**The Duck Commander Family** Willie Robertson, Korie Robertson, 2014-08-12 Presents a behind-the-scenes look at the Robertson family, documenting the teenage romance and marriage of Willie and Korie Robertson, their success as a multi-million dollar hunting equipment business, and their rise to stardom on reality television.

*Duck Commander Collection* Willie Robertson, Korie Robertson, Phil Robertson, Si Robertson, 2013-10-15 This special boxed set includes three bestsellers from the stars of the hit A&E® program Duck Dynasty®: *The Duck Commander Family*, *Si-Cology*, and *Happy, Happy, Happy*. *The Duck Commander Family* Willie and Korie tell their behind-the-scenes story—a story that’s wrapped in one of their favorite things: food! In chapters like “Chicken Strips,” you’ll read how Willie married Korie when she was only eighteen, and in “Duck Gumbo” you’ll see how lessons from his early life set Willie up to be CEO of Duck Commander and Buck Commander. *Si-Cology* Uncle Si shares riotous tales about his colorful life, including his childhood as the youngest Robertson brother, his short stint in college, his days in Vietnam, his passion for hunting, and the stronghold of his faith. In this book, which includes family photos and famous one-liners, Si shares his life in his own quirky style. *Happy, Happy, Happy* In this revealing book, Phil shares fourteen rules for living, including “Don’t let your grandkids grow up to be nerds,” “Never sell yourself short,” and “It’s cheaper to hire your relatives.” You’ll get insights into what made Phil the man he is today and how he answered the call to be a man of faith and ducks.

*The Women of Duck Commander* Kay Robertson, Korie Robertson, Missy Robertson, Jessica Robertson, Lisa Robertson, 2014-04-01 The wives of the Robertsons all came into the family the same way: they fell in love with one of the Robertson boys. In the Duck Dynasty TV series, the women often come into their own when the whole family gathers around the table together to eat dinner, and fans of the show get a good glimpse into their lives, but that is hardly the whole story, which is why they decided to write this book... In *The Women of Duck Commander*, the wives show how they have worked together to help one another and to support the family in all its work and its happiness. They are committed to timeless values, and in the book they share the insights, stories, and experiences that have made them who they are. The appeal of the Duck Dynasty comes, not because they are showing us anything new, but they are reminding us of the values our culture is in danger of losing.

**Happy, Happy, Happy** Phil Robertson, 2013-05-07 This no-holds-barred autobiography chronicles the remarkable life of Phil Robertson, the original Duck Commander and Duck Dynasty® star, from early childhood through the founding of a family business. *LIVING THE DREAM* Duck calls—though the source of his livelihood—are not what makes Phil Robertson the man he is today. When asked what matters in his life, he’s quick to say, “Faith, family, ducks—in that order.” It isn’t often that a person can live a dream, but Phil Robertson, aka The Duck Commander, has proven that it is possible with vision, hard work, helping hands, and an unshakable faith in the Almighty. Phil’s is the remarkable story of one man who followed the call he received from God and soon after invented a duck call that would begin an incredible journey to the life he had always dreamed of for himself and his family. In the love of his country, his family, and his maker, Phil has finally found the ingredients to the “good life” he always

wanted. If you ever wind up sitting face-to-face with Phil, you'll see that his enthusiasm and passion for duck hunting and the Lord is no act—it is truly who he is. If you've watched the exceedingly popular A&E® program Duck Dynasty®, you already know the famed Phil Robertson. As patriarch of the Robertson clan and creator of Duck Commander duck calls, he fearlessly leads his family in a responsible work ethic and an active faith. But what you don't know is his life before the show. In the pages of this book, you'll learn of Phil's colorful past and his wild road to the "happy, happy, happy" life he leads today. Before the "happy," Phil's passion for the outdoors and wild living led him down some shady paths. As a young husband and father, he became the proprietor of a rough bar and lived a life, as he says, of "romping, stomping, and ripping" for a number of years. He even left his wife and young boys for a short period of time. Through it all, Phil Robertson has lived his life as a "called" man. Called to live off the land, called to leave a starring role in Louisiana Tech football (playing ahead of Terry Bradshaw) for duck hunting, called to wild living, called to create a new kind of duck call—and finally, called to follow God and lead a life of faith. In this eye-opening and rousing book, you'll find stories that will shock you, as well as those that will inspire you. You'll get to know the man behind the legend, and you'll come away better for it.

Happy, Happy, Happy Phil Robertson, Mark Schlabach, 2013 This no-holds-barred autobiography chronicles the remarkable life of Phil Robertson, the original Duck Commander and Duck Dynasty star, from early childhood through the founding of a family business. Life was always getting in the way of Phil Robertson's passion for duck hunting. An NFL-bound quarterback, Phil made his mark on Louisiana Tech University in the 1960s by playing football and completing his college career with a master's degree in English. But Phil's eyes were not always on the books or the ball; they were usually looking to the sky. Phil grew up with the dream of living the simple life off the land like his forebears, but he soon found himself on a path to self-destruction--leasing a bar, drinking too much,

fighting, and wasting his talents. He almost lost it all until he gave his life to God. And then everything changed. Phil's incredible story tells how he followed a calling from God and soon after invented a duck call that would begin an incredible journey to the life he had always dreamed of for himself and his family. With great love for his country, his family, and his maker, Phil has finally found the ingredients to the good life he always wanted--
