Fair Chase and Other Tales Larry Roper,Betty Roper,2011-10 Fair Chase and Other Tales is a very unique book in the wonderful field of families and adventure stories. Many books are about grizzly attacks and the like, but this book is amazing in its variety. Crazy bear stories, yes, but also tales about muskrats, weasels, doll sheep, Native's sacred hunting grounds, bucks in a death struggle with each other, lost wife in the wilderness, kids coming of age and all-in-all a terrific assortment about a family finding its way and each other in the wild. It has opened to some rave reviews by old and young alike. One review begins, I couldn't put the book down, Josh couldn't either The same will be true of you. The homespun style is compelling and honest. ----- Publisher
