**Dungeon Crawler Carl** Matt Dinniman,2020-09-21 The apocalypse will be televised! A man. His ex-girlfriend's cat. A sadistic game show unlike anything in the universe: a dungeon crawl where survival depends on killing your prey in the most entertaining way possible. In a flash, every human-erected construction on Earth--from Buckingham Palace to the tiniest of sheds--collapses in a heap, sinking into the ground. The buildings and all the people inside have all been atomized and transformed into the dungeon: an 18-level labyrinth filled with traps, monsters, and loot. A dungeon so enormous, it circles the entire globe. Only a few dare venture inside. But once you're in, you can't get out. And what's worse, each level has a time limit. You have but days to find a staircase to the next level down, or it's game over. In this game, it's not about your strength or your dexterity. It's

about your followers, your views. Your clout. It's about building an audience and killing those goblins with style. You can't just survive here. You gotta survive big. You gotta fight with vigor, with excitement. You gotta make them stand up and cheer. And if you do have that it factor, you may just find yourself with a following. That's the only way to truly survive in this game--with the help of the loot boxes dropped upon you by the generous benefactors watching from across the galaxy. They call it Dungeon Crawler World. But for Carl, it's anything but a game.

**A Wolf's Journey** Alicia Hamilton, 2013-09-18 One girl's journey to discover where she came from. Daceria is alone, the last of the clan of silver wolves and daughter of Ace, King of Wolves. She can hardly remember her family or past, and has lived in near solitude most of her life. But things are about to change. This world I live in is full of danger no matter where I turn. Daceria is half demon, hiding away deep in a forest, where she is safe. Her life is quiet and peaceful, if lonely, until a human man stumbles across her path. Blood ran down his face like rain falling from the midnight sky. She knows one thing for sure: never trust a human. But she is drawn to him for reasons she can't explain. He is handsome and charming, but the connection they share runs deeper than words, and she finds herself falling...

Everyone falls in love with someone, even people like you. Adam flies solo. He always has, and always will. That is what he tells his brother. But when he is attacked by demons, he stumbles into the home of a beautiful girl with wolf ears and a tail. Demons are evil--he has always known this, ever since the day his parents died. But Daceria challenges that belief, surprising him with her gentle ways and caution, and of course, plight--she is a rare creature, wanted by Demon Hunters who will stop at nothing to capture her. Daceria I love you. When a sorceress's evil spell takes Adam away from her, Daceria must find a way to save him. To do that, she must unlock the hidden secrets of her past and discover what it truly means to be Ace's legacy. She is her family's last hope; she cannot fail. But she cannot succeed alone. Let the journey begin.

*Dungeon Lord* Hugo Huesca, 2017-11-23 Dark forces have extended Edward Wright an offer of incredible power at a terrible cost.....and Edward has chosen to make them regret it. When Edward is swept into the world of Ivalis as a Dungeon Lord, the Dark's most powerful servant, he has no servitude in mind. He'll oppose the evil plans of the Dark god Murmur, whatever it takes. Through only his wits and his guts to help him survive a weakened arrival, Edward must rise to power if he is to earn the right to live another day. But in the battle between Dark and Light, what can Edward choose if both sides are cruel, uncaring monsters? Cold gods laugh in the distant world of Ivalis. Heroes chase after power and experience, while Kings send their armies to their deaths in the name of the Dark and the Light. But no one expects the rise of the Dungeon Lord... And in the world of Ivalis, maybe a single man can forge his own path.
