**Calling the Wild** Mike Lewis,2017-10-11 Few possessions are as highly prized by duck hunters as their favorite calls. Enabling the hunter to attract waterfowl by mimicking their sounds, the skillfully crafted and highly individualized calls are revered for the craftsmanship and rich history associated with this uniquely American art form. In this book, avid Arkansas duck call collector Mike Lewis chronicles the history of Arkansas duck call making and captures the spirit of over fifty renowned call makers. He recounts how Arkansas artisans dominated the early market and continued to influence the design and refinement of the modern duck call through the vivid combination of images and stories. He traces the evolution of call design from 1890 to 2017, featuring the work of call makers whose contributions of handcrafted duck calls are highly regarded as among the most prized in the world. Lewis includes over three hundred call makers and over seven hundred photographs that facilitate identification of the calls.

**The Loudest Duck** Laura A. Liswood,2009-11-16 Diversity in the workplace is a wonderful thing—but it also challenges many of today's business leaders. For managers and team-members alike, it can be difficult to navigate in a truly diverse workplace made up of people of different cultures, races, creeds, body types, hobbies, genders, religions, styles, and sexual orientations. But understanding our cultural and social differences is a major key to a high-performing, merit-based work environment. The Loudest Duck is a business guide that explores workplace diversity and presents new ideas for getting the most business and organizational benefit from it. In the Chinese children's parable, the loudest duck is the one that gets shot. In America, we like to say that the squeaky wheel gets the grease. Comparing the two, it's easy to see that our different cultures teach us different sets of values, and those values often translate into different ways of doing business that may subtly advantage one culture at work and disadvantage another. In the global marketplace, it's more important than ever that we understand and are conscious of our differences to work together effectively. It is not enough to create Noah's Ark, bringing in two of each kind. We all bring our unconscious beliefs and personal narratives about who we are and who others are with us to work and, with diversity in place, we can no

longer ignore them. Truly effective leaders can't pretend that we're all the same or that our preferences and preconceptions don't exist. The Loudest Duck offers a way to move beyond traditional diversity efforts that ignore our differences and toward modern diversity practices that embrace those differences—and profit from them. Diverse organizations require more sophisticated leadership, conscious awareness of diversity issues, new behavioral patterns, and effective tools for reaping the benefits of true diversity. This book will help you develop the skills you need and the tools you can use to go beyond what Grandma taught you to make diversity work in your business. More than just an enlightening tale about diversity, The Loudest Duck is a powerful resource for any manager, business owner, team leader, or employee who wants to meet the challenges of the modern heterogeneous workplace. It's not simply about accepting others—it's about ensuring a level playing field for everyone and building an organization that gets the best from all its people.

The House on Lombardy Lane Dave Landry,2016-07-15 This book, The House on Lombardy Lane, was inspired by my days as a teen in Little Rock, Arkansas, where I was disappointed when my parents, who were grocery store merchants, did not buy the house we had looked at on Lombardy Lane, Pulaski Heights, Little Rock, Arkansas, with intentions of purchasing it. Thoughts of this house haunted me throughout my life even throughout twenty-five years of living abroad and teaching for the Department of Defense Overseas Dependent Schools throughout Europe. My family actually bought a gorgeous house on Wolfe Street, West Little Rock, in 1945, conveniently placing our family close to then Little Rock High School (now Little Rock Central High) and making it convenient to walk to school and to work at our third grocery store on West Fourteenth Street, Little Rock. The book tells of the many exciting places I lived and taught in the United States and abroad. The House on Lombardy Lane still captivates my thoughts and illusions as to how much more dynamically I would have completed my life's journey had my parents purchased this fabulous house of my dreams!

**Happy, Happy, Happy** Phil Robertson,2013-05-07 This no-holds-barred autobiography chronicles the remarkable life of Phil Robertson, the original Duck Commander and Duck Dynasty® star, from early childhood through the founding of a family business. LIVING THE DREAM Duck calls—though the source of his livelihood—are not what makes Phil Robertson the man he is today. When asked what matters in his life, he's quick to say, “Faith, family, ducks—in that

order.” It isn’t often that a person can live a dream, but Phil Robertson, aka The Duck Commander, has proven that it is possible with vision, hard work, helping hands, and an unshakable faith in the Almighty. Phil’s is the remarkable story of one man who followed the call he received from God and soon after invented a duck call that would begin an incredible journey to the life he had always dreamed of for himself and his family. In the love of his country, his family, and his maker, Phil has finally found the ingredients to the “good life” he always wanted. If you ever wind up sitting face-to-face with Phil, you’ll see that his enthusiasm and passion for duck hunting and the Lord is no act—it is truly who he is. If you’ve watched the exceedingly popular A&E® program Duck Dynasty®, you already know the famed Phil Robertson. As patriarch of the Robertson clan and creator of Duck Commander duck calls, he fearlessly leads his family in a responsible work ethic and an active faith. But what you don’t know is his life before the show. In the pages of this book, you’ll learn of Phil’s colorful past and his wild road to the “happy, happy, happy” life he leads today. Before the “happy,” Phil’s passion for the outdoors and wild living led him down some shady paths. As a young husband and father, he became the proprietor of a rough bar and lived a life, as he says, of “romping, stomping, and ripping” for a number of years. He even left his wife and young boys for a short period of time. Through it all, Phil Robertson has lived his life as a “called” man. Called to live off the land, called to leave a starring role in Louisiana Tech football (playing ahead of Terry Bradshaw) for duck hunting, called to wild living, called to create a new kind of duck call—and finally, called to follow God and lead a life of faith. In this eye-opening and rousing book, you’ll find stories that will shock you, as well as those that will inspire you. You’ll get to know the man behind the legend, and you’ll come away better for it.

**Backlash** Galen Winter, 2011-12-29 BACKLASH is a collection of 35 hunting and fishing stories originally appearing on the back pages of outdoor sports magazines. The book is an essential addition to the library of all hunters and fishermen who have developed the ability to read. It explains to duck hunters how they can convince a skeptical wife to pluck ducks. Upland bird hunters will learn how to dispose of the bodies of dead woodcock and the sportsman's program for resolving the Near East Israel - Palestinian crisis has already been forwarded to the State Department (and completely disregarded). A clear, no-nonsense explanation of how to pick mushrooms is provided at no extra cost. The BACKLASH collection has been designed to make the outdoorsman smile and the politically correct frown. It has received appropriate recognition from recognized literary masters. The BACKLASH tales are classics. They will command a place in outdoor literature for weeks. William Shakespeare All of these stories have been stolen from THE COMPLEAT ANGLER. You will hear from my attorneys in the morning. Isaak Walton BACKLASH is entirely responsible for the degree of interest I have in hunting and fishing. Oscar Wilde About the Author An attorney, Galen Winter lived in Latin America and, for fifteen years, specialized in international law. He became a corporation counsel in Milwaukee, then in Chicago and, finally, engaged in the private practice of law in northern Wisconsin where, he says, A man can associate with dogs and shotguns without arousing too much suspicion. Winter began writing about his passions - hunting and fishing - in 1981, contributing many articles to several national and regional outdoor magazines. He compiled a wild game cookbook, and wrote two novels. BACKLASH is one of his six volumes of outdoor humor. Winter has hunted and fished all over the western hemisphere - in arctic islands north of Canada's Nunavut Territory, in the Amazon basin, Cuba, Ecuador,

Nicaragua, the Argentine Patagonia, Uruguay and various places within the United States where game birds are found. Jessine, his wife of over fifty years, has put up with him through it all. They live in Shawano, Wisconsin.
