Cassell's Dictionary of Slang Jonathon Green,2005 With its unparalleled coverage of English slang of all types (from 18th-century cant to contemporary gay slang), and its uncluttered editorial apparatus, Cassell's Dictionary of Slang was warmly received when its first edition appeared in 1998. 'Brilliant.' said Mark Lawson on BBC2's The Late Review; 'This is a terrific piece of work - learned, entertaining, funny, stimulating' said Jonathan Meades in The Evening Standard.But now the world's best single-volume dictionary of English slang is about to get even better. Jonathon Green has spent the last seven years on a vast project: to research in depth the English slang vocabulary and to hunt down and record written instances of the use of as many slang words as possible. This has entailed trawling through more than 4000 books - plus song lyrics, TV and movie scripts, and many newspapers and magazines - for relevant material. The research has thrown up some fascinating results

Woman No. 17 Edan Lepucki,2017 High in the Hollywood Hills, writer Lady Daniels has decided to take a break from her husband. She's going to need a hand with her young son if she's ever going to finish her memoir. In comes S., a magnetic young artist, who will live in the secluded guest house out back, care for Lady's young toddler son, and keep a watchful eye on her older, teenage, one. S. performs her day job beautifully, quickly drawing the entire family into her orbit, and becoming a confidante for Lady. But as the summer wears on, S.'s connection to Lady's older son takes a disturbing, and possibly destructive, turn. Lady and S. will move closer to one another as they both threaten to harm the things they hold most dear. Darkly comic, twisty and tense, this mesmerizing new novel defies expectation and proves Edan Lepucki to be one of the most talented and exciting voices of her generation.

Dead-End Road Richard Kunzmann,2010-12-10 Detective Harry Mason has rejoined the South African Police Service after a two-year leave of absence, and moved over to the specialised Serious and Violent Crimes unit, headed by the tough and fiery veteran commander Superintendent Carl ‘Blackie’ Swarts. Soon afterwards, Harry is assigned to investigate the slaying of a minor politician and his family, in a township west of Johannesburg. The case, at first seemingly unsolvable, is abruptly saved by an enigmatic grassroots anarchist whom Harry befriended during the apartheid riots of the ’80s, and soon the SVC is hot on the heels of one of the country’s most secretive and violent vigilante groups, known as ‘The Guardians’, headed up by two brothers whose brutality is legendary amongst the poor inhabitants of Johannesburg’s squatter camps. As the investigation slices away at the layers of secrecy surrounding this group, other secrets surface – truths that ultimately pose a threat to Harry’s unit, and to the city at large. When Harry is abruptly gunned down by unseen assassins during a dawn raid on a remote village, and a bomb is detonated in the judicial heartland of Johannesburg, his former police partner and long-time friend, Detective Jacob Tshabalala, is forced to take matters into his own hands, and expose a splinter faction of vigilantes operating within the police service itself – a faction whose connections stretch all the way into parliament itself.

Exalted Anna Dorn,2022-06-07 Emily Forrest runs the hottest astrology account on Instagram, @Exalted, but astrology is on the outs, and her finances are dwindling. Emily doesn't even really believe in astrology, despite her gift for deciphering the moons and signs, until she comes across a birth-chart that could potentially change her mind. Beau Rubidoux's chart has all the planets in their right places--it is exalted. She decides that Tres could potentially be the love of her life and begins following him around Los Angeles in hopes of getting close to him and catching his eye. Meanwhile, in Riverside, CA, Dawn Webster has been dumped once again. At 48, she is forced to return to the diner where she started waiting tables at 18. With no girlfriend, no career, and her only son gone to Hollywood, the once-vivacious Dawn is aimless and alone. Persona non-grata at the local lesbian bar, she guzzles cheap champagne and peruses @Exalted to feel seen. When Dawn spots her son's estranged father one day during a work break, she decides to track him down and reshape the flailing course of her life. Told from Emily and Dawn's alternating points of view, Exalted is a deliciously dark novel that explores desire, the projection of love, and what we're really searching for when we keep scrolling. Anna Dorn's signature wit and biting social commentary takes readers across Southern California until Emily and Dawn's shocking connection is finally revealed.

Utopianism: A Very Short Introduction Lyman Tower Sargent,2010-09-23 There are many debates about utopia - What constitutes a utopia? Are utopias benign or dangerous? Is the idea of utopianism essential to Christianity or heretical? What is the relationship between utopia and ideology? This Very Short Introduction explores these issues and examines utopianism and its history. Lyman Sargent discusses the role of utopianism in literature, and in the development of colonies and in immigration. The idea of utopia has become commonplace in social and political thought, both negatively and positively. Some thinkers see a trajectory from utopia to totalitarianism with violence an inevitable part of the mix. Others see utopia directly connected to freedom and as a necessary element in the fight against totalitarianism. In Christianity utopia is labelled as both heretical and as a fundamental part of Christian belief,

and such debates are also central to such fields as architecture, town and city planning, and sociology among many others Sargent introduces and summarizes the debates over the utopia in literature, communal studies, social and political theory, and theology. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.
