a stronghold of power and magic, a shining setting for the brilliant Felix Harrowgate. A well-respected wizard and darling of the court, Felix harbors sordid secrets from his peers in the aristocracy: a dark past in which a sadistic wizard enslaved him body and mind, even as he schooled Felix in how to walk among noblemen as if he were one of them. An abuser Felix believes himself free of, until a return to his former master’s lair leads to his harrowing fall from grace. Broken, lost, Felix finds an unlikely accomplice in Mildmay the Fox. Trained to be an assassin, surviving as a thief, Mildmay knows what it is to be hunted. When fate brings the weakened wizard and the wanted killer together, they escape Mélusine, traveling through strange lands where they encounter peculiar magic and powerful demons. A world where shocking secrets will be laid bare—dark truths that will bind them together forever. “A lush novel, rife with decadent magic.” —Jacqueline Carey, New York Times–bestselling author of the Kushiel’s Legacy series “A spellbinding, gut-wrenching, breathtaking quest that resonates with truth and heart.” —Joan D. Vinge, Hugo and Locus award-winning author of *The Snow Queen* “[Addison’s] characters deserve a standing ovation.” —Booklist, starred review Originally published under the name Sarah Monette.

*More Hockey Stories: A Novel Perspective* M. Gordon Hunter,2022-10-24 Retired NHL players Billy Sinatra and Malcolm Gordon Steven (better known as “Keeper”) have both returned to relatively normal lives after their controversial Stanley Cup win, with Billy now coaching minor-league hockey in Moose Jaw and Keeper working as his team’s goaltending coach. But their ordinary lives are about to take an unexpected turn when an up-and-coming player from Slovakia, Rhobe Otguy, is brought to their attention. Although Rhobe’s hockey skills are undeniable, if he hopes to make it to the NHL, he’ll have to overcome both the language barrier and his persistently bizarre social limitations, which not only alienate his teammates but have an investigative journalist questioning what planet he’s even from. With narration and commentary from El Gordo, with whom the characters occasionally share conversation and pun-filled banter, *More Hockey Stories: A Novel Perspective—Conversations with El Gordo* is the entertaining and cleverly named sequel to *Hockey Stories: A Novel Perspective—Conversations with El Gordo*. It will bring its readers right back to their favourite local pub, sitting, sipping, and sharing amusing memories and anecdotes about the world of hockey—both on the ice and off—with all its fun, comradery, and sometimes unbelievable drama.

*The Quarry* Peter Webb,2013-04-01 On Barn Tor, as on any English sporting estate, the poacher/gamekeeper dynamic has developed, over centuries, into its present state of poorly concealed dislike and with one unwritten, explicit rule; do not cross the line. So, what do you do when someone you love ceases to abide by these rules? *The Quarry* follows the lives of two families and finds that, when affairs of the estate are blurred by affairs of the heart, the idyllic country-life veneer is soon stripped away and it will only take one slip, one slight misreading of just who and what the quarry is, to ignite a volatile cocktail of suppressed emotions, raw passion and explosive confrontation.

**Suicide Squeeze** TG Wolff,2021-02-08 Diamond. One name for a woman with one purpose. Or she was, until she finished her to-do list. Now she's just a woman ready to be over with it all. Hanna Lang is the kind of woman men write bad checks for. She has a problem. Her man, Dr. Damon Marten, disappeared in the middle of an ordinary day. The police aren't concerned but Hanna knows better. A clandestine meeting leaves her with an address, a sealed envelope, and one last hope. An hour later, she rings a doorbell. Before Diamond was a widow, she was CIA agent with skills illegal in a dozen countries. When her marker is called in, she has no choice but to listen. It's just like fate throw her a curve ball, sending her the one problem she can't walk away from. Hanna's situation is virtually identical to her own with one exception: Hanna's man might still be alive. Diamond reluctantly takes the case. She dives into the mystery, surfacing in the middle of a scavenger hunt for a secret known as Poe's Raven. It takes Diamond's flair for the impossible to capture this bird, only to discover what's in her hand has the potential to take terrorism to a chilling new level. And fate isn't done with Diamond, forcing her to put it all on the line or risk setting the caged bird free. Praise for the books by TG Wolff: "TG Wolff's Detective De La Cruz is caught in the

crosshairs of solving heinous crimes, defending himself against a wrongful lawsuit, helping an abusive drug dealer's family, thwarting his mother's matchmaking, and falling in love. Pit against those who subvert justice and twist the law to suit their own ends, Cruz stands true while suffering his own demons—everything a hero should be. Wolff's unsentimental and precise writing draws readers. Add *Exacting Justice* to your 'to be read' pile." —E. B. Davis, mystery author "Working with an incarcerated population, I deal regularly with people who have made poor life decisions but who can be inherently funny, surprisingly talented, or overly concerned. I know that simple labels of 'good' and 'bad' don't work in the real world. In *Exacting Justice*, TG Wolff created characters just as messy, complicated, and dynamic as real life that keep you wanting to read page after page." —Vincent Giammarco, Director of Behavioral Health Care "TG Wolff's novel is for crime-fiction fans who like it action-packed and hard-edged. Written with feisty panache, it introduces Diamond, one of the most aggressive, ill-tempered, and wholly irresistible heroines to ever swagger across the page." —David Housewright, Edgar Award-winning author of *Dead Man's Mistress*, for *Widow's Run*
