Duchess Bake Shop Giselle Courteau,2017-10-31 The perfect balance of high-end French pastries and home baking. This elegant, must-have cookbook offers exceptional recipes with exquisite results--perfect for passionate home bakers. An updated version of the best-selling debut from Giselle Courteau, this beautiful cookbook is packed with stunning recipes with spectacular

results. The ideas from this cookbook can be traced back to Giselle's experiences teaching English in Japan in 2007. It was in Tokyo that Giselle, a self-taught baker, first discovered French macarons and became determined to replicate the delicate confections at home. After experimenting with hundreds of different recipes, all in a tiny toaster oven, Giselle finally perfected a macaron recipe that inspired her to open a French Patisserie in Canada in 2009. That macaron recipe is featured in this cookbook and macarons have been (and continue to be) the bestselling item at Duchess Bake Shop since it first opened. Macarons aside, Giselle's expertise in all things French patisserie is clear throughout this cookbook. Inside, you'll find standout recipes for Pains au Chocolat, Brioche, and Tartiflette. The cookbook also features contemporary twists on classics including The Duchess, a modern take on the Swedish Princess Cake; Duchess St. Honoré, a combination of two pastries (puff and pâte à choux); and delicious Canadian-inspired pastries such as Farmer's Saskatoon Pie, Butter Tarts, and the Courteau Family Tourtière. This new edition will also include Duchess Bake Shop's famed Buche de Noël, a perfect recipe for the holiday season! With ten chapters of approachable recipes that have been tested and re-tested, Giselle's instructions demystify the baking process. This cookbook will inspire readers to bake with confidence using a range of baking equipment, techniques, and ingredients. The book's refined design captures the sophistication and chic decadence of Giselle's beloved bake shop.

Ladies of Magna Carta Sharon Bennett Connolly, 2020-05-30 Magna Carta clause 39: No man shall be taken, imprisoned, outlawed, banished or in any way

destroyed, nor will we proceed against or prosecute him, except by the lawful judgment of his peers or by the law of the land. This clause in Magna Carta was in response to the appalling imprisonment and starvation of Matilda de Braose, the wife of one of King John's barons. Matilda was not the only woman who influenced, or was influenced by, the 1215 Charter of Liberties, now known as Magna Carta. Women from many of the great families of England were affected by the far-reaching legacy of Magna Carta, from their experiences in the civil war and as hostages, to calling on its use to protect their property and rights as widows. Ladies of Magna Carta looks into the relationships – through marriage and blood – of the various noble families and how they were affected by the Barons' Wars, Magna Carta and its aftermath; the bonds that were formed and those that were broken. Including the royal families of England and Scotland, the Marshals, the Warennes, the Braoses and more, Ladies of Magna Carta focuses on the roles played by the women of the great families whose influences and experiences have reached far beyond the thirteenth century.
