East of Ireland Walks Lenny Antonelli,2015-03-01 River and canal walks can have special appeal, the scenery always changing due to flowing water, weirs, locks and the changing countryside. Ireland's rivers and canals are rich in wildlife, history and folklore, and many can be explored on mostly flat, little-used trails. These hidden corridors of wildness through rural and urban Ireland reveal remnants of a time when trade, transport and industry in Ireland revolved around water rather than roads. Lenny Antonelli introduces some of the best river and canal trails in the east and east midlands, from short strolls to a five-day trek along the Barrow. These walks encompass iconic Irish rivers such as the Liffey, the Boyne and the Nore; and waterways such as the Grand and Royal Canals. There are lesser-known trails here too, from ravines in the Slieve Bloom Mountains to the young rivers of Wicklow's deep wooded valleys. For those new to walking, these trails form easy introductions. For experienced walkers, they provide new and less-trodden paths through places of unexpected beauty. • Also available: 'Dublin & Wicklow: A Walking Guide' by Helen Fairbairn

A Walk Through Rebel Dublin 1916 Mick O'Farrell,1999-01-01 A Walk Through Rebel Dublin 1916 is a comprehensively illustrated guide to the Rising of Easter Week 1916, based on the significant locations of the rebellion. Dealing separately with thirty buildings and sites throughout the city - including the GPO, Liberty Hall, Trinity College, the Four Courts and Dublin Castle - the author provides a brief, fascinating history of the events and personalities that dominated these locations during Easter Week. A contemporary photograph of each location is juxtaposed with a photograph of the building or streetscape as it looks today. While some dramatic changes have taken place in the architecture of Dublin over the course of the twentieth century, there is much that has remained unaltered, as these images will testify. A Walk Through Rebel Dublin 1916 can be read and enjoyed without visiting the locations featured, but the reader is encouraged to walk the streets of Dublin, book in hand, to get a vivid sense of some of the most dramatic episodes in Ireland's history.

Walking the Wicklow Way Paddy Dillon,2021-05-15 The Wicklow Way was the first long-distance walking trail to be established in Ireland. Coming in at 130km (81 miles), the route traverses the county of Wicklow, from Marlay Park on the outskirts of Dublin to Clonegal, just over the county border in neighbouring Carlow, and can be comfortably completed in a week. The guide also details several adjacent trails that can be interchanged with the main route, and short detours off-route (also described) lead to welcoming villages offering accommodation and a range of other facilities.The route is presented in seven stages, each with an overview followed by clear route description and mapping. There are elevation profiles and notes on local points of interest. In addition to background information about the county's history, geology, plants and wildlife, you will find all the information you need to walk the route, with helpful advice on transport, accommodation and kit. Accommodation listings, useful contacts and a glossary of Irish place-names can be found in the appendices.Wicklow is a county of varied landscapes: mountains and sweeping uplands offer extensive views, whereas other stages take you through verdant glens and past scenic lakes. The area is rich in both culture and history, with the ancient Monastic City at Glendalough a special highlight. And of course, there are characterful villages and pubs where you can experience true Irish hospitality. The Wicklow Way has plenty to commend it and is a great way to explore this wonderful county.
