The Sphinx Contemplating Napoleon Gilane Tawadros,2021-01-28 Anchored in artistic practice, this vibrant collection of essays and writings spans a period from 1992-2017 and the work of leading artists such as Adel Abdessemed, Richard Avedon, Sonia Boyce, Frank Bowling, Omer Fast, Mona Hatoum, Susan Hiller, Alfredo Jaar, Glenn Ligon and Shen Yuan. A key figure in British and international art, Gilane Tawadros draws difference to the surface, recuperating it as a potentially radical frame through which to understand contemporary art and the everyday world. Playing with forms of writing, from critical analyses to fictional narratives, the book functions as a practice-based meditation on how to write about contemporary art.

Moscow Believes in Tears Louis Menashe,2011-12 This unique collection of writings and interviews highlights the important role that cinema can play for understanding Russian history, politics, culture and society in all phases-Tsarist, Soviet and post-Soviet. This is the book for the Russian movie aficionado - personal, pointed, funny, frank and full of all kinds of inside stories and political folk tales. It is a fascinating window on Soviet/Russian pop culture that only a cultural Marco Polo and fanatical movie-goer like Louis Menashe would even dare attempt.-Hedrick Smith, Pulitzer Prize-winning author of *The Russians* and *The New Russians*Menashe combines an encyclopedic knowledge of Russian history and society of the past 50 years with a broad-ranging and sensitive eye for cinematic meaning and detail.-Anthony Anemone, *The New School University*This sparkling collection of film reviews, essays and interviews with filmmakers is a cultural history of Russia over the past 25 years. Highly recommended to everyone interested in Russia and the movies.-Denise J. Youngblood, University of Vermont, and author of *Cinematic Cold War: The American and Soviet Struggle for Hearts and Minds*.A great national cinema is explored in its myriad colors and textures. Not a traditional history, the book is an archive of insights captured across years of passionate viewing.-Jerry W. Carlson, The City College and Graduate Center CUNY, host of the popular program, *City Cinematheque*.Menashe allows us to see both Russia's present and her past through his crisp, clear and fresh lens of a true expert who loves the country and its films, but always remains critical enough to see their flaws and merits.-Birgit Beumers, University of Bristol

Contracts Randy E. Barnett,Nathan B. Oman,2021-01-31 *Contracts: Cases and Doctrine* features a mix of lightly-edited classic and contemporary cases that stresses current contract doctrine along with the essential lawyering skill of case analysis—how to sift through the facts of the case to discern the prevailing rules and theory. Randy Barnett and Nate Oman’s innovative text introduces each case and provides the historical background of the iconic cases that make the study of contract law engaging. Study Guide questions help students identify salient issues as they read each case. Judicial biographies of each judge provide additional context. The Seventh Edition has been edited to delete materials that are seldom covered in a 1L class. This edition adds new cases that have been chosen for their topicality, facts, or pedagogical usefulness. New areas covered include so-called “smart contracts” and the relationship between restitution and contract. As always, we have tried to focus on cases with facts that will be easier to teach. New cases in this edition include a contract with a spy that turns out to be a double agent for the KGB, the effect of pandemics on contractual obligations, the gambling shenanigans of a royal prince, and emotional support animals. New to the Seventh Edition: In order to keep the size of the book manageable, we have eliminated the section on the signature requirement under the statute of frauds and have slimmed down the materials on internet contracting, which is no longer the “cutting edge” area that once it was. New cases include: *Attorney General v. Blake* (restitution damages for breach of contract against a British spy who defected to the USSR) *Snepp v. United States* (squib) (constructive trust against an American spy for breach of contract) *Al-Ibrahim v. Edde* (denied an unjust enrichment remedy to unwind a contact declared unenforceable for illegality) *Pelletier v. Johnson* (claim for unjust enrichment allowed to unwind a contract declared unenforceable for illegality) *Carter Baron Drilling v. Badger Oil Corp.* (discussing the parole evidence rule under the UCC) *C.R. Klewin Inc. v. Flagship Properties, Inc.* (the exception to the 1-year requirement under the statute of frauds) *Cohen v. Clark* (case imposing liability on a breaching party that everyone agrees breached in “good faith”; illustrates the strictness of contractual liability) *Hanford v. Connecticut Fair Ass’n, Inc.* (public policy exception for public health in time of a pandemic) *B2C2 Ltd v. Quoine Ltd Pte* (unilateral mistake case dealing with “smart contracts”) Professors and student will benefit from: Case-based approach that gives students ample doctrinal materials to sift through for facts and analyze for prevailing rules and theory. Cases that are lightly edited, or presented as whole as possible, to give first-year students the opportunity to develop case-analysis skills. Restatement and UCC sections integrated to encourage students to consult them as they read the cases. Iconic and contemporary cases combined to show how the classic cases are still relevant. Chapters that begin with a brief, accessible textual introductions. Study Guide questions before each case help focus student attention on salient issues. Flexible organization begins with Remedies, but chapters can be taught in any order.

Pastoral Prayers to Share Year A David Sparks, So what are we about as pastoral pray-ers? We are about bringing ourselves individually and as a faith community into right relationship with God... What about a Revised Common Lectionary based book of pastoral prayers for clergy and lay leaders that provides responsive prayers for each Sunday of the year. David gets asked this question often when people recognize him as the author of the three volumes of *Prayers to Share*. So, acknowledging that the pastoral prayer is often overlooked and undervalued, and that clergy and lay leaders may be hard-pressed for time to compose a fresh pastoral prayer each week, he has put together a unique and comprehensive collection of prayers that can be adapted to present circumstances and used in a variety of settings. The prayers are responsive, written for one or two leaders and a congregational response. They all allow for the inclusion of local and worldwide current events, and individual and congregational concerns. David usually uses the weekly Gospel reading as the broad theme for the prayers and divides them into four easily identified sections: world suffering church ourselves The how to use section covers preparing to offer pastoral prayer, and offers 12 ways to do pastoral prayer, such as: two leader congregational response using people and objects to dramatize a theme using part of a hymn for a lead or a response using silence for effect Each week offers specific suggestions for two or three prayer formats. Other features include: Thematic Index Scripture Index Icons in the margin to enable quick identification of prayer sections and alternate suggestions Data CD with text files for Year A included

The Abu Bakr Cemetery at Giza Edward Brovarski,Tohfa Handoussa,2021-07-31 The present volume reflects the work of the joint expedition of Cairo University and Brown University to record and publish the tombs uncovered on behalf of Cairo University by Prof. Abdel-Moneim Abu Bakr from 1949 through 1953, but never published. The loss of field records and lack of a map of the site meant that new, salvage excavation had to be undertaken. A total of six seasons, from 2000-2006 resulted in the clearing, remapping, and recording of the monuments in the cemetery. Abu Bakr Cemetery is of particular interest because the majority of mastaba tombs belong to relatively low-ranking individuals. Thus they have the potential to shed light on the social status of Egypt's working classes.
